

[1:40 PM] **JuanCena:** Its the best strategy

[1:41 PM] **JuanCena:** Good thing neither of them smoke cigarettes

[1:44 PM] **quidnose:** Don't pull a rarity

[1:48 PM] **JuanCena:** Quidnose i hate kids but i love annoying people should i become a high school history teacher

[1:48 PM] **Asiina:** lol

[1:49 PM] **JuanCena:** I would have a stone etch of the code of hammurabi at the head of the room

[1:49 PM] **quidnose:** Being annoyed by kids half the fun so sure

[1:49 PM] **quidnose:**

[1:49 PM] **JuanCena:** Can you curse at kids

[1:49 PM] **quidnose:** Words of wisdom from 7-11

[1:49 PM] **JuanCena:** That owns

[1:50 PM] **quidnose:** If you have tenure I guess you can!

[1:50 PM] quidnose: Wait two years then all the swearing

[1:50 PM] JuanCena: Can i just be openly corrupt and fail students who suck as people

[1:51 PM] Asiina: no ☐

[1:51 PM] JuanCena: Aw

[1:51 PM] Asiina: you just get to take personal joy when they fail themselves

[1:51 PM] Asiina: because they suck as people

[1:51 PM] JuanCena: Yay

[1:52 PM] JuanCena: I wanna ask a kinda hard but easy to know question to figure out who the hand raisers are

[1:52 PM] JuanCena: Then im gonna switch up the question on em

[1:52 PM] JuanCena: Somethin collegiate level

[1:52 PM] JuanCena: Make them never wanna raise they hand again

[1:53 PM] JuanCena: Plant the answer on the class clown

[1:53 PM] JuanCena: When they get it wrong

[1:54 PM] JuanCena: This way i shatter their confidence and person completely, now they can truly be rebuilt

[2:30 PM] JuanCena: Okay guys opening the betting lines over under on how many minutes this challenge goes from start to end, who wants in

[2:30 PM] JuanCena: I got myself, at 288 minutes

[2:36 PM] jakep: how can they all have time for this on a non-holiday monday afternnon

[2:36 PM] jakep: does no one hwave a job anymore

[2:37 PM] Asiina: They don't, no

[2:37 PM] jakep: lol must be nice

[2:37 PM] Asiina: cause I asked when we were trying to figure out the timing of this

[2:37 PM] Asiina: I mean, I'm doing work, but for them lol

[2:37 PM] jakep: ya

[2:38 PM] Asiina: I just check back in every 10 or so minutes and make sure no rules are broken

[2:39 PM] jakep: I wouldn't have lasted 1 hour

[2:39 PM] Asiina: I'm still forever sad I never got to do this

[2:39 PM] Asiina: fucking Rarity man

[2:39 PM] jakep: ughhhhhhhhhh

[2:39 PM] jakep: it would be torture to me

[2:42 PM] jakep: i dont have the attention span to do something like that for an extended period of time

[2:42 PM] jakep: i like to toss out a quick shit post or two then vanish until a later day

[2:49 PM] jakep: especially with the boring subject matter they are working with here its like ambien

[2:49 PM] jakep: Is this for final HoH or is it a 3 challenge thing?

[2:53 PM] Asiina: 3 challenge thing

[2:53 PM] Asiina: I'll give them a fanfiction prompt next

[2:53 PM] Asiina: that might be more interesting

[2:59 PM] jakep: ya

[3:23 PM] JuanCena: This is better more fanfiction crossovers, next one about Fox News correspondants and dragon ball

[3:23 PM] JuanCena: Tenchi muyo x shrek

[3:25 PM] JuanCena: Sonic the hedgehog x FRIENDS

[3:26 PM] dietcoupon: sonic x chili dogs

[3:26 PM] dietcoupon: pmach x french dip sammies

[3:26 PM] dietcoupon: speaking of, cena should be getting his sauces soon

[3:35 PM] quidnose: Jake and I truly finding the head of our differences in mafia playstyle lol

[3:36 PM] dietcoupon: *reads last page only*

[3:36 PM] dietcoupon: peramene should win this for moxie alone

[3:36 PM] Asiina: I don't know if she can keep this pace up

[3:36 PM] dietcoupon: mmt is doing the same :effort: thing that got her this far

[3:37 PM] dietcoupon: peramene is a monster

[3:37 PM] dietcoupon: she hails from a lagoon of some kind

/3:37 PM] dietcoupon: i do not doubt a single thing

/3:37 PM] quidnose: Bahaha

/3:37 PM] JuanCena: I need an adult

/3:37 PM] dietcoupon: the only thing she ever has to doubt, is her self

/3:37 PM] quidnose: We're not doing a good job of not publicly being team pera in here xD

/3:37 PM] quidnose: Sorry Asiina

/3:38 PM] dietcoupon: it's kind of no secret that mmt and cat phoned in the social game

/3:38 PM] dietcoupon: by which i mean, nobody likes them

/3:38 PM] dietcoupon: everybody hates them

/3:38 PM] dietcoupon: and we all hope they go eat worms

/3:38 PM] quidnose: It is so hard for me not to be bitter xD

/3:38 PM] dietcoupon: hey, look at me

/3:38 PM] quidnose: Yeah :/

/3:38 PM] quidnose: Can we do a rematch Asiina

/3:38 PM] quidnose: Immediately

/3:39 PM] quidnose: Lol

/3:39 PM] dietcoupon: i was SAYING xD

/3:39 PM] jakep: im the only non bitter juror

/3:39 PM] dietcoupon: and we were rooting for you

/3:40 PM] dietcoupon: after we failed to evict you (mmt kinda saved you)

/3:40 PM] Asiina: lol no I have too much shit to do

/3:40 PM] dietcoupon: it's like, fuck it, jake for president

/3:40 PM] Asiina: I was just thinking this morning I wish I had started this just a week earlier

/3:40 PM] dietcoupon: whyfor?

/3:41 PM] Asiina: things have just gotten very busy for me very quickly

/3:41 PM] jakep: asiina needs to focus on the NFL season

/3:41 PM] Asiina: true

[3:41 PM] **quidnose**: Lolol

[3:41 PM] **quidnose**: Also same

[3:41 PM] **dietcoupon**: team hamilton is glorious i will hear no other incorrect opinions

[3:41 PM] **Asiina**: like 2 weeks ago I had very little to do

[3:41 PM] **quidnose**: While I'm very devastated to be eliminated I actually got to like spend time with my girlfriend and lesson plan this weekend

[3:41 PM] **Asiina**: last week I had a couple of meetings

[3:41 PM] **dietcoupon**: welcome to fall i guess

[3:41 PM] **Asiina**: this week I have two major proposals

[3:42 PM] **Asiina**: like I'm currently writing one and I need to finish it today so I can spend tomorrow and Wednesday on the other

[3:42 PM] **quidnose**: September sucks fuck September

[3:42 PM] **dietcoupon**: shh bby

[3:42 PM] **dietcoupon**: it'll all be over soon

[3:42 PM] **jakep**: you should have pera and MMT post on the topic your proposal or whatever should be

[3:42 PM] **jakep**: and just use their posts

[3:42 PM] **dietcoupon**: ^^^

[3:43 PM] **dietcoupon**: also lol at the timing of this challenge

[3:43 PM] **Asiina**: haha

[3:43 PM] **dietcoupon**: nobody has jobs ~

[3:46 PM] **JuanCena**: Guys

[3:46 PM] **JuanCena**: Guys

[3:46 PM] **JuanCena**: Im starting to suspect

[3:46 PM] **dietcoupon**: did u get the sauces

[3:46 PM] **JuanCena**: ...

[3:46 PM] **dietcoupon**: by which i mean

[3:46 PM] **dietcoupon**: did u get the

/3:46 PM/ JuanCena: There is a chance

/3:46 PM/ dietcoupon: telephone message

/3:47 PM/ JuanCena: That there isn't a buyback this season

/3:47 PM/ dietcoupon: !!!

/3:47 PM/ dietcoupon: !!!

/3:47 PM/ dietcoupon: !!!

/3:47 PM/ dietcoupon: nooooooooooooooooo

/3:47 PM/ dietcoupon: ffffffffuuuuuuuuuuuuuuuu

/3:47 PM/ JuanCena: Also I'm at work all day

/3:47 PM/ JuanCena: Like i have been every day

/3:47 PM/ JuanCena: Lol

/3:47 PM/ quidnose: Buyback?

/3:47 PM/ jakep: i got tired so i went home alrdy

/3:47 PM/ dietcoupon: okay but seriously dude

/3:48 PM/ dietcoupon: that sesame sauce was made for steak

/3:48 PM/ dietcoupon: so please enjoy it with steak 

/3:48 PM/ JuanCena: I will!

/3:48 PM/ quidnose: I read that as sesame street sauce was made for sake

/3:48 PM/ quidnose: FUCKED

/3:48 PM/ quidnose: UP

/3:48 PM/ dietcoupon: man, you got even less sleep than i did eh?

/3:48 PM/ dietcoupon: how were your classes?

/3:48 PM/ quidnose: 4 hours

/3:48 PM/ quidnose: I have one more

/3:48 PM/ quidnose: The first two were good

/3:49 PM/ dietcoupon: *thinks*

/3:49 PM/ dietcoupon: *moves a steak into the fridge*

/3:50 PM/ **JuanCena:** Asiina should hold a buyback competition for the jurors where the winner gets a guaranteed slot in ABB3

/3:50 PM/ **dietcoupon:** or we can just con somebody else into hosting it

/3:50 PM/ **JuanCena:** Hosting can be fun!

/3:50 PM/ **dietcoupon:** it'll be good practice

/3:51 PM/ **dietcoupon:** yeah, but we can't do it!

/3:51 PM/ **dietcoupon:** we need to win!

/3:51 PM/ **JuanCena:** This cast overall was good imo to production

/3:51 PM/ **JuanCena:** Aside from one person but i think weve all been fair to asiina

/3:51 PM/ **dietcoupon:** yeah, the end game just caught the dumpster fire ibes from cbs

/3:51 PM/ **dietcoupon:** i'll blame myself for proximity

/3:52 PM/ **dietcoupon:** like if i was a viewer

/3:52 PM/ **dietcoupon:** i'd have loved seeing me go out

/3:52 PM/ **dietcoupon:** and then just

/3:52 PM/ **dietcoupon:** progressively hit my head harder against the wall

/3:52 PM/ **dietcoupon:** kind of like how losing andy was Good Tv

/3:52 PM/ **dietcoupon:** but getting winston back was even better

/3:53 PM/ **Asiina:** haha

/3:53 PM/ **Asiina:** yeah people have been very good

/3:54 PM/ **Asiina:** like aside from a few isolated incidents, everyone has been where they needed to be and took challenges and ceremonies seriously. How people play outside of that honestly I really don't have a preference about, as long as they don't mess up with the production part.

/3:54 PM/ **dietcoupon:** so what you're saying

/3:55 PM/ **dietcoupon:** is you DON'T want the jury to buy you a gift card, and boycott finals

/3:55 PM/ **Asiina:** yes pls

/3:55 PM/ **dietcoupon:** ambiguous

/3:55 PM/ **dietcoupon:** i will so mills it up

[3:57 PM] dietcoupon: man, just call this for peramene, her word count is embarrassing mmt

[3:57 PM] dietcoupon: and she's not losing

[3:57 PM] Asiina: this is like in BB1 and Chicken George trying to convince everyone to just hit the red button

[3:57 PM] Asiina: "it's what they want us to do!"

[3:57 PM] Asiina: "we have to quit to win!"

[3:57 PM] dietcoupon: i was going to openly wonder if posting quit the game 2014 would be too disrespectful to capps to use as my jury speech

[3:58 PM] Asiina: haha

[3:58 PM] JuanCena: Nobody quit this time

[3:58 PM] Asiina: also this next rule change might trip MMT up cause she is slowing down

[3:58 PM] dietcoupon: :420:

[3:58 PM] dietcoupon: well no grody

[3:58 PM] Asiina: she actually said before the challenge she had no pot

[3:58 PM] dietcoupon: i would vote for the first person to openly quit

[3:58 PM] Asiina: so she had to focus

[3:59 PM] dietcoupon: lol

[3:59 PM] dietcoupon: as if

[3:59 PM] dietcoupon: she lives in an intentional community in oregon

[3:59 PM] dietcoupon: so "no pot" means they're down to their last QP

[3:59 PM] quidnose: Lol

[4:04 PM] quidnose: Why have they not made a vending machine capable of taking wrinkly dollars yet

[4:04 PM] quidnose: It is the year of our lord twenty sixteen

[4:04 PM] Asiina: get dollar coins imo

[4:04 PM] quidnose: TWENTY

[4:05 PM] quidnose: SIXTEEN

[4:16 PM] dietcoupon: we do have loonies

[4:16 PM] dietcoupon: they're just STILL not in great circulation

[4:16 PM] dietcoupon: they went with a presidents theme to drum up excitement, like the states on quarters

[4:17 PM] Asiina: One thing I hate about going to the US is when I have cash cause I just end up with a thousand dollar bills

[4:17 PM] Asiina: and they take up so much room

[4:17 PM] Asiina: and I always feel like yay I have a lot of money

[4:17 PM] Asiina: but no

[4:18 PM] dietcoupon: ...i do actually like that. but i push for more people to use loonies as much as i can

[4:18 PM] dietcoupon: because it's a possible thing that's possible

[4:18 PM] dietcoupon: the fucking coins exist

[4:20 PM] Asiina: yeah

[4:20 PM] Asiina: I just hate carrying around cash in general

[4:20 PM] dietcoupon: me too

[4:20 PM] Asiina: I'm not sure how much I'll need to in NYC

[4:20 PM] dietcoupon: we finally got chips on our cards like this year

[4:20 PM] Asiina: Paypass isn't a huge thing there, is it?

[4:20 PM] Asiina: yeah I heard

[4:20 PM] dietcoupon: paypass?

[4:20 PM] dietcoupon: nah

[4:20 PM] Asiina: so you probably don't have paypass

[4:20 PM] dietcoupon: is that the phone thing?

