"Unconditionally"- Katy Perry

Oh no, did I get too **close**?
Oh, did I almost see what's really on the **inside**?

All your insecurities
All the dirty **laundry**
Never made me **blink** one time

Unconditional, unconditionally
I will love you unconditionally
There is no **fear** now
Let go and just be free
I will love you unconditionally

Come just as you are to me
Don't need **apologies**
Know that you are **worthy**
I'll take your bad days with your good
Walk through the **storm** I would
I do it all because I love you, I love you

Unconditional, unconditionally
I will love you unconditionally
There is no **fear** now
Let go and just be free
I will love you unconditionally

So open up your heart and just let it begin
Open up your heart and just let it begin
Open up your heart and just let it begin
Open up your heart

Acceptance is the key to be
To be **truly** free
Will you do the same for me?

Unconditional, unconditionally
I will love you unconditionally
And there is no **fear** now
Let go and just be free
'Cause I will love you unconditionally (oh yeah)
I will love you (unconditionally)
I will love you
I will love you unconditionally

Ex 1.

Read the lyrics and try to fill in the blanks with the missing words.

Ex 2.

Discuss.

- What do you think are the keys to be happy with someone? Name three:

- Do you think you will be able to be with another person for a long time? How does this person need to be?

- Do you think love can last forever unconditionally?

HAPPY ST. VALENTINE!!!!
