

Have you or someone you know experienced changes in thinking or communication from a right hemisphere (RH) stroke?

Join our national RH support group!

7:00 – 8:30 p.m. Eastern time

We meet in person and via Zoom on the third Thursday of each month with people from across the US!

The group is facilitated by two, licensed, experienced speech-language pathologists (SLPs)

For more information about right hemisphere brain damage (RHD), please visit righthemisphere.org

Contact Melissa Johnson at mjohnso2@naz.edu for details and login information