[4:21 PM] Asiina: no, you just tap your credit card on the machine and it's done

[4:21 PM] dietcoupon: i see the logo places

[4:21 PM] Asiina: they have them for some debit cards, but mine doesn't have that

[4:21 PM] dietcoupon: but yeah, no

[4:21 PM] dietcoupon: i just

[4:21 PM] dietcoupon: this is dumb but

[4:21 PM] Asiina: what do they call interac there? I can't never remember

[4:21 PM] dietcoupon: how do chips up security?

[4:21 PM] dietcoupon: i don't need to use my pin when i use the chip

[4:21 PM] dietcoupon: that seems less secure

[4:21 PM] Asiina: oh

[4:21 PM] Asiina: no?

[4:21 PM] dietcoupon: debit

[4:22 PM] Asiina: like chips and the strips are functionally the same

[4:22 PM] dietcoupon: debit = interac

[4:22 PM] Asiina: yeah, I just never remember what it's called

[4:22 PM] Asiina: and everyone just says interac here so it's like uhhh

[4:22 PM] dietcoupon: it's just a word in the vein of credit. interac is a trademark i think?

[4:22 PM] Asiina: I tend to just use my credit card when I'm outside of canada

[4:22 PM] Asiina: it's easier

[4:22 PM] Asiina: everyone knows what a mastercard is

[4:23 PM] dietcoupon: for me there's literally no difference. i don't own a credit card

[4:23 PM] Asiina: yeah, that was weird to me, that credit cards and bank cards are the same

[4:23 PM] dietcoupon: they're just associated with visa because reasons, i guess

[4:23 PM] dietcoupon: they're not always

[4:23 PM] Asiina: my bank issued my credit card, but they are different cards that do different things

[4:23 PM] dietcoupon: yeah, and a lot of people do that

[4:23 PM] dietcoupon: i just Do Not Want money that I don't have

[4:24 PM] Asiina: like I have a BMO mastercard and a BMO chequing account, and I can see both when I log in online, but only cause I've linked them for easy payment

[4:24 PM] dietcoupon: yep!

[4:24 PM] Asiina: I just autopay off my credit card every month

[4:24 PM] dietcoupon: i know of this

[4:24 PM] Asiina: it just pays the whole thing

[4:24 PM] Asiina: I just use it cause I get more airmiles

[4:24 PM] dietcoupon: i don't trust myself. if i got a credit card, i'd max it out on travel and screw myself

[4:24 PM] dietcoupon: oh man! airmiles! i remember those

[4:25 PM] Asiina: I actually paid for my NYC flight with airmiles!

[4:25 PM] Asiina: it only cost me \$150 in fees for a roundtrip flight!

[4:25 PM] Asiina: so I'm super thrilled about that

[4:25 PM] dietcoupon: i'd pay that for the roundtrip bus :V

[4:25 PM] Asiina: yeah, I figured I'd have to do that

[4:25 PM] Asiina: but it's like a 20 hour bus ride

[4:25 PM] dietcoupon: but i'm weird with flying in canada

[4:25 PM] dietcoupon: like

[4:25 PM] dietcoupon: fuck air canada

[4:25 PM] dietcoupon: fuck it to hades

[4:25 PM] dietcoupon: westjet is O. Kay

[4:26 PM] dietcoupon: porter though

[4:26 PM] Asiina: fuck literally every airline except porter

[4:26 PM] dietcoupon: omg porter

[4:26 PM] dietcoupon: i want its babies

[4:26 PM] Asiina: seriously, why can't every airline be porter

[4:26 PM] Asiina: it just does everything right

[4:26 PM] dietcoupon: did air canada manage to strongarm its way into the toronto city airport?

[4:26 PM] dietcoupon: i hope not

[4:26 PM] dietcoupon: because fuck them

[4:26 PM] Asiina: No

[4:26 PM] Asiina: agreed

[4:26 PM] Asiina: I'm pretty sure they didn't, at least

[4:26 PM] dietcoupon: porter fucking PWNED that cute little thing

[4:26 PM] Asiina: I know they were trying to

[4:26 PM] dietcoupon: DID YOU KNOW

[4:27 PM] dietcoupon: that the ferry to toronto city airport

[4:27 PM] Asiina: brb checking on the challenge lol

[4:27 PM] dietcoupon: is the shortest ferry ride IN THE WORLD

[4:27 PM] Asiina: shortest ferry in the world?

[4:27 PM] Asiina: haha

[4:27 PM] Asiina: yep

[4:27 PM] dietcoupon: i love it

[4:27 PM] Asiina: it's awesome I love that stupid thing

[4:27 PM] dietcoupon: their CHAIRS

[4:27 PM] Asiina: I think the bridge is done now though

[4:27 PM] dietcoupon: and the food and bev is like first class private suites anywhere else

[4:27 PM] Asiina: I haven't been to that airport in a couple of years

[4:28 PM] dietcoupon: i have the biggest crush on that airport

[4:28 PM] Asiina: yeah it's like all the first class lounges but for everyone

[4:28 PM] dietcoupon: and the shuttle takes you to the fucking fairmont

[4:28 PM] dietcoupon: which i also have a crush on

[4:28 PM] dietcoupon: god, i miss toronto

[4:28 PM] Asiina: I hate Toronto like any good Ottawa girl

[4:28 PM] dietcoupon: O TRAIN BABY

[4:28 PM] Asiina: lol the fucking o train

[4:28 PM] Asiina: they are finally FINALLY expanding it

[4:28 PM] Asiina: after it being goddamn useless for so so long

[4:29 PM] **Asiina**: I mean I went to Carleton for my undergrad and it was still useless

[4:29 PM] **Asiina**: I never took it

[4:29 PM] **Asiina**: brb checking on the challenge

[4:29 PM] **JuanCena**: Nyc bring cash

[4:29 PM] **JuanCena**: Bring tons of cash

[4:29 PM] **JuanCena**: Lots of shops are cash only

[4:30 PM] **JuanCena**: Bodegas restaurants shopping centers

[4:30 PM] **JuanCena**: Theres a weird anti card sentiment in nyc

[4:33 PM] **Asiina**: fair enough

[4:34 PM] **Asiina**: I'm pretty poor so I honestly imagine I won't be doing too much shopping

[4:34 PM] **dietcoupon**: most mom and pop places are like that

[4:34 PM] **dietcoupon**: like, here, too

[4:34 PM] **Asiina**: I need to make a list of things I want to do and then map them out in the city and figure out how I want my days to look

[4:34 PM] **dietcoupon**: and cena i THINK even pwg was cash only

[4:35 PM] **dietcoupon**: i think i remember this in the mafia thread and i think this came up

[4:35 PM] **dietcoupon**: but THE CLOISTERS

[4:35 PM] **dietcoupon**: oh wait, it was MMM going

[4:35 PM] **dietcoupon**: but seriously, the cloisters

[4:36 PM] **dietcoupon**: also it didn't come up, but if you're near port authority bus terminal for some god forsaken reason, check out papaya dog

[4:36 PM] **dietcoupon**: less for the dogs, more for the nommy papaya juice

[4:36 PM] **Asiina**: see, that's the thing, is that so many things people suggest are food related

[4:36 PM] **Asiina**: and my food restrictions are insane

[4:36 PM] **dietcoupon**: even juice is bad? :/

[4:36 PM] **Asiina**: juice has way too much sugar

[4:37 PM] **dietcoupon**: le sigh

[4:37 PM] **Asiina**: agreed

[4:37 PM] **Asiina**: I'll talk to ANarc about that since I'll be staying with her

[4:37 PM] **dietcoupon**: i find it hard to recommend stuff in new york, cos like, i never lived there, but i visited often enough, but it was always just to hang out with family and friends

[4:38 PM] **dietcoupon**: i can't just say, go chill with my aunt cat in brooklyn, it's HOURS of fun

[4:38 PM] **Asiina**: yeah at some point I need to just do a whole buttload of research and make lists

[4:38 PM] **Asiina**: well ANarc works during the days during the week, so I'll be on my own

[4:38 PM] **Asiina**: which I'm totally fine with, but it's a lot of hours to fill

[4:38 PM] **dietcoupon**: walking manhatan is better than bad

[4:39 PM] **dietcoupon**: it's hard to get lost, and forcing yourself to walk gives youa distinctly different view

[4:39 PM] **dietcoupon**: also, just do natural history and the met. it's touristy, but they're both really good

[4:39 PM] **Asiina**: yeah I definitely will

[4:39 PM] **dietcoupon**: even better than the ROM :V

[4:39 PM] **Asiina**: rom owns

[4:39 PM] **dietcoupon**: where does anarc live?

[4:40 PM] **dietcoupon**: ROM does own!

[4:40 PM] **Asiina**: she's not in Manhatten but as I understand it still close enough for trains to get me there easily

[4:40 PM] **Asiina**: I'm not exactly sure

[4:40 PM] **dietcoupon**: that could be anywhere! the trains are all designed for manhattan

[4:41 PM] **dietcoupon**: RIP if you need to get from brooklyn to queens (look at a map. look at a map and cry)

[4:42 PM] **dietcoupon**: the last time i was there i stayed with a buddy in jersey city, which was shockingly awesome

[4:42 PM] **dietcoupon**: they call it the 6th borrough, but it may as well replace staten island

[4:42 PM] **JuanCena**: Jersey city or anywhere in hudson county may as well be nyc

[4:42 PM] **JuanCena**: Its super accessible to Manhattan from all points

[4:43 PM] **JuanCena**: When i lived in north bergen it was literally 15 minutes to get to madison square garden from my apt

[4:43 PM] dietcoupon: cure ufc 205 promo

[4:43 PM] dietcoupon: \*cue

[4:43 PM] Asiina: I know she said that JFK is the easiest airport for her to pick me up at but other than that ☐

[4:47 PM] dietcoupon: they all suck. but doesn't porter only go to newark?

[4:48 PM] Asiina: it does

[4:48 PM] Asiina: I basically had to take what airmiles gave me though, so limited flights

[4:48 PM] Asiina: so it's delta/westjet

[4:48 PM] dietcoupon: ahhh

[4:48 PM] dietcoupon: westjet is seriously okay. i don't have a problem with them

[4:48 PM] dietcoupon: just fuck air canada

[4:48 PM] dietcoupon: the united of the north

[4:49 PM] Asiina: yeah they're okay

[4:49 PM] Asiina: inoffensive

[4:49 PM] Asiina: my favourite air canada experience is when I was flying to seattle we had to change planes in vancouver

[4:49 PM] Asiina: it was a tight connection but I was assured it was fine

[4:50 PM] Asiina: plane was slightly late in landing. Me and a couple of people on the flight also trying to make that connection are talking to the flight attendant who is saying there will be someone on the ground to rush us through to our next flight

[4:50 PM] Asiina: we land and there's someone at the gate who is like "yeah, there's no way you can make it, you are supposed to be here 90 minutes early to get through customs, and it's only like 30 minutes now, we can't let you through"

[4:51 PM] Asiina: so we had to get rebooked on a flight 6 hours later then go get our luggage, except nobody knew where it was. It was maybe able to make the connecting flight? Maybe it would be given to us with the people who were only going to vancouver?

[4:52 PM] dietcoupon: wow, i can't even hold a candle to that. i was just treated like human garbage and lied to slightly

[4:52 PM] Asiina: it ended up apparently being tagged and put in some holding room somewhere, where if we hadn't fought to get it back, it could have stayed there for like 3 days.

[4:52 PM] **dietcoupon**: i wonder if air canada has a yelp page

[4:53 PM] **Asiina**: The absolute best part was the lady dealing with our baggage said "oh yeah, you guys are from the Ottawa flight going to Seattle? Yeah, nobody ever makes that connection"

[4:53 PM] **Asiina**: THEN WHY IS IT OFFERED!

[4:53 PM] **dietcoupon**: .....lol

[5:14 PM] **dietcoupon**: I'm F5ing every so often to see if the challenge is over yet

[5:14 PM] **dietcoupon**: but fuck, even the content of what MMT's posting isn't good

[5:14 PM] **dietcoupon**: while peramene is charmingly over the top

[5:28 PM] **Asiina**: preview: they are going to be on this topic until at least 7, so at least an hour and a half

[5:29 PM] **dietcoupon**: just do a judicial review of the thread, peramene clearly Wants It More

[5:29 PM] **Asiina**: yeah, but pera with her rapid fire posting can mess up a topic transition more easily than MMT

[5:30 PM] **dietcoupon**: so you're giving them 90 minutes to pass out until somebody fucks that up?

[5:30 PM] **dietcoupon**: good call.

[5:30 PM] **Asiina**: I need to make dinner

[5:30 PM] **dietcoupon**: i don't know why i instinctively looked at my cat, there

[5:31 PM] **dietcoupon**: she is very...supple

[5:33 PM] **Asiina**: if they're still going after this I'm bumping the timer down, increasing the number of sentences and I'll start switching topics fast

[5:33 PM] **dietcoupon**: as a jury member that's a horrible idea, fuck these girls

[5:34 PM] **dietcoupon**: on the other hand one of them isn't cat, so do it to it.

[5:34 PM] **DocHurt**: Man I wish

[5:34 PM] **dietcoupon**: i believe

[5:34 PM] **DocHurt**: that challenge

[5:34 PM] **DocHurt**: didn't start when I was at school

[5:34 PM] **DocHurt**: Also helllllooooo nurse

[5:34 PM] **DocHurt**: This is fun to catch up with but I'll admit I'm skimming

[5:34 PM] dietcoupon: oh christ i'm not reading this shit

[5:34 PM] DocHurt: but!! seeing both of them BS about Hamilton without hearing the specific songs is fun

[5:34 PM] dietcoupon: but mmt's posts are hilariously bad

[5:34 PM] DocHurt: hahaha

[5:34 PM] DocHurt: I just like reading the prompts

[5:38 PM] JuanCena: hurt

[5:38 PM] JuanCena: i wanna be a teacher

[5:39 PM] JuanCena: but i wanna be a teacher that is the pivotal person in their life that starts their downturn before they rise back up

[5:39 PM] JuanCena: mostly i wanna level the playing field vs nerds as a teacher

[5:39 PM] DocHurt: This is

[5:40 PM] DocHurt: a worthy goal

[5:40 PM] DocHurt: sometimes kids just need to be put in their place

[5:40 PM] DocHurt: so you want to be a reverse Dead Poets Society

[5:40 PM] DocHurt: ??

