What specific information was of greatest value to you?

Our collaborative meetings and shared folders

I learned so much in creating the presentations. You know the old saying, "you learn best what you have to teach" I greatly appreciate all the help I received by the district tech people. I would mention them by name but I got a lot of help and I'm afraid I would leave someone out. Gavin has some great people helping him

Meeting with other DCCs to see what Digital Citizenship activities they were implementing was most beneficial.
