Now it's your turn to do the Can-Do Statement! The purpose of this activity is for you to try doing the Can-Do Statement using what you've learned and prepared in the previous stages and then to reflect on what you still need to work on to do the Can-Do Statement.

Can-Do Statement:

Part 1: Prepare

Imagine you are living in Cairo, Egypt and don't really feel like cooking or going out for food. Go to <https://www.talabat.com> and look for a restaurant that you like, and 'order' some food. Submit a screenshot of your cart!

Go to the Arabic part of the website - remember, the goal is to improve your Arabic, not to order food!

Part 2: Do

Now that you're familiar with the website, pretend you have a friend over and you both want to order food. Negotiate what restaurant you want to order from, and what you want to order. Write down your order, the name of the restaurant, and the final price. Be prepared to act out ordering and deciding in front of the class!