[5:41 PM] JuanCena: ya

[5:42 PM] JuanCena: i mentioned it earlier but

[5:42 PM] JuanCena: i wanna hurt kids in their soul at their most impressionable age

[5:42 PM] JuanCena: im gonna start off by asking minorly hard questions, the ones normal kids wont know but annoying nerds would, yknow the handraiser types

[5:42 PM] JuanCena: when they raise their hand

[5:42 PM] JuanCena: bam

[5:42 PM] DocHurt: Boom!!

[5:42 PM] JuanCena: change the fucking question on em

[5:42 PM] JuanCena: ask them something collegiate leveled

[5:42 PM] DocHurt: What fools they will seem!!

[5:42 PM] JuanCena: heres the twist, i plant the answer on another kid

[5:43 PM] **JuanCena:** this way i shatter their confidence

[5:43 PM] **JuanCena:** then move em to the back of the room

[5:43 PM] **JuanCena:** i'll also never give out 100s

[5:43 PM] **JuanCena:** well

[5:43 PM] **JuanCena:** actually legally i cant do that

[5:43 PM] **JuanCena:** but i can make it super hard to attain

[5:43 PM] **JuanCena:** o

[5:44 PM] **JuanCena:** i'll make some questions vague af

[5:44 PM] **DocHurt:** GOOD.

[5:44 PM] **DocHurt:** The trick is, include an essay/short answer question

[5:44 PM] **DocHurt:** And then be like "well subjectively your writing isn't perfect. Nobodies is"

[5:44 PM] **DocHurt:** and always find some more details that they could have added

[5:44 PM] **DocHurt:** until they snap

[5:44 PM] **DocHurt:** Quid knows. he's a teacher too

[5:45 PM] **JuanCena:** ya

[5:45 PM] **JuanCena:** if a kid is caught cheating i'll commend him on his ingenuity to get around his own personal hurdles to get a task accomplished

[5:46 PM] **JuanCena:** if a "smart kid" is caught cheating im going to make a show of it, put them front center

[5:46 PM] **DocHurt:** My friend who is a teacher

[5:46 PM] **DocHurt:** found out some kids were cheating

[5:46 PM] **DocHurt:** so he took everyone on a field trip to the parking lot

[5:46 PM] **DocHurt:** and burned their papers in front of everyone

[5:46 PM] **DocHurt:** and dumped it in the trash

[5:46 PM] **JuanCena:** i woulda just quizzed them orally

[5:47 PM] **DocHurt:** He had them stay in his room after school and rewrite the essays from scratch

[5:47 PM] **JuanCena:** IM SORRY, WHAT WAS THE CAPITAL OF THE OTTOMAN EMPIRE FROM 980BC UNTIL 1922 AD?

[5:47 PM] **JuanCena:** WHAT?

[5:47 PM] **JuanCena:** IM SORRY, CONSTANTIYOU DONT KNOW PLE?

[5:48 PM] **JuanCena:** mmt's fanfiction is kinda bad

[5:48 PM] **JuanCena:** but then again so are musicals

[5:48 PM] **DocHurt:** I will have you know

[5:49 PM] **DocHurt:** that Sweeny Todd is. .. kind of fun

[5:49 PM] **DocHurt:** the movie sucks

[5:49 PM] **DocHurt:** but that's cuz they cut out the frame song/narrative

[5:49 PM] **DocHurt:** Aka the ballad of Sweeney Todd

[5:49 PM] **DocHurt:** Aka: Kind of the MOST IMPORTANT SONG IN THE MUSICAL WHAT THE  
FUCK BURTON

[5:49 PM] **JuanCena:** re: musicals are garbage

[5:50 PM] **DocHurt:** If you'll look at this graph sir

[5:50 PM] **DocHurt:** you'll see

[5:50 PM] **DocHurt:** that they actually "own"

[5:50 PM] **DocHurt:** So uhhh, looks like Broadway can't be wrong!

[5:51 PM] **DocHurt:** But yeah MMT's fanfic sucks

[5:51 PM] **DocHurt:** peras actually reads like fanfiction

[5:51 PM] **JuanCena:** asiina can u prod MMT into trying more

[5:51 PM] **JuanCena:** then again lol like she tried in this game to begin with

[5:52 PM] **DocHurt:** "I just can't do this anymore. Killing for a living isn't me. I want to be a barber  
and sing songs for a living!"

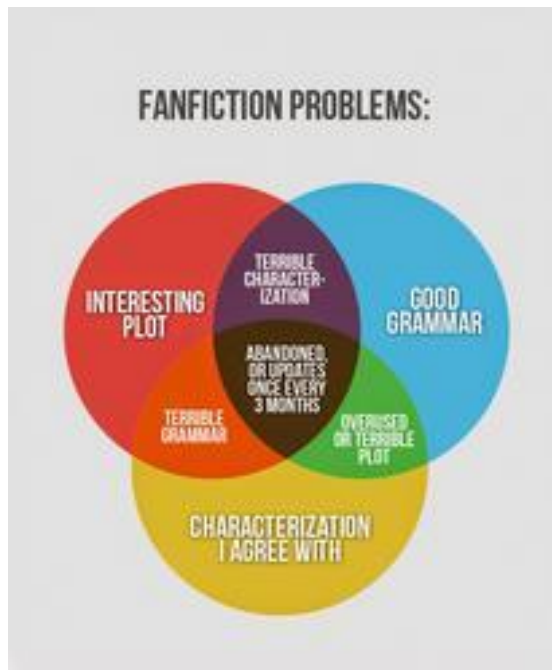

[5:52 PM] **DocHurt:** Something Sweeney would never say

[5:52 PM] **DocHurt:** he loves fucking killing!!

[5:52 PM] **JuanCena:** hey its a living

[5:53 PM] **DocHurt:** Looks like this falls

[6:49 PM] **dietcoupon**: that's nothing to be ashamed of

[6:49 PM] **Asiina**: AND NOW HERE WE ARE

[6:49 PM] **DocHurt**: I bought a bunch of art supplies so instead I might take pictures instead

[6:49 PM] **DocHurt**: Hahaha 33 percent of last thread was endgame

[6:49 PM] **DocHurt**: 33 percent of the rest of it was meinberg

[6:50 PM] **dietcoupon**: 33% of AS:BYOB was the windshitstorm

[6:50 PM] **dietcoupon**: no regrets

[6:51 PM] **Asiina**: Almost done my dinner then I'll switch the topic

/6:52 PM] **dietcoupon**: i love how i got nailed in the tviv got thread for a complex sentence, and the first person to call me a shitlord edits for a living

pera: if football is truly Americas game, invent a sport that is Americas true passion

/6:53 PM] **Asiina**: okay those can be the next topics

[7:22 PM] dietcoupon: no wait, she can wiki that

[7:22 PM] dietcoupon: you should ask mmt about base jumping

[7:22 PM] quidnose: lol

[7:23 PM] quidnose: you should just ask them to write an open letter to a contestant who has fallen

[7:23 PM] quidnose: and see what they do 

[7:23 PM] dietcoupon: !!!

[7:23 PM] dietcoupon: !!!

[7:23 PM] dietcoupon: yes!

[7:23 PM] dietcoupon: if they've not been swaying the jury

[7:23 PM] dietcoupon: their names are mmt and cat

[7:23 PM] dietcoupon: but that's an excellent idea

[7:23 PM] quidnose: #bitterjury

[7:24 PM] dietcoupon: and also

[7:24 PM] dietcoupon: that sticks it to cat for throwing

[7:24 PM] Asiina: lol you guys. No, that's what finals are for

[7:24 PM] quidnose: you and your big brother scruples

[7:24 PM] quidnose: GOOD TV, ASIINA

Awful Big Brother 2: Misery Loves Company

[7:26 PM] **dietcoupon:** TYPO

[7:26 PM] **dietcoupon:** "The first thing he asked us was how many Grateful Dead fans it takes to screw in a light bulb"

[7:26 PM] **quidnose:** hohoho

[7:27 PM] **dietcoupon:** The second part of the joke was to ask us how many Phishheads it takes to screw in a light bulb. We didn't know. His answer was simply, "Fuck Phish!".

[7:27 PM] **JuanCena:** even without the typo still made it 3 minutes

[7:27 PM] **dietcoupon:** this is also bad grammar

[7:27 PM] **dietcoupon:** punctuation always stays inside quotation marks

[7:28 PM] **quidnose:** are they not supposed to have typos

[7:28 PM] **JuanCena:** i would have thrown this 11 minutes in

[7:28 PM] **quidnose:** do you think cat actually threw??

[7:28 PM] **JuanCena:** no

[7:28 PM] **dietcoupon:** why usagi throw

[7:28 PM] **quidnose:** i know she threw another challenge for MMT

[7:28 PM] **JuanCena:** i think cat just sucked at reading

[7:28 PM] **Asiina:** let me check MMT's posts

[7:31 PM] **Asiina:** I think she's out, just confirming with the vista

[7:32 PM] **JuanCena:** 7:23 to 7:26

[7:32 PM] **Asiina:** those three have errors

[7:32 PM] **JuanCena:** oh all three?

[7:32 PM] **Asiina:** 7:25: The first thing he asked us was how many Grateful Dead fans it takes to screw in a light bulb

7:26: His answer was simply, "Fuck Phish!".

7:26: Hahaha that's awesome I'll finish that joke some other time.

[7:33 PM] **Asiina:** first is a typo, second is bad grammar, third isn't a real post

[7:33 PM] dietcoupon: falls over

[7:36 PM] dietcoupon: yessssssssssssss

[7:39 PM] quidnose: lolol

[7:39 PM] quidnose: how do you really feel pmach~

[7:39 PM] DocHurt: Bum bum bummmmm

[7:39 PM] dietcoupon: not fabulous, but it's personal

[7:39 PM] dietcoupon: like, not forums related

[7:39 PM] quidnose: hey @DocHurt

[7:39 PM] quidnose: you missed me talking about my history lesson i was working on last night

[7:40 PM] dietcoupon: hey eyah that was fun

[7:40 PM] dietcoupon: i love a good music theory buddy

[7:40 PM] quidnose: 

[7:41 PM] dietcoupon: one day, i hope to have the opportunity to play 'myxolodian' in scrabble

[7:41 PM] dietcoupon: (it will never happen)

[7:42 PM] quidnose: is it mixolydian :v

[7:42 PM] quidnose: isn't it\*

[7:42 PM] JuanCena: no its nickelodeon

[7:43 PM] DocHurt: I love that bird

[7:43 PM] DocHurt: Oh noooo. Quid what were you talking about??

[7:45 PM] dietcoupon: but it would be worth more points with a y :V

[7:45 PM] dietcoupon: you're probably right

[7:45 PM] quidnose: fall of rome into the middle ages

[7:45 PM] dietcoupon: the byzantine empire

[7:45 PM] dietcoupon: and its righteous tunes

[7:45 PM] quidnose: ignoring them mostly :v

[7:45 PM] dietcoupon: get it cos they were christian

[7:45 PM] quidnose: haha

[7:45 PM] **quidnose**: i do have a little thing on byzantine chant

[7:45 PM] **quidnose**: but we move from that to gregorian p. quickly

[7:45 PM] **dietcoupon**: yeah that wasn't bad

[7:46 PM] **dietcoupon**: ...that IS too bad

[7:46 PM] **dietcoupon**: gregorian chant is a bummer

[7:46 PM] **dietcoupon**: i find it boring

[7:46 PM] **dietcoupon**: what you posted i at least wanted to listen through

[7:52 PM] **DocHurt**: Nice

[7:52 PM] **DocHurt**: That sounds like it owns

[7:53 PM] **DocHurt**: Pffft not my area of expertise

[7:53 PM] **DocHurt**: hopefully its not too big

[7:55 PM] dietcoupon: THE MONTY PYTHON

[7:55 PM] dietcoupon: YES

[7:55 PM] dietcoupon: OMG

[7:55 PM] dietcoupon: YES

[7:56 PM] DocHurt: This presentation owns bones

[7:56 PM] DocHurt: It's really good

[7:58 PM] dietcoupon: help!

[7:58 PM] dietcoupon: help!

[7:58 PM] dietcoupon: i'm being repressed!

[7:58 PM] quidnose: :v

[7:58 PM] DocHurt: I thought it was oppressed

[7:58 PM] quidnose: it's repressed

[7:58 PM] quidnose: i thought it was oppressed too haha

[7:59 PM] DocHurt: Cool. I haven't seen it in foreeeeeever

[7:59 PM] quidnose: doc those images are good~

[7:59 PM] quidnose: the drawing i mean

[7:59 PM] dietcoupon: hmm quid okay

[7:59 PM] quidnose: and thanks for the presentation praise guys

[7:59 PM] dietcoupon: it's called the dark ages also because of a distinct lack of written history!

[7:59 PM] dietcoupon: also the black death

[7:59 PM] DocHurt: Black death was later.

[7:59 PM] quidnose: a lot of the stuff i'm reading about it is saying that "dark ages" is also super euro-centric

[7:59 PM] dietcoupon: there's just not a lot to go on short of monks calligraphying the bible

[7:59 PM] quidnose: because like

[7:59 PM] DocHurt: Also it's eurocentric yeah

[7:59 PM] quidnose: byzantium, china, etc

[7:59 PM] quidnose: no darkness there lol

[8:00 PM] dietcoupon: well sure

[8:00 PM] DocHurt: Cuz the Muslim world was on FIRE

[8:00 PM] quidnose: yeah there too haha

[8:00 PM] dietcoupon: it's a eurocentric term, because it refers to europe

[8:00 PM] dietcoupon: nobody's shittalking the ming dynasty

[8:00 PM] JuanCena: im gonna nap

[8:00 PM] dietcoupon: and yeah what hurt said

[8:01 PM] dietcoupon: but this presentation isn't about algebra, either

[8:01 PM] dietcoupon: btw, ever notice the etymology there?

[8:01 PM] dietcoupon: al gebra

[8:01 PM] DocHurt: Yeah al was really good at it

[8:01 PM] dietcoupon: i think it was actually something like al jabr

[8:01 PM] DocHurt: Yeah probs

/8:02 PM/ dietcoupon: oh man

/8:02 PM/ dietcoupon: i wish i had the cash for an adult swim bit

/8:02 PM/ dietcoupon: the al jabrhadist runs into a schoolroom

/8:02 PM/ dietcoupon: scares the kids

/8:02 PM/ dietcoupon: but has an important lesson

/8:03 PM/ DocHurt: They've gotta learn!!

