

Parents' Guide to Accessing Student Home Learning Tasks – Revision and Review (Homework) and Remote Learning

	1. Go to the school website. https://www.sewellparkacademy.co.uk/
	2. Click on student portal tab at the top of the page.
	3. If you have several emails registered on your device, select your learners from the list or select Use another account.
	4. Enter the new email account if you are entering it for the first time. It must end with @sewellpark.org Press next.
	5. Enter your password and press next.
	6. This is the student portal homepage. 7. Select tools.
	8. Select the app you are after. All home learning tasks are located in google classroom.
	- If your learner is off school select the Remote learning folder. This will direct you to resources and tasks they should be doing when they are off. - If you are after homework, it will be located in the subject folder. We call homework Revision and Review at Sewell Park Academy.
