She shared that there is still approximately 1200 feet of sanitary sewer remaining to be lined. In addition, both Park and Briar will qualify for a mill and resurface approach. The board discussed timing for the road work and asked for an engineering estimate and possible plan to ensure good pricing, along with any other areas in the Village that may need repair (possibly Orchard Lane).

Emergency Services Department

Trustee Ross had nothing to report.

Building and Zoning Department

Trustee Burden had nothing to report.

Public Buildings and Grounds Department

Trustee Shine shared that Landscape Concepts Management (LCM) will be addressing the area in front of Village Hall, as well as the planters. In addition, the board asked him to review the west side of Overlook and Golf. The board also discussed the area by the Metra. Trustee Shine will obtain an estimate and review from LCM for the Metra area.

Finance and Administration Department

Trustee Miller shared that our financial position remains strong.

He shared a few observations about the fiscal year-end position. We budgeted to be slightly under budget (\$23K), but ended over budget (by approximately \$58K) due to a few items, primarily the new fire contract, which included some prepaid payments. He also shared that our balance sheet is very strong.

Streets and Sanitation Department

Trustee Kalogerakos shared that the Village directory signs were taken down.

Utilities Department

Trustee Landman shared new rates from LRS, which were somewhat high (10% increase and 4% for subsequent years) and asked for feedback from the Board. He will work with LRS to find a more cost-effective solution for the Village; however, the Village is happy with the service, so no change in vendor is recommended.

President's Report

Trustee Kalogerakos shared that he appreciated all board members and especially Michelle Shapiro's dedication to the Village.

Adjourn

Trustee Kalogerakos moved to adjourn the meeting. Trustee Landman seconded the motion. The motion passed unanimously. The meeting was adjourned at 7:25 pm.

Respectfully submitted,

Mary Osman, Village Clerk