/8:04 PM/ dietcoupon: look those little assholes just weren't *getting* the logarithmic scale

/8:05 PM/ DocHurt: Once again, THEYVE GOTTA LEARN

/8:05 PM/ dietcoupon: no wait i just got to the pythagoras slide

/8:05 PM/ dietcoupon: so much hilarious shit with pythagoras

/8:05 PM/ dietcoupon: my philosophy teacher called it the bean rules

/8:05 PM/ dietcoupon: he ran a literal cult

/8:05 PM/ dietcoupon: and one of the rules was that you can't eat beans

/8:06 PM/ dietcoupon: because if you split a bean in half down the middle, it kind of looks like a person with wild hair

/8:06 PM/ dietcoupon: so that's a person, and you can't eat beans

/8:06 PM/ DocHurt: Yessssss

/8:08 PM/ dietcoupon: hmm

/8:08 PM/ dietcoupon: aristotle was probably overcompensating

/8:08 PM/ dietcoupon: it's not like they were fucking girls in the symposium

/8:08 PM/ quidnose: lolol

/8:08 PM/ quidnose: yeah we watched the pythagoras part of Donald in Mathemagic land

/8:08 PM/ quidnose: and they're all

/8:09 PM/ quidnose: THEY SHOWED THE SIGN OF THE PENTAGRAM TO PROVE THEIR LOYALTY TO THE GROUP

/8:09 PM/ quidnose: and my kids were all

/8:09 PM/ quidnose: "uhhhhhhhhhh"

/8:09 PM/ DocHurt: Yesss I love Donald in mathemagics land

/8:09 PM/ **DocHurt**: Hail satan

/8:09 PM/ **dietcoupon**: that's like the asshole from growing pains with the shape of a fist and  
fucking bananas proving a christian god

/8:10 PM/ **dietcoupon**: lol at what is a bear

/8:10 PM/ **quidnose**: lolol

/8:10 PM/ **dietcoupon**: that was inspired

/8:10 PM/ **quidnose**: my kids were like

/8:10 PM/ **quidnose**: "what is happening right now"

/8:10 PM/ **quidnose**: lol

/8:10 PM/ **quidnose**: you should check out some of my music theory lessons, Pmach, they are  
pretty

/8:10 PM/ **quidnose**: "it was late and i was tired"

/8:10 PM/ **dietcoupon**: KITTEH

/8:10 PM/ **quidnose**: lol

/8:10 PM/ **dietcoupon**: dude this is awesome

/8:10 PM/ **dietcoupon**: i wish i'd had you in high school

/8:12 PM/ **dietcoupon**: OH MY GOD

/8:12 PM/ **quidnose**: i mean i make a good prezi presentation doesn't mean i am good at teaching  
lololol xD

/8:12 PM/ **dietcoupon**: "two thirds those dudes be studying"

/8:12 PM/ **quidnose**: lol

/8:13 PM/ **dietcoupon**: and i mean i could pick this thing apart, but the point is it gives you good  
launchpoints for lecture

/8:13 PM/ **dietcoupon**: but jfc xD

/8:13 PM/ **dietcoupon**: also no accordion is a good rule for life in general

/8:13 PM/ **dietcoupon**: see also: bagpipes

/8:14 PM/ **dietcoupon**: godDAMMIT charlemagne

/8:14 PM/ **quidnose**: lolol

/8:14 PM/ **dietcoupon:** why does every fucking goddamn thing always come back to charlemagne

/8:15 PM/ **dietcoupon:** also i guess i've not seen a prezi before, that zooming stuff is nifty

/8:16 PM/ **quidnose:** it is nifty

/8:16 PM/ **quidnose:** they just take for fucking ever to make

/8:16 PM/ **dietcoupon:** overall 8/10 would rather get attendance grade than get stoned

/8:16 PM/ **quidnose:** lolol

/8:16 PM/ **dietcoupon:** also how many dicks did you have to suck to get employed as a music teacher

/8:17 PM/ **quidnose:** zero

/8:17 PM/ **quidnose:** teacher shortage in CA

/8:17 PM/ **dietcoupon:** !!!

/8:17 PM/ **dietcoupon:** !!!!!

/8:17 PM/ **quidnose:** also i'm good at what i do THANKS

/8:17 PM/ **dietcoupon:** no *shit*

/8:17 PM/ **dietcoupon:** no no i know

/8:17 PM/ **dietcoupon:** but most young teachers do have the moxie

/8:17 PM/ **quidnose:** honestly i got kinda lucky, there were two jobs in the same district that opened at the same time

/8:17 PM/ **dietcoupon:** i thought it was overcrowded!

/8:17 PM/ **quidnose:** applied for one, didn't get it, but they liked me so they kicked me over to the other school

/8:17 PM/ **quidnose:** and i managed to snag that

/8:18 PM/ **quidnose:** nah california is FUCKED right now

/8:18 PM/ **dietcoupon:** wow

/8:18 PM/ **quidnose:** they pay teachers shit and the real estate prices are RIDICULOUS

/8:18 PM/ **dietcoupon:** that's...literally the opposite of supposed common knowledge

/8:18 PM/ **quidnose:** there are literally districts in san fran handing out like

/8:18 PM/ **dietcoupon:** well, there is that...

/8:18 PM/ quidnose: \$2000 signing bonuses

/8:18 PM/ quidnose: for teachers in special ed

/8:18 PM/ dietcoupon: jesus

/8:18 PM/ dietcoupon: well that's my point kinda

/8:18 PM/ quidnose: yeah it's nuts

/8:18 PM/ dietcoupon: once upon a time, my english teacher got cancer and had to quit

/8:18 PM/ dietcoupon: "what's the special ed lady doing here?"

/8:19 PM/ dietcoupon: "oh actually i have a master's in english."

/8:19 PM/ dietcoupon: (she was so great)

/8:19 PM/ dietcoupon: but she had to take notes for the kid with cerebral palsy to pay rent

/8:20 PM/ dietcoupon: and rent wasn't exactly expensive in north bumfuck vermont, you know?

/8:21 PM/ dietcoupon: so yeah, sorry as always to be glib, but from that to keeping up with  
classmates, i've been under the distinct impression that teaching high school is  
actually competitive

/8:21 PM/ quidnose: it is in most places, depending

/8:21 PM/ quidnose: music positiosn are like

/8:21 PM/ quidnose: "wait for someone to retire or move on"

/8:21 PM/ quidnose: basically

/8:21 PM/ quidnose: but there are usually a few that open up every year

/8:21 PM/ quidnose: and my resume

/8:21 PM/ quidnose: is v. good

/8:21 PM/ quidnose: :smugdog:

/8:21 PM/ quidnose: and i also interview well and have great rec's

/8:22 PM/ dietcoupon: dang, i mean, good for you

/8:22 PM/ dietcoupon: good music teachers are actually hard to come by

/8:22 PM/ dietcoupon: the two i had in n.bumfuck, one was obviously pissed not to be kurt cobain,  
and the other went legitimately nuts and ended up working at the local borders

/8:23 PM/ dietcoupon: ...damn, i guess he lost his job again

/8:23 PM/ quidnose: lololol sad

/8:23 PM/ quidnose: i have a lot of passion and i know what i am talking about

/8:23 PM/ quidnose: my classroom management is terrible though

/8:23 PM/ quidnose: and i am fucking all over the place with my papers and shit

/8:23 PM/ quidnose: so like

/8:23 PM/ quidnose: running a program is challenging

/8:24 PM/ quidnose: i am not a good bookkeeper, lol

/8:24 PM/ dietcoupon: and the kids are hard to keep in control, eh?

/8:24 PM/ quidnose: well

/8:24 PM/ quidnose: no

/8:24 PM/ quidnose: my top choir is SHITTY

/8:24 PM/ quidnose: they are very talented but they drive me crazy

/8:24 PM/ quidnose: hoenstly as long as i am doing my job and like

/8:24 PM/ quidnose: calendaring all my lessons

/8:24 PM/ quidnose: teaching music to learning strands

/8:24 PM/ quidnose: etc.

/8:24 PM/ quidnose: they do fine

/8:24 PM/ quidnose: but they do talk a lot

/8:24 PM/ quidnose: really i have it very good i just like to complain lol

/8:24 PM/ dietcoupon: as a STUDENT that drives me nuts

/8:25 PM/ dietcoupon: and like you don't want to go full german with it, but maintaining authority  
seems like the hardest part of being a teacher

/8:25 PM/ dietcoupon: especially because being a funny buddy is a really good tactic for  
cooperation

/8:26 PM/ dietcoupon: delicate balance

/8:27 PM/ quidnose: yep

/8:27 PM/ quidnose: i am too funny :v

/8:28 PM/ dietcoupon: some watery tart...

/8:33 PM/ DocHurt: Quid yer kids are lucky to have you

/8:34 PM/ quidnose: thanks hurt~

/8:34 PM/ quidnose: yours too!

/8:34 PM/ dietcoupon: that should so go out of context

/8:44 PM/ dietcoupon: oh man, from the south park thread

/9:33 PM/ DocHurt: Maybe he just, like all sane humans, loved bebe's kids

[9:36 PM] DocHurt: And I'm not talking about the love a man has for a fine Cuban cigar

[9:36 PM] DocHurt: But instead very intense, passionate love

[9:36 PM] DocHurt: Of bebe's kids

[9:38 PM] DocHurt: good night. big bro house i drew this for y'all

[12:28 AM] quidnose: it's 2.5 pages

[12:28 AM] quidnose: lol

[12:29 AM] JuanCena: as a prank, if school is open on april 1

[12:29 AM] JuanCena: before i go forward with this

[12:29 AM] JuanCena: its a safe/harmless prank that i think u'll enjoy but i wanna make sure im hitting the right age range with this suggestion

[12:34 AM] quidnose: lol

[12:34 AM] quidnose: 9-12

[12:34 AM] quidnose: high school

[12:35 AM] JuanCena: okay

[12:35 AM] JuanCena: so u teach music appreciation/theory right

[12:35 AM] JuanCena: april 1st you should dedicate a whole class to the beautiful composition that is smashmouth's All Star and the ranged effect it has had as the basis for most modern music today

[12:36 AM] JuanCena: and then the next day act like it wasnt canon and back to the normal teaching plan

[12:36 AM] quidnose: lol

[12:57 AM] quidnose: well this is hella weird

[1:07 AM] quidnose: awww

[1:07 AM] quidnose: i love thunderdome~

[1:08 AM] dietcoupon: Cena I'm at big Wangs :v

[1:08 AM] dietcoupon: Boy howdy the rams are embarrassing themselves

[1:09 AM] quidnose: yeah the rams looked real bad

[1:09 AM] dietcoupon: I've never had dreams within dreams but it happened the other day

[1:09 AM] dietcoupon: Too weird. Not a fan

[1:09 AM] JuanCena: the LA Ramz

[1:09 AM] JuanCena: st louis, now in ur town

[1:09 AM] dietcoupon: Full circle

[1:09 AM] dietcoupon: They started in LA

[1:10 AM] JuanCena: yeah i remembered them as the LA rams as a kid

[1:10 AM] dietcoupon: I think my childhood French teacher lost his job in part due to simultaneously jizzing over the rams and Wayne Gretzky during class

[1:11 AM] dietcoupon: That was a fun year to be a fan

[1:11 AM] dietcoupon: Literally cum, everywhere

[1:11 AM] dietcoupon: Which is French, granted, but still

[1:18 AM] dietcoupon: Oh god lol this game

[1:36 AM] dietcoupon: Left field: adulthood is being so stoked that my new mouthguards and hand wraps are in tomorrow's mail

[1:39 AM] quidnose: probably did not need to insert my opinion at you xD

[1:39 AM] dietcoupon: Yeah, I've had exes who got bullied and jumped and hated the idea of it

[1:40 AM] dietcoupon: But I started aikido as a very wee one

[1:41 AM] quidnose: nice

[1:41 AM] dietcoupon: I can appreciate is hard to separate the concepts of violence and sport

[1:42 AM] dietcoupon: But hey, football is way worse

[1:42 AM] quidnose: yeah i believe that haha

[1:42 AM] dietcoupon: Is it something like that, for you?

[1:59 AM] quidnose: mmmm

[1:59 AM] quidnose: i mean i understand the like

[1:59 AM] quidnose: self-confidence, philosophy, other stuff

[1:59 AM] quidnose: of like

[1:59 AM] quidnose: eastern battle sports

[1:59 AM] quidnose: like karate and aikido and kungfu

[1:59 AM] quidnose: i feel like they promote non-violence more

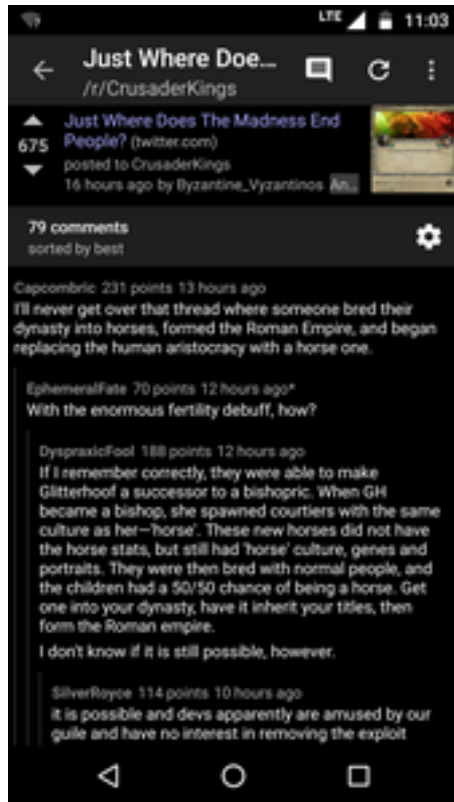

[2:00 AM] quidnose: i have no idea about the philosophy of MMA truth be told

[2:03 AM] dietcoupon: It's just precision and athleticism

[4:17 PM] DocHurt: What would their first album be called tho

[4:17 PM] DocHurt: Self titled doesn't count.

