Duration: 9:30 am to 10:30 am (1 Hr)

Attendee Number: 24

Name of Resource person: Mr. Aniket Bele, ITM Skills University, Kharghar

Objectives of Activity :-

- To provide fundamental knowledge of fintech and its role in transforming the financial sector.
- To explain the concept, architecture, and functioning of blockchain technology.
- To create awareness about cryptocurrencies, their market dynamics, and trading strategies.
- To motivate students to explore career opportunities in the fintech and blockchain domains.

Description of Activity:

The Department of Banking & Insurance had organised a **Workshop on Foundation of Fintech: Blockchain & Cryptocurrency Trading** for the TYBBI students on **Tuesday, 18th November, 2025**.

The purpose of the workshop was to introduce participants to emerging financial technologies, focusing on blockchain systems, digital assets, and cryptocurrency trading mechanisms. Students actively participated in the session.

The workshop was facilitated by Mr. Aniket Bele, ITM Skills University, Kharghar a fintech specialist with expertise in blockchain systems and crypto markets. The speaker explained how fintech innovations are reshaping banking, payments, insurance, and investment platforms. Participants gained insights into major cryptocurrencies like Bitcoin, Ethereum, and stablecoins, along with their uses and market relevance.

Attendees interacted with the expert and clarified doubts related to investments, risks, and career pathways in fintech.

The workshop on the Foundation of Fintech, focusing on blockchain and cryptocurrency trading, proved to be highly informative and engaging. It provided participants with essential knowledge of emerging financial technologies and their transformative impact. The session concluded with a vote of thanks to the speaker.

Impact of activity:

- Increased awareness about cutting-edge technologies driving financial innovation.
- Enhanced understanding of blockchain functioning and its real-world applications.
- Boosted confidence among students to explore crypto markets responsibly.

Benefit to Volunteers (students):

- Gained practical knowledge of blockchain and cryptocurrency trading mechanisms.
- Exposure to live demonstrations and hands-on learning experiences.
- Improved financial literacy in emerging digital asset markets.
- Opportunity to connect with an industry expert for guidance and future prospects.
