

Prior Coursework: MILITARY SERVICE CONSIDERATIONS (TAC)

In accordance with 19 TAC 228.35(1), military service members or veterans may be eligible to receive credit for verified military service, training, clinical or professional experience, or education toward educator certification requirements, provided the service is directly related to the certification being sought.

Effective September 1, 2015, TEA waives certain fees for eligible military service members, veterans, and spouses. For additional information, including fee exemptions, please see the [TEA website](#). Information can also be found in [Texas Administrative Code 234](#).