[5:07 PM] JuanCena: That rulz

[5:17 PM] dietcoupon: a friend of mine works at her local city hall:

[5:17 PM] dietcoupon: "I just waited on a guy who's taking his antisocial game to the next level. He was paying a high water bill and explained he had an in ground pool. I asked how much use he got out of it. He said when he needs to get the heck away from people and be alone without anyone to bother him, he puts on his scuba gear and sits at the bottom of the deep end for a while. Holy shit kindred spirit, TEACH ME."

[6:58 PM] JuanCena: Do you guys think either of these two throw

[7:07 PM] DocHurt: Hmmmmm not pera

[7:07 PM] DocHurt: Well, if she does it'll be a surprise at least

[7:10 PM] JuanCena: Itd be an error for sure

[7:13 PM] **JuanCena**: Megachallenge has me curious

[7:13 PM] **JuanCena**: Im assuming its gonna be a multisegmented deal

[7:23 PM] **Asiina**: iiam

[7:31 PM] **DocHurt**: asiina bad

[7:31 PM] **DocHurt**: she has created horror

[7:47 PM] **JuanCena**: U should announce that the loser gets banned

[7:47 PM] **JuanCena**: Scare em

[7:47 PM] **JuanCena**: So they dont throw

[7:47 PM] **JuanCena**: And by banned, theyre banned from the HOH room

[7:48 PM] **Asiina**: they're scared enough!

[8:05 PM] **Asiina**: and there they go

[8:06 PM] **DocHurt**: EGG CHALLENGE

NeilCicieregaMusic

[Neil Cicierega - Promenade \(Satellite Pictures at an Exhibition\)](#)

[8:19 PM] Asiina: it reminds me of this board game I used to have. I think it was called Mad Gabs? You'd have a series of unrelated words that when said together and kinda mushing up the sounds would sound like another phrase

[8:19 PM] Asiina: except sometimes the person who was judging you would be like yay you got it! when you're basically just an infant saying shit phoenetically and you have no idea what you're saying

[8:22 PM] JuanCena: On my honor is exclusively canadian

[8:22 PM] JuanCena: Fyi

[8:23 PM] JuanCena: Almoat done

/8:28 PM/ **JuanCena:** 14dbks has me stumped welp

/8:28 PM/ **JuanCena:** Fourteen diampndbacks is the only thing i got from it

/8:28 PM/ **JuanCena:** I tried mouthing it our but nothin

/8:29 PM/ **JuanCena:** Idk if its guinness or abb related

/8:32 PM/ **DocHurt:** 14DBKS is also what stumped me

/8:32 PM/ **DocHurt:** That is where I said Asiina was mean because I couldn't break it and feel like a dummy

/8:32 PM/ **Asiina:** is fourteen the only way to say 14?

/8:33 PM/ **DocHurt:** yes

/8:33 PM/ **DocHurt:** It is written

/8:33 PM/ **JuanCena:** I figured it put

/8:33 PM/ **JuanCena:** Out

/8:33 PM/ **Asiina:** ta-da!

/8:34 PM/ **DocHurt:** cena tell me

/8:34 PM/ **DocHurt:** plz

/8:35 PM/ **JuanCena:** Nah

/8:35 PM/ **JuanCena:** We're competing

/8:35 PM/ **DocHurt:** you monster

/8:35 PM/ **Asiina:** so many people are competing right now

/8:36 PM/ **Asiina:** this is awesome

/8:36 PM/ **JuanCena:** Anyone beat the bumpers yer

/8:36 PM/ **JuanCena:** Yet

/8:36 PM/ **Asiina:** I don't think anyone started with it

/8:37 PM/ **Asiina:** Poque finished tictactoe

/8:37 PM/ **Asiina:** and is working on the egg game

/8:37 PM/ **Asiina:** some other people working on tictactoe but haven't finished

/8:37 PM/ **JuanCena:** Lnndsnd is weird

/8:38 PM/ **JuanCena:** I thought it was lends a hand but that didnt work

/8:38 PM/ **Asiina:** there's no H though

/8:38 PM/ **JuanCena:** Nope

/8:38 PM/ **JuanCena:** I hope it isnt a canadian idiom lol

/8:39 PM/ **Asiina:** nope

/8:39 PM/ **Asiina:** also On My Honor isn't just a Canadian thing. It's a Girl Guide/Girl Scout song, but in the US too

/8:41 PM/ **JuanCena:** Yeah i cant get this one

/8:57 PM/ **JuanCena:** I quit lol

/9:10 PM/ **DocHurt:** Damnable Javert

/9:11 PM/ **Asiina:** yeah the last 10 or so are pretty hard

/9:11 PM/ **Asiina:** I think the Javert one is probably the hardest to relate to the clue

/9:12 PM/ **DocHurt:** honestly

/9:12 PM/ **DocHurt:** I blazed through them once I got past someone who doesn't back down

/9:12 PM/ **DocHurt:** but Javert. . . is tough. . .

/9:13 PM/ **Asiina:** just try the plate without thinking about the clue

/9:15 PM/ **DocHurt:** too late

/9:15 PM/ **DocHurt:** now i'm listening to stars

/9:15 PM/ **DocHurt:** cuz its one of my favorite Les Mis songs

/9:15 PM/ **DocHurt:** Javert was my favorite les mis character when I read the book

/9:16 PM/ **DocHurt:** He was an ass. But there was something fascinating about his black and white world

/9:16 PM/ **Asiina:** agreed

/9:19 PM/ **JuanCena:** Oh

/9:19 PM/ **JuanCena:** Javerts another musical thing

/9:20 PM/ **DocHurt:** Les Mis cena

/9:20 PM/ **DocHurt:** read a book

/9:20 PM/ **JuanCena:** No i wont

[9:20 PM] DocHurt: Victor Hugo is spinning in his grave

[9:20 PM] Asiina: agreed

[9:20 PM] JuanCena: Who

[9:20 PM] JuanCena: Oh the gargoyles from hunchback of notre dame

[9:20 PM] DocHurt: yep

[9:21 PM] JuanCena: Why did i remember those

[9:21 PM] DocHurt: I don't know but that was a good reference because

[9:21 PM] DocHurt: he wrote the Hunchback story

[9:21 PM] DocHurt: so i guess

[9:21 PM] DocHurt: read a book

[9:21 PM] JuanCena: I'll wait for the cartoon

[9:22 PM] DocHurt: OooooohhhhhhHHHhhHHHHHHH

[9:23 PM] JuanCena: Ya i quit for real lol

[9:23 PM] JuanCena: Id do egg challenge but im on my phone at a friends place

[9:24 PM] DocHurt: Tell your friend

[9:24 PM] DocHurt: to suck eggs

[9:27 PM] JuanCena: Cat leads 2 to 1

[9:27 PM] Asiina: yep, although who knows with this

[9:35 PM] quidnose: Egg game woo

[9:36 PM] Asiina: Quid we decided this was your true memorial challenge cause bumper stumpers  
is people trying to interpret gibberish to mean things

[9:36 PM] DocHurt: Quid eat the eggs

[9:36 PM] quidnose: Lolololol

[9:36 PM] quidnose: A good memorial

[9:37 PM] quidnose: I wanted to find the French anagram

[9:37 PM] Asiina: did you see the memorial challenge earlier today?

[9:37 PM] Asiina: I made it just for you

[9:37 PM] quidnose: Yes i saw the gifs and description haha

[9:38 PM] quidnose: I feel like pera has to win this or she's going to join us here

[9:39 PM] quidnose: My expectation is they will fuck her over ~

[9:40 PM] Asiina: eviction will happen tonight

[9:40 PM] Asiina: about an hour after the challenge ends

[9:40 PM] Asiina: I'll round it up to the next hour

[9:40 PM] Asiina: so 1-2 hours

[9:41 PM] quidnose: When is the final now

[9:41 PM] quidnose: Because if it's tomorrow night I have a problem

[9:41 PM] Asiina: no

[9:41 PM] Asiina: Thursday

[9:41 PM] quidnose: Cool

[9:41 PM] Asiina: because everyone has a problem with tomorrow

[9:41 PM] quidnose: No problems then

[9:41 PM] Asiina: including me

[9:42 PM] quidnose: 2 hours from now

[9:42 PM] quidnose: Someone about to get majorly grilled in here

[9:42 PM] quidnose: Lol

[9:42 PM] quidnose: Like, honestly

[9:42 PM] Asiina: well they have to finish first!

[9:42 PM] quidnose: If I were MMT or Cat

[9:42 PM] quidnose: I wouldn't even click the discord link you give lol

[9:42 PM] Asiina: I clicked the link when I was evicted when I knew what was waiting there for me

[9:43 PM] quidnose: You a true competitor

[9:43 PM] quidnose: How did that go for you :v

[9:43 PM] Asiina: @jakep was quite giddy and gloated a fair amount

[9:45 PM] Asiina: Hurt was nicer than I thought he'd be, because in a moment of insanity during the double eviction where I just could not believe Rarity and I both survived I just laughed and laughed when he was evicted

[9:45 PM] Asiina: and it was nothing against him, I was just giddy

[9:45 PM] Asiina: and I felt really bad about it afterward cause it was cold as fuck

[9:45 PM] quidnose: :(

[9:45 PM] quidnose: Big brother the worst game

[9:45 PM] Asiina: agreed

[9:45 PM] quidnose: With the exception of Jake I feel like there's nobody I've been an outright dick to

[9:45 PM] quidnose: (sorry jake)

[9:46 PM] quidnose: Maybe someone else is harboring secret animosity

[9:46 PM] quidnose: Oh except the EVIL TRIUMVIRATE

[9:46 PM] quidnose: but that has been a behind the back dick :v

[9:48 PM] quidnose: Of course if pera's ass ends up in here I will be pointing out her moment of loss in not sending cat home ~

[9:48 PM] quidnose: Cat vs. MMT is honestly like

[9:48 PM] quidnose: Either of them could win it out of our sheer apathy

[9:48 PM] quidnose: Lol

[9:53 PM] DocHurt:

[9:53 PM] DocHurt: My thoughts on this challenge

[9:53 PM] Asiina: hahaha

[9:53 PM] Asiina: I give you permission to post that

[9:54 PM] Asiina: you can break the jury silence for that

[9:54 PM] DocHurt: Yes good

[9:57 PM] DocHurt: Well it's probably too late now but

[9:57 PM] DocHurt: I'm posting it anyway

[9:57 PM] JuanCena: Wooo!

[9:58 PM] DocHurt: way to go pera

[10:03 PM] DocHurt: Man I wish I had these markers/the motivation to draw during the rest of the game

[10:03 PM] Asiina: you could have been our AHM

[10:04 PM] DocHurt: That is way

[10:04 PM] DocHurt: way too big

[10:04 PM] DocHurt: of shoes to fill

[10:05 PM] JuanCena: i miss the hungry mouth

[10:05 PM] JuanCena: gaping, longing

[10:07 PM] DocHurt: We all miss hungry mouth

[10:08 PM] DocHurt: Whether we know it or not

[10:08 PM] DocHurt: the hungriest of mouths

[10:10 PM] quidnose: did anyone winyet

[10:10 PM] DocHurt: ye

[10:10 PM] DocHurt: pera

[10:10 PM] quidnose: good

[10:10 PM] quidnose: lol

[10:10 PM] quidnose: welp, gg guys

[10:11 PM] JuanCena: shes evicting in 50 minutes

[10:11 PM] quidnose: asiina hold final voting tonight i think we're all ready :v

[10:11 PM] DocHurt: no way dude

[10:11 PM] quidnose: pera secretly has a resurrection token i gave her from juby chirp

[10:11 PM] JuanCena: no im not

[10:11 PM] DocHurt: my vote is in no way close to being ready

[10:11 PM] quidnose: we agreed she would kill them both and resurrect me

[10:11 PM] quidnose: THE BEST FAKEOUT

[10:14 PM] quidnose: also i guess since everyone is holding their votes closer to their vest i will stop being bitter and influencing everyone, apologies~

[10:15 PM] Asiina: yeah since the F2 is going to be set in about 45 minutes, I'll ask that people be extremely careful not to talk about who they are voting for

[10:15 PM] quidnose: for sure

[10:15 PM] Asiina: it's time for people to make their own decision

[10:16 PM] Asiina: although feel free to talk to Cat or MMT about game stuff when they come in, get her opinion and give her yours, but Imma be a little more strict on where I draw the line now

[10:16 PM] quidnose: can we be publicly bitter in our final speech and tell people we would only vote for them if our dead puppeted hands were being controlled by a necromancer who loved them

[10:16 PM] quidnose: like what's her face to hatch

[10:16 PM] quidnose: in Survivor 1

[10:17 PM] Asiina: oh yeah, your final speeches are a fucking free for all

[10:17 PM] Asiina: say whatever shit you want

[10:17 PM] quidnose: tight.

[10:18 PM] DocHurt: Ya know

[10:18 PM] DocHurt: rats

[10:18 PM] DocHurt: snakes

[10:18 PM] DocHurt: all that jazz

[10:19 PM] Asiina: par for the course

[10:19 PM] JuanCena: that was to kelly not to hatch

[10:19 PM] Asiina: I'll tell you Quid that in my speech I thought I was being mean and then I went to read other people's jury questions and decided "no, I must be meaner"

[10:19 PM] Asiina: and then I went to make it more bitter

[10:22 PM] quidnose: lolololol

[10:22 PM] quidnose: weren't you first?

[10:23 PM] DocHurt: She totally talked to Hatch in that speech tho

[10:23 PM] DocHurt: even if it was directed at Kelly

[10:24 PM] Asiina: I was first

[10:24 PM] Asiina: I wish I was last

[10:24 PM] DocHurt: My questions were dynamite.

