

CSE 344 Section 9 Worksheet

1. Insert 20, 40, 72, 25, 63, 78, 2, 65, 86, 92, 95, 97, 99, and 98 into a B+ tree of degree 2, in that order. Draw the resulting B+ tree below (*see section slides for solutions*)

2. Delete 92 and 95, in that order, from the B+ tree you built in Q1. Draw the resulting tree. (***see section slides for solutions***)