[10:27 PM] quidnose: i'm kinda tempted to straight up ask them to apologize to me :v

[10:27 PM] JuanCena: this is my first time ever on a jury

[10:27 PM] JuanCena: btw

[10:27 PM] quidnose: see how that goes~

[10:27 PM] JuanCena: aint that somethin

[10:27 PM] quidnose: oh right

[10:27 PM] quidnose: you ran

[10:27 PM] quidnose: the end of survivor 1

[10:27 PM] quidnose: lololol

[10:27 PM] JuanCena: ya

[10:27 PM] JuanCena: token made me a co mod as soon as i was voted out lol

[10:29 PM] DocHurt: Shit I forgot Xylo's question was really good

[10:29 PM] DocHurt: For Meinberg: Which Disney animated characters would jury members be

[10:29 PM] quidnose: hahaha

[10:29 PM] quidnose: man i tried to hard to find another hidden immunity idol in that game, too

[10:29 PM] quidnose: so hard\*

[10:29 PM] quidnose: can we take the over under on who pera sends in here

[10:30 PM] JuanCena: i found both of the early hidden ones

[10:30 PM] quidnose: lol BOTH?

[10:30 PM] quidnose: you fucker

[10:30 PM] JuanCena: yea

[10:30 PM] quidnose: you told me you only had the one

[10:30 PM] JuanCena: duh

[10:30 PM] JuanCena: i had to keep my ass safe

[10:30 PM] quidnose: we sent you home with TWO idols in your pocket? lol

[10:30 PM] JuanCena: ya

[10:30 PM] quidnose: poor cena

[10:30 PM] JuanCena: i got James'd

[10:30 PM] quidnose: we really did blindsided you

[10:30 PM] quidnose: who even won that

[10:30 PM] JuanCena: paperchaseguy

[10:31 PM] DocHurt: @jakep remember to be there this time :l

[10:31 PM] JuanCena: because merk quit and kloaked was a cheater

[10:31 PM] quidnose: oh right

[10:31 PM] quidnose: lolol what a shitshow

[10:31 PM] JuanCena: hurt jake has done this a bunch

[10:31 PM] Asiina: smh if you didn't find an idol in this game

[10:31 PM] JuanCena: he'll be there

[10:31 PM] DocHurt: I am reading last BB and I was so upset when you didn't ask questions. :l

[10:31 PM] quidnose: asiina fuck yooooou

[10:31 PM] Asiina: the thread and discord were littered with them

[10:31 PM] quidnose: lololol

[10:31 PM] quidnose: I FOUND THE FRENCH ONE

[10:31 PM] Asiina: there's no less than 5 in the OP

[10:31 PM] quidnose: also told my girlfriend about that today

[10:31 PM] quidnose: "uh calcul doesn't translate to calculate you moron"

[10:31 PM] Asiina: lol

[10:31 PM] quidnose: the best and the worst

[10:33 PM] Asiina: I just had a form letter at the end because every day someone would come to me with an idol they found

[10:34 PM] quidnose: lol

[10:34 PM] quidnose: did you hide anything secret?

[10:34 PM] JuanCena: she didnt even do a DE

[10:34 PM] quidnose: you know the only instance i could find of a hidden veto

[10:34 PM] JuanCena: this was a super straight forward season, hoh restriction aside

[10:34 PM] quidnose: was in Big Brother Canada

[10:34 PM] quidnose: which just fucking

[10:34 PM] quidnose: fuelled my french theory even more

[10:34 PM] JuanCena: bb14 had one

[10:34 PM] quidnose: oh really??

[10:34 PM] quidnose: lolol

[10:34 PM] **JuanCena:** ian found it

[10:34 PM] **quidnose:** THE GODDAMNED FRENCH CONNECTION

[10:35 PM] **Asiina:** yeah I have this gigantic debrief post written for after the game

[10:35 PM] **Asiina:** but essentially no, there were extremely few twists

[10:35 PM] **quidnose:** tight

[10:35 PM] **Asiina:** and they were quite mild

[10:35 PM] **quidnose:** it has been a ton of fun, asiina

[10:35 PM] **JuanCena:** the hoh one was pretty major

[10:35 PM] **quidnose:** bitterness aside

[10:35 PM] **quidnose:** i hope it has brought you a ton of joy to run it

[10:35 PM] **Asiina:** yeah I figured the HOH one was my big gameplay twist

[10:35 PM] **quidnose:** and i hope we all hang out in the discord after this becuae chatting with everyone is fun :3

[10:35 PM] **quidnose:** it was a good one, made it very interesting from a gameplay perspective

[10:35 PM] **Asiina:** but it's still different cause it was right at the beginning

[10:35 PM] **Asiina:** I don't like mid-game twists

[10:36 PM] **Asiina:** yeah this has been lots of fun to run

[10:36 PM] **Asiina:** although I'll be glad when it's over so I have some free time back

[10:36 PM] **quidnose:** haha same

[10:36 PM] **quidnose:** it's been nice to have this week free xD

[10:39 PM] **DocHurt:** My one problem with discord

[10:39 PM] **DocHurt:** is that things get totes deleted

[10:39 PM] **DocHurt:** so there's no way to vanity search for myself now. . .

[10:39 PM] **DocHurt:** Lost like tears

[10:39 PM] **DocHurt:** in the rain

[10:39 PM] **JuanCena:** yea

[10:40 PM] **Asiina:** I'mma take care of that

[10:40 PM] **JuanCena**: the only critique i have from a game running standpoint

[10:40 PM] **JuanCena**: too many challenges were dependant on having a cursory aptitude to math

[10:40 PM] **JuanCena**: there was definitely a wall for accessibility

[10:40 PM] **Asiina**: I've already been archiving old HOH rooms

[10:40 PM] **JuanCena**: if there was a way either on here or slack to set it

[10:41 PM] **JuanCena**: so when you enter a room you dont see conversation you werent a part of

[10:41 PM] **JuanCena**: a real cool gimmick would be ot do it how you did genius

[10:41 PM] **JuanCena**: where theres no PMs

[10:41 PM] **JuanCena**: just 5-6 rooms

[10:41 PM] **JuanCena**: you can only be in one at a time

[10:41 PM] **Asiina**: honestly Cena you'e saying that cause you hate math and have math anxiety. I really counted out challenge types and what they needed and balanced it across the challenges.

[10:42 PM] **Asiina**: so yeah there were math ones, but far more non-math ones

[10:42 PM] **quidnose**: i was disappointed there wasn't more tetris

[10:42 PM] **JuanCena**: i had no idea why you were so sure thered be tetris

[10:42 PM] **Asiina**: lol

[10:42 PM] **quidnose**: i wasn't sure

[10:42 PM] **JuanCena**: its not even a staple

[10:42 PM] **quidnose**: i just wanted there to be

[10:42 PM] **quidnose**: so i could own everyone

[10:42 PM] **quidnose**: then i casually played pera and she destroyed me

[10:42 PM] **quidnose**: so uh

[10:42 PM] **quidnose**: nvm

[10:42 PM] **quidnose**: lol

[10:42 PM] **JuanCena**: tyg

[10:42 PM] **quidnose**: tyg?

[10:42 PM] **quidnose**: tyger tyger burning bright?

[10:43 PM] Asiina: there you go

[10:43 PM] quidnose: ah

[10:43 PM] quidnose: lol

[10:43 PM] Asiina: honestly you people

[10:43 PM] quidnose: not up on my acrony's i guess

[10:43 PM] quidnose: i am good on my abriev's

[10:53 PM] Sabayon: sorry been busy lads

[10:53 PM] Sabayon: pera won. nice

[10:56 PM] JuanCena: eviction in 5

[10:56 PM] quidnose: hype

[10:59 PM] DocHurt: Uh Cena

[10:59 PM] DocHurt: Tetris is the #1 game of all time

[10:59 PM] DocHurt: of course there would be tetris

[10:59 PM] quidnose: ^

[10:59 PM] DocHurt: it's played all the time on Big Broth- wait. . . my producers are telling me it is never played on big brother

[11:00 PM] DocHurt: oops

[11:00 PM] DocHurt: the one thing I do miss is the exit interviews.

[11:00 PM] DocHurt: I just read like... all of the exit interveiws from last season

[11:00 PM] DocHurt: why? I don't know. But it was fun nostalgia

[11:01 PM] JuanCena: yeah

[11:01 PM] JuanCena: i suggested it early on but was shot down

[11:01 PM] JuanCena: i figured poque would be able to do it :V

[11:01 PM] Asiina: Poque wasn't a co-mod

[11:01 PM] Asiina: there was no co-mod

[11:02 PM] Asiina: he was just helping me out one night I couldn't be here

[11:02 PM] DocHurt: Asiina has been running this tight ship all by herself

[11:02 PM] **Asiina:** also because the jury house is public to the vista I didn't feel the need to do exit interviews

[11:02 PM] **DocHurt:** and it is a very nice ship

[11:02 PM] **Asiina:** they all get to see how you feel

[11:02 PM] **DocHurt:** But. . .

[11:02 PM] **DocHurt:** but. . .

[11:02 PM] **DocHurt:** Interviews

[11:02 PM] **Asiina:** THEY SEE IT ALL

[11:02 PM] **JuanCena:** i dunno theres something intimate about a one on one interview

[11:02 PM] **DocHurt:** Yeah but they suck butt

[11:02 PM] **DocHurt:** yeah, I'm talking to you, viewers

[11:03 PM] **JuanCena:** theres even a catharsis for the player voted out

[11:03 PM] **DocHurt:** Bottle Knight?? Why would a knight have a bottle

[11:03 PM] **DocHurt:** what's the deal

[11:03 PM] **DocHurt:** King Burgundy? Shit. Is it a wine kingdom

[11:03 PM] **DocHurt:** I apologize my liege

[11:03 PM] **DocHurt:** I will stop making fun of your bottle knights

[11:03 PM] **DocHurt:** Uh Meinberg. . . Nah I've got nothing funny to say about Meinberg

[11:03 PM] **DocHurt:** He's a class act

[11:04 PM] **DocHurt:** Max? ? ? ? Where's SAM? ? ?

[11:04 PM] **DocHurt:** Hahahaha oh boy

[11:04 PM] **DocHurt:** nothing but A++ quality qhuckles here

[11:04 PM] **JuanCena:** hey

[11:05 PM] **JuanCena:** im at least glad that i got to spend time in the jury house with the one player i could count on

[11:05 PM] **JuanCena:** who had my back

[11:05 PM] **quidnose:** quidnose

[11:05 PM] **DocHurt:** Don't even

[11:05 PM] quidnose: say quidnose

[11:05 PM] JuanCena: yep

[11:05 PM] quidnose: :3

[11:05 PM] JuanCena: It's JakeP

[11:05 PM] DocHurt: Yes

[11:05 PM] DocHurt: The perfect answer

[11:05 PM] quidnose: you said yes to quidnose

[11:05 PM] quidnose: it's me i'm the best :sun:

[11:05 PM] DocHurt: Acceptable.

[11:05 PM] JuanCena: you're #2

[11:05 PM] DocHurt: ☐

[11:05 PM] DocHurt: No.

[11:05 PM] quidnose: :3

[11:05 PM] DocHurt: That is the wrong yum

[11:06 PM] DocHurt: I'd like that

[11:06 PM] JuanCena: wow pera sure takin her time

[11:06 PM] Asiina: Hurt, BK took offense

[11:06 PM] DocHurt: Oh no

[11:06 PM] Asiina: but then he started crying and I felt bad

[11:06 PM] Asiina: you shouldn't be so mean to him

[11:06 PM] JuanCena: he should bottle his feelings

[11:07 PM] DocHurt: Looks like I'm not winning fan favorite now

[11:07 PM] DocHurt: i guess I'd better burn all bridges

[11:07 PM] JuanCena: there probably isnt a fan favorite

[11:07 PM] DocHurt: Poque? ? ? What the fuck is corn??

[11:07 PM] DocHurt: Like? ? Seriously?

[11:07 PM] DocHurt: Also eat the cubs

[11:07 PM] Asiina: agreed on that one actually

[11:07 PM] Asiina: both

[11:08 PM] Asiina: also I don't know if there's a fan favourite

[11:08 PM] JuanCena: *jeopardy music*

[11:08 PM] Asiina: I've asked them if they wanted to, but nobody is organized enough to do it!

[11:08 PM] Asiina: and I'm already poor enough!

[11:08 PM] DocHurt: the true fan favorite is the friends you made along the way

[11:08 PM] JuanCena: ya cuz im playing

[11:08 PM] Asiina: I'd organize it, but I can't afford another prize

[11:08 PM] quidnose: giving you a run for you money cena ☐

[11:08 PM] JuanCena: i retired lol

[11:08 PM] quidnose: if pera doesn't pick anyone can you kick her out and put me back in thanks~

[11:08 PM] Asiina: you say that every time

[11:09 PM] quidnose: she's probably furiously editing her video

[11:09 PM] Asiina: she is checking for typos, she said

[11:09 PM] JuanCena: i've taken breaks before but no im fully retired

[11:09 PM] Asiina: you've said that before too!

[11:09 PM] DocHurt: Just when you thought he was out

[11:09 PM] Asiina: anyway looks like pera is ready

[11:09 PM] DocHurt: he gets pulled back in

[11:09 PM] JuanCena: i've ran 10 of these things i think its time i get to play in a couple

[11:09 PM] DocHurt: oh good cool

[11:10 PM] JuanCena: and mmt is evicted

[11:11 PM] DocHurt: The lorax is dead

[11:11 PM] DocHurt: all hail the onceler and future king

[11:12 PM] JuanCena: okay that comment about mmt pushing her to make integrity based calls

[11:12 PM] **JuanCena:** im prolly gonna need to throw that in my jury question

[11:13 PM] **DocHurt:** sharpen your cleavers folks

[11:13 PM] **DocHurt:** clean your pitchforks

[11:13 PM] **DocHurt:** grab your torches and wrap 'em in some oily rags

[11:13 PM] **DocHurt:** The jury is coming. The jury is coming. The jury is coming.

[11:13 PM] **DocHurt:** MMT IS HERE! Yay! Hi!

[11:13 PM] **MurmurTwin:** despite my best efforts to be objective about this I'm going to need to walk away from the computer for a sec

[11:13 PM] **DocHurt:** You can have whatever chair you want in the jury house but the couch is mine

[11:14 PM] **DocHurt:** Take your time!! I know you don't wanna be in here

[11:14 PM] **JuanCena:** its true, he's been laying on it the past several weeks

[11:14 PM] **Sabayon:** welcome to the broken hearts club

[11:14 PM] **DocHurt:** Cena you can't get me off the couch

[11:14 PM] **DocHurt:** I called dibs like... week 2

[11:14 PM] **JuanCena:** i was here before you

[11:14 PM] **DocHurt:** I know

[11:14 PM] **JuanCena:** you PUT ME here

[11:14 PM] **DocHurt:** heh

[11:14 PM] **JuanCena:** and then you take my couch

[11:14 PM] **DocHurt:** :henget:

[11:14 PM] **Sabayon:** YOU put me here hurt too

[11:14 PM] **Sabayon:** fuck hurt

[11:14 PM] **Sabayon:** lets jump him

[11:14 PM] **DocHurt:** no

[11:14 PM] **JuanCena:** lets stab him

[11:14 PM] **DocHurt:** Leave my couch alone

[11:14 PM] **DocHurt:** you'll all make it lumpy

[11:15 PM] **JuanCena:** shank him with pencils

[11:15 PM] **DocHurt:** Hahahaha

[11:15 PM] **DocHurt:** jokes on you

[11:15 PM] **DocHurt:** I'm too drunk on free jury booze to feel anything

[11:15 PM] **Sabayon:** when is the final jury thing tomorrow?

[11:15 PM] **JuanCena:** thursday

[11:15 PM] **DocHurt:** I have to keep drinking or else all of my post-voting out hangovers are gonna catch up to me

[11:15 PM] **JuanCena:** not tomorrow

[11:15 PM] **DocHurt:** Thursday

[11:15 PM] **Sabayon:** thurs ok

[11:15 PM] **Sabayon:** im deciding if i want to be mean or nice or funny

[11:15 PM] **JuanCena:** u have plenty of time!

[11:15 PM] **JuanCena:** i already know what im gonna say for the most part

[11:16 PM] **JuanCena:** i just have to make my ote

[11:16 PM] **JuanCena:** \*vote

[11:16 PM] **Sabayon:** i feel like other people will be mean so

[11:16 PM] **Sabayon:** i cant really fake it either if im not mad

[11:16 PM] **DocHurt:** My questions will probably be stupid

[11:16 PM] **DocHurt:** so. . . you do you

[11:16 PM] **DocHurt:** be true to yourself~

[11:16 PM] **JuanCena:** im not gonna be vitriolic at all

[11:16 PM] **JuanCena:** well

[11:17 PM] **JuanCena:** i'll be a little cutting

[11:17 PM] **JuanCena:** lol

[11:17 PM] **Sabayon:** i want to see pmach and mmt (?) go to town

[11:17 PM] **quidnose:** i'm not really sure what i am going to say either

[11:17 PM] **JuanCena**: idk how my questions are gonna go actually considering this final 2

[11:17 PM] **quidnose**: go as in

[11:17 PM] **quidnose**: be answered?

[11:18 PM] **JuanCena**: yeah im just not sure how i wanna be

[11:18 PM] **Sabayon**: the thing is pera straight up lied to me

[11:18 PM] **Sabayon**: and cat never fucking interacted with me

[11:18 PM] **Sabayon**: so its loike lol

[11:18 PM] **JuanCena**: one player of the final 2 basically took every opportunity to be a shithead towards me on my way out the last 3 days i was nominated

[11:18 PM] **JuanCena**: so its like

[11:18 PM] **JuanCena**: do i return that

[11:18 PM] **JuanCena**: or just bring it up, have no question for them, and ask the other person my question

[11:19 PM] **JuanCena**: i personally think the 2nd

[11:19 PM] **JuanCena**: is where i stand

[11:19 PM] **JuanCena**: its not really in me to be outright mean to a person

[11:19 PM] **JuanCena**: even if they were mean to me first

[11:19 PM] **MurmurTwin**: Hello fellow Jury! Sorry to everyone that I wronged throughout the game and I hope it's clear that I love you all (and care about your opinions of me)

[11:19 PM] **Sabayon**: mmt fool me once shame on u fool me twic eshame on me

[11:19 PM] **Sabayon**: so its shame on me

[11:19 PM] **Sabayon**: no hard feelings

[11:19 PM] **quidnose**: hi mmt

[11:20 PM] **quidnose**: sorry they fucked you over

[11:20 PM] **JuanCena**: peramene told me one lie the entire game

[11:20 PM] **quidnose**: but i am not surprised :\

[11:20 PM] **JuanCena**: pera leaked to me i was getting backdoored

[11:20 PM] **MurmurTwin**: peramene didn't lie, in that she believed what she was saying at the time she said it

[11:20 PM] **JuanCena**: the only lie she told was that pmach was after me week 2

[11:20 PM] **JuanCena**: to me that is

[11:21 PM] **JuanCena**: im not sure if i agree with that fully because circumstances can change things

[11:21 PM] **quidnose**: did she really have a final 2 deal with you because she told me she was taking me to final 2

[11:21 PM] **quidnose**: this is new information lol

[11:21 PM] **JuanCena**: quid she voted u out

[11:21 PM] **DocHurt**: I think Quid

[11:21 PM] **JuanCena**: did you forget that

[11:21 PM] **DocHurt**: the proof as they say

[11:21 PM] **DocHurt**: is in the delicious pudding

[11:21 PM] **DocHurt**: with your name written on it

[11:21 PM] **quidnose**: no what she did (and no offense MMT, what all three of you did) was wash her hands of responsibility for removing me.

[11:21 PM] **DocHurt**: It was in cursive and it was really fancy

[11:22 PM] **quidnose**: every single person pointed to someone else to say "well it's their fault you are going, quid"

[11:22 PM] **JuanCena**: yeah not a whole lot of move owning in this trio

[11:22 PM] **DocHurt**: that's why witches run in packs of 3. There's more power that way

[11:22 PM] **Sabayon**: cena lied to me a few years ago its ok

[11:22 PM] **Sabayon**: i still love him

[11:22 PM] **JuanCena**: i never played with you

[11:22 PM] **JuanCena**: wtf

[11:22 PM] **DocHurt**: (I am not calling you witches as an insult, btw, witches own)

[11:22 PM] **Sabayon**: lmao

[11:22 PM] **Sabayon**: no it was when you were running survivor

[11:22 PM] **quidnose**: also MMT i am sorry you are walking in to bitter town, but thank you for clicking the link 

[11:22 PM] **MurmurTwin**: Like - ahhh man like emotions are running really high right now for me and I hope this doesn't come off as me getting my just desserts but it's just like...my jury speech is going to be heated as hell if nothing changes between now and thursday

[11:22 PM] **JuanCena**: what was the lie??

[11:23 PM] **DocHurt**: Hell yeah

[11:23 PM] **DocHurt**: DON'T TELL US

[11:23 PM] **DocHurt**: Save it for that sweet

[11:23 PM] **DocHurt**: sweet speechifyin

[11:23 PM] **quidnose**: :v

[11:23 PM] **DocHurt**: I want to see the BB house go up in flames

[11:23 PM] **DocHurt**: I want good tv

[11:23 PM] **JuanCena**: mmt were you aware of what cat had said to pmach and myself on the way out

[11:23 PM] **MurmurTwin**: pera has been telling me that we'd be in the f2 together for literally weeks now, the fact that she can say with a straight face that she can't lie is like... I literally don't even know how to process that

[11:23 PM] **MurmurTwin**: like I feel like she's gaslighting me lol

[11:24 PM] **MurmurTwin**: or trying to

[11:24 PM] **DocHurt**: Thaaaat's Big Brother

[11:24 PM] **JuanCena**: i'll tell you after the game

[11:24 PM] **quidnose**: asiina i am collectively submitting this speech for everyone in the jury tomorrow

[11:24 PM] **JuanCena**: if you werent aware

[11:24 PM] **quidnose**: <https://www.amazon.com/gp/help/customer/display.html?nodeId=901926>

[11:24 PM] **MurmurTwin**: JC: no, what's that?

[11:24 PM] **MurmurTwin**: or are we not allowed to influence votes?

[11:24 PM] **JuanCena**: i think we're treading on lines here

[11:24 PM] quidnose: dammit why didn't that put the link in chat like always lololol

[11:24 PM] quidnose: MMT: we can talk about game stuff but read the rules channel

[11:24 PM] quidnose: scroll up past where jake chatted in it lolol

[11:24 PM] DocHurt: We cannot say who we are voting for

[11:24 PM] DocHurt: we can discuss game stuff

[11:24 PM] quidnose: i am sure asiina is currently drafting an announcement xD

[11:25 PM] DocHurt: but we cannot campaign and be jerks

[11:25 PM] JuanCena: but she basically went out of her way to taunt me and brag about me going when i did

[11:25 PM] Asiina: I'll leave you guys to talk amongst yourselves since you obviously have a lot to talk about. I'll put up details tomorrow about question order and things like that, but I wanted to say that if anyone has any timing issues on Thursday such as not sure if they are going to be able to make it for 7PM or if they need to leave early please let me know so I can adjust the order accordingly.

[11:25 PM] JuanCena: she also told me to stop talking to people when i kept talkin to quid and jake

[11:25 PM] quidnose: still PST yes?

[11:25 PM] Asiina: EST

[11:25 PM] JuanCena: EST

[11:25 PM] DocHurt: Oh thank god

[11:25 PM] quidnose: that

[11:25 PM] quidnose: is what i meant

[11:25 PM] quidnose: lolol

[11:25 PM] quidnose: my bad.

[11:25 PM] quidnose: west coast best coast

[11:25 PM] DocHurt: Sleepy teacher not great teacher

[11:25 PM] quidnose: also asiina

[11:25 PM] DocHurt: aka: please for the love of god EST

[11:25 PM] quidnose: can we tell her

[11:25 PM] quidnose: about the chill

[11:26 PM] DocHurt: ~chillwave~

[11:26 PM] DocHurt: I figured you had told them all about the chill

[11:26 PM] quidnose: nah man i kept my fucking word to the end

[11:26 PM] DocHurt: you rock quid

[11:26 PM] DocHurt: see

[11:26 PM] DocHurt: Cool allies

[11:26 PM] DocHurt: I never told anyone about chill.

[11:26 PM] quidnose: more like WAS GOING TO WIN :argh:

[11:27 PM] Asiina: yeah say what you want about the game, but yes no directly trying to influence someone's vote and no saying who you are voting for.

[11:27 PM] quidnose: cool~

[11:27 PM] quidnose: mmt when you are ready

[11:27 PM] quidnose: i have

[11:27 PM] quidnose: le bombshell

[11:27 PM] quidnose: and i am genuinely curious if it's not a bombshell at all lol

[11:27 PM] Sabayon: chill still best team

[11:28 PM] DocHurt: My biggest regret is not turning on the ladies and voting out jake. DBD I will account for that and say that was my worst worst worst mistake

[11:28 PM] DocHurt: Cena you were 2nd worst.

[11:28 PM] DocHurt: (sorry)

[11:28 PM] quidnose: i mean we can also go all the way back to when we didn't take jake down week 4 or whatever

[11:28 PM] DocHurt: But you had to go eventually for the Chill to survive

[11:28 PM] Sabayon: my biggest regret was not speaking up enough but i think i wouldve if i was less busy

[11:28 PM] JuanCena: i didnt even know the chill existed

[11:29 PM] JuanCena: nobody talked to me

[11:29 PM] DocHurt: heh

[11:29 PM] quidnose: we let the fates lead us around a little too much by the nose and we all got burned for it

[11:29 PM] DocHurt: Chiiii

[11:29 PM] **DocHurt:** What's that? Hiding in the corner? Ah just the Chill.

[11:29 PM] **JuanCena:** i dont know why you guys didnt bring me in

[11:29 PM] **JuanCena:** when pmach left

[11:29 PM] **Sabayon:** i had a lot of gut reads including having cena right after chill

[11:29 PM] **JuanCena:** like mathematically, bad move there

[11:29 PM] **Sabayon:** when we werent aligned

[11:29 PM] **Sabayon:** yeah

[11:30 PM] **DocHurt:** I still don't think it was a bad move

[11:30 PM] **DocHurt:** Chill worked best in secret

[11:30 PM] **JuanCena:** it worked subservant to the alliance i pegged week 3

[11:30 PM] **quidnose:** yeah it was a big risk at that point if you were aligned with another group

[11:30 PM] **JuanCena:** ijs

[11:30 PM] **DocHurt:** [shrugs] eh.

[11:30 PM] **quidnose:** no offense cena i did not see you as a person who was keeping shit close to his chest

[11:31 PM] **quidnose:** but that might have been because people were lying about what you were saying

[11:31 PM] **quidnose:** and i wasn't doing a great job of vetting shit

[11:31 PM] **JuanCena:** they were

[11:31 PM] **JuanCena:** they literally were hahahaha

[11:31 PM] **quidnose:** i should have come straight to you

[11:31 PM] **JuanCena:** i had no side deals

[11:31 PM] **JuanCena:** hurt was my f2

[11:31 PM] **JuanCena:** from early on

[11:31 PM] **JuanCena:** pmach was my final three but that was the alliance i thought i had

[11:31 PM] **Sabayon:** to me idk i felt good about cena but

[11:31 PM] **DocHurt:** Chill was cool waters running underneath it all. w1 alliance.

[11:31 PM] **Sabayon:** i felt like him and cat were heavily aligned

[11:31 PM] Sabayon: because the way i was brought in

[11:31 PM] JuanCena: we werent

[11:31 PM] Sabayon: i know

[11:31 PM] Sabayon: but im saying the vibe

[11:31 PM] Sabayon: felt like that

[11:32 PM] quidnose: the biggest fucking despair of this game

[11:32 PM] quidnose: is our alliance was so good

[11:32 PM] Sabayon: so it was a little hard to put 100% trust

[11:32 PM] JuanCena: she suggested we go deep and i used that to bring her in the 5

[11:32 PM] quidnose: and we were so silent about it

[11:32 PM] MurmurTwin: man I had no idea what so many of you guys were up to in the early game

[11:32 PM] quidnose: and we sucked at challenges SO MUCH

[11:32 PM] quidnose: lol

[11:32 PM] Sabayon: everybody was like dbd either isnt giving a shit or has a secret group

[11:32 PM] Sabayon: it was a little bit of both

[11:32 PM] JuanCena: and people thought i was aligned with jake on the basis of me being NICE to him

[11:32 PM] quidnose: @MurmurTwin

[11:32 PM] quidnose: pmach, hurt, dbd and i

[11:33 PM] quidnose: were in a secret alliance from like

[11:33 PM] quidnose: day 2

[11:33 PM] DocHurt: yep

[11:33 PM] DocHurt: The Chill House

[11:33 PM] quidnose: #teamspookychill

[11:33 PM] DocHurt: It was, in a way, an anti-hugbox

[11:33 PM] DocHurt: Owners of the Chill Out Zone.

[11:34 PM] **DocHurt:** There was literally a point in the game where I was in an "alliance" with everyone but Jake

[11:34 PM] **DocHurt:** I was so close

[11:34 PM] **DocHurt:** I figured people would have read the last Big Brother game and realized I was an alliance whore

[11:34 PM] **Sabayon:** i was planning on

[11:34 PM] **Sabayon:** putting cat up every week after she almost put me up

[11:34 PM] **Sabayon:** but i never won shit so

[11:34 PM] **Sabayon:** pipe rdeams

[11:34 PM] **Sabayon:** dreams

[11:35 PM] **DocHurt:** beautiful beautiful pipe dreams

[11:35 PM] **Sabayon:** man ive realized

[11:35 PM] **Sabayon:** i like cena challenges

[11:35 PM] **Sabayon:** more than asiina challenges

[11:35 PM] **Sabayon:** im bad at hers

[11:35 PM] **DocHurt:** the eternal drama of big brother: If only I was good at challenges.

[11:35 PM] **JuanCena:** i go for a more easy balance, these ones had a difficulty curve that was way high

[11:35 PM] **Sabayon:** the only thing i was kinda mad at was

[11:35 PM] **JuanCena:** battleship drove me crazy

[11:35 PM] **Sabayon:** quid not being able to play the week i needed it most (which wasnt his fault)

[11:36 PM] **JuanCena:** i wasnt understanding the rules at all

[11:36 PM] **Sabayon:** and hurt not taking cat out of that challenge (which wasnt his fault really)

[11:36 PM] **Sabayon:** i coulda won that, but then again one of you prob woulda been up so

[11:36 PM] **Sabayon:** prob worked out for the best

[11:36 PM] **MurmurTwin:** Really early on in the game Cat told me she was in a room with pmach/cena/cat/dbd/hurt and I was very much convinced that you five were like a tight tight fivesome

[11:36 PM] **JuanCena:** not rly

[11:36 PM] quidnose: dude i didn't think it was a big deal at all because i was like "the only way dbd goes home is if jake gets veto"

[11:36 PM] quidnose: i had no inkling they were gonna blindside the fuck out of you

[11:36 PM] JuanCena: i called it

[11:36 PM] JuanCena: lol

[11:36 PM] Sabayon: i felt it that entire hoh

[11:36 PM] MurmurTwin: yeah i kind of realized after the fact that maybe I shouldn't have taken that as fact without thinking harder on it

[11:37 PM] Sabayon: you guys were doing your whole lets talk about this

[11:37 PM] Sabayon: and every time i brought up me vs jake

[11:37 PM] Sabayon: it was like yeah yeah ur fine

[11:37 PM] Sabayon: im like uh

[11:37 PM] Sabayon: no deals?

[11:37 PM] quidnose: that is what

[11:37 PM] quidnose: i was told

[11:37 PM] quidnose: lol

[11:37 PM] Sabayon: nobody wants to talk about the next week?

[11:37 PM] Sabayon: lmao

[11:37 PM] Sabayon: i was like well fuck

[11:37 PM] JuanCena: im surprised pera didnt give u a heads up

[11:37 PM] JuanCena: she did for me

[11:37 PM] DocHurt: I would have warned you but you were quarantined!!

[11:37 PM] quidnose: anyway @MurmurTwin i am very sorry for the only lie i told you all game which is that i was unaligned

[11:37 PM] quidnose: because let me tell you

[11:37 PM] quidnose: i almost goated my way into the fucking victory

[11:37 PM] quidnose: why did you have to fuck it all up, MMT

[11:38 PM] quidnose: why did you have to fuck it all up :C

[11:38 PM] Sabayon: i lied about alignment stuff but not about small deal things like i woulda went out of that hoh gunning for cat and jake

[11:38 PM] Sabayon: while trying to protect chill

[11:38 PM] DocHurt: Alright goodnight jury haus

[11:38 PM] JuanCena: night

[11:38 PM] Sabayon: later!

[11:38 PM] DocHurt: I'll see you all tomorrow. I need to work for most of tomorrow on my vote. I have a really good idea... I just need to bring it into reality

September 14, 2016

[12:03 AM] quidnose: you doing ok MMT?

[1:04 AM] MurmurTwin: I'm going through rather frantic emotional shifts if I'm to be quite honest

[1:04 AM] quidnose: <3\

[1:04 AM] quidnose: 

[1:05 AM] quidnose: you can talk it out with all of us if you'd like. i mean i don't think anyone is gonna be a big ass dick to you right now

[1:06 AM] MurmurTwin: I just wrote a big confessional as a sort of therapy session and finished it up feeling at peace iwth it. and then like ten minutes later (basically now) it's all just kind of hitting me again

[1:07 AM] MurmurTwin: I had been out of estrogen pills for like a week (I take 'em every day) and got them back like 3 days ago, so having this happen today was funny timing

[1:08 AM] quidnose: oh man yeah i imagine that would not

[1:08 AM] quidnose: be super fun

[1:08 AM] MurmurTwin: I very much appreciate you being willing to hear me out though because I tried to walk away from the laptop and this is still like the only thing I can think about

[1:09 AM] quidnose: hey, as much as i was pissed with the decision you made on friday, you're ultimately sitting here in bitter town with all of us

[1:09 AM] quidnose: so

[1:09 AM] quidnose: bitter away 

[1:11 AM] quidnose: this is as much group therapy as it is complain town xD

[1:14 AM] **MurmurTwin**: I kind of feel towards pera the way I was hoping you feel towards me - our game interactions occur on a different plane as everything else about us that we share towards each other. Like I'm going to read the confessionals after the game and make my judgement then, and I feel more confident than not that most of how I perceive her as a person (who I like a lot) will have been authentic. That's really all I'll say so as to not accidentally break a rule.

[1:15 AM] **Asiina**: Quid: literally, LITERALLY just talking in the vista about how these games are emotional as fuck and players dealing with those together and trying to facilitate that as a mod is actually a part of the game.

[1:16 AM] **Asiina**: jury house is the true hugbox 

[1:17 AM] **MurmurTwin**: Yeah, for real - I was just saying to Cody (who has been in the room for me for the last like two hours) that on one level, I'm appreciative of the fact that I got to experience the feeling of "having trust in someone not pay off" in a way, relative to other things, isn't that important.

[1:19 AM] **MurmurTwin**: My theory is that we become characters in this game - characters that are basically just optimized versions of ourselves (since we all want to make friends and built trust and all that). But the longer you survive, the longer the lines start to blur, and then eventually the emotions you experience when things happen become more and more vivid.

[1:22 AM] **MurmurTwin**: I'm also kind of sad that the game is over, I always have so much fun when I'm knee deep in the endgame of one of these. I spent a lot of time thinking about this game that otherwise would have been me lost in the doom and gloom of my RL roommate situation. I'll miss it.

[1:22 AM] **MurmurTwin**: And boy oh boy I'm excited for Thursday night, both to see how it ends and to be able to read the game from start to finish. I feel like I wrote a lot of confessionals, even by my standards

[1:23 AM] **quidnose**: yeah i also am ready for confessionals

[1:23 AM] **quidnose**: gonna be reading yours VERY closely MMT xD

[1:23 AM] **quidnose**: my last confessional is super sad in consideration of what happened.

[1:23 AM] **quidnose**: :C

[1:27 AM] **MurmurTwin**: lol well now that there's no duress I can at least acknowledge that I was in an alliance with cat/pera when I tried to gather French Onion Soup (rip lol), and ultimately I was double-dipping alliances. But at the time I became HOH I 100% believed that (cat/hurt/dbd/cena/pmach) was real and loyal, and I was genuinely trying to strike back against it / hoping we'd work together after that

[1:27 AM] quidnose: that doesn't work when i know you cat and pera are clearly gonna fuck me over though, lol

[1:30 AM] MurmurTwin: at the time I wasn't definitely going to, though! like there hadn't been any real tests of trust yet to that point in the game, I fully figured that cat and pera had other arrangements (I knew cat/hurt were tight for a fact) and so if it turned out FOS was more loyal, I would have probably gone with them

our first real test of trust was the house meeting where I didn't put her up - .....ah man I wish I didn't just think of that, ugh

[1:31 AM] quidnose: :C

[1:31 AM] quidnose: i think uh

[1:31 AM] quidnose: i don't think hurt and cat were tight at all

[1:31 AM] quidnose: he never really mentioned that in chillhaus

[1:31 AM] quidnose: but i'll let him speak of that tomorrow

[1:32 AM] MurmurTwin: I was in the Cat's HOH room and the conversation flowed, I figured there had to be a reason she brought him (plus she had named that fivesome to me and I believed her)

[1:32 AM] quidnose: i think they kinda had something initially but it wasn't super solid ☐

[1:34 AM] MurmurTwin: man that's great, chillhaus was something I was at no point aware of fwiw

[1:35 AM] quidnose: that is why i am so pissed you chose to dump me last vote

[1:35 AM] quidnose: because i

[1:36 AM] quidnose: just needed 1, man

[1:37 AM] MurmurTwin: like... man, my confessionals are going to be something else.

pera was very much fighting for you/me/her and I very much was adamant that we had promised Cat f3 and we couldn't do that to her. like until tonight it was the only thing we disagreed on and I fought for cat to stay, hard.

[1:38 AM] quidnose: yep, i get it.

[1:38 AM] quidnose: but i also knew cat was going to fuck you if she had the chance :\

[1:38 AM] quidnose: well and maybe pera

[1:38 AM] quidnose: i dunno i was less sure who pera was going to take

[1:38 AM] quidnose: actually maybe that's not true, lol

[1:38 AM] **quidnose**: the onyl thing i was really certain of was that if you or cat took it, pera was gone

[1:38 AM] **quidnose**: but i guess that wasn't true from your end

[1:39 AM] **MurmurTwin**: I feel like you might be missing just how close me and pera were during this game (or at least, how close I felt we were)

[1:39 AM] **quidnose**: yeah i was lol

[1:39 AM] **quidnose**: i thought you were all kinda freely using each other

[1:40 AM] **quidnose**: i mean pera wanted to take me all the way because she thought she would beat me handily

[1:40 AM] **MurmurTwin**: like - we talked pretty much every day about how we were going to fight in the f2 for like weeks

[1:40 AM] **quidnose**: that's why she wanted me as her F2

[1:40 AM] **quidnose**: she made that very clear

[1:40 AM] **MurmurTwin**: she told me she was telling you that and wasn't going to honor it (which, to be fair, I didn't 100% believe since it felt like she had alterior motives to want you over cat)

[1:55 AM] **JuanCena**: this is asiina/rarity 2.0

[1:55 AM] **JuanCena**: with a less likeable meinberg

[1:56 AM] **JuanCena**: which, tbf, is all meinbergs besides the original

[1:58 AM] **MurmurTwin**: wait who's the meinberg, cat? Cat's good people and I like her a lot ☐

[1:59 AM] **JuanCena**: cats not that good

[2:01 AM] **JuanCena**: i mean if i have to i'll bullet point the stuff she said to me the week i was up:

-say hi to pmach for everyone when i go to jury.

-if she had it her way i would have gone out 5th

-i shouldn't be talking to people when im on my way out

-she was the brains behind getting rid of me and pmach and was proud of it

-she was glad she was able to paint me as a comp threat even though, her words, "you sucked at the comps tbh"

[2:02 AM] **JuanCena**: and not gonna lie getting the silent treatment from you that week didnt exactly help me in trying to keep good spirits on my way out

[2:02 AM] **JuanCena**: i was trying to make amends

[2:02 AM] **MurmurTwin**: i'm gonna stop you right there for a sec and just..

...we're getting a bit close to what my actual RL house has sounded like (people I like telling me other people I like are doing things I don't like) and I'd rather just mellow out for a bit

[2:03 AM] **MurmurTwin**: i'm not saying you're lying, just that I'm not really in a place to kind of go down a negative road at the moment

[2:04 AM] **JuanCena**: we dont have to go down any road thats why i wanted to wait until after the game

[2:04 AM] **JuanCena**: but i felt this is probably gonna come out during questioning

[2:04 AM] **JuanCena**: so may as well soften the blow now

[2:05 AM] **JuanCena**: you've comodded with me enough to know i dont have an agenda for "who should win" but as an individual juror how i've been treated is gonna have an effect on how i view the game

[2:05 AM] **MurmurTwin**: it's all good, like definitely my vote will be based on my experiences in the game and I imagine yours will be based on yours (I'm going to head out soon so we don't start talking votes and such)

[2:05 AM] **JuanCena**: yeah

[2:12 AM] **jakep**: cat owns

[2:13 AM] **JuanCena**: idk

[5:00 AM] **MurmurTwin**: Hmm I couldn't sleep tonight so I figured I'd scroll up and catch up on idle jury house chatter and uh, yikes. Probably not the best call.

[5:03 AM] **MurmurTwin**: If anyone wants to connect tomorrow and hash out some of the things that happened in the game, I'm more that open to it

[8:46 AM] **jakep**: what i want to hash out is what did pereamane do all game? Like to me it seems like she rode toe coattails of you and cat, and reaped the benefits of both of your moves,, but I haven't seen one person say one cunning or clever move pera made to make it to where she is, except allying with 2 people that were playing hard

[8:47 AM] **jakep**: Id equae it to Ian vs Dan final but like Ian actually made a couple of hard moves

[9:14 AM] **dietcoupon**: hold the phone

[9:14 AM] **dietcoupon**:

The Independent

## We are almost certainly living in a computer simulation, experts...

Analysts at Bank of America have reportedly suggested there is a 20 to 50 per cent chance our world is a Matrix-style virtual reality and everything we experience is just a simulation. The report, which was issued to clients, also implies even if our world was an illusion, we would never know about it. Bank of America Merrill Lynch backed up the claims by citing comments from leading philosophers, scientists and other thinkers.

[9:14 AM] **dietcoupon**: now that that's out of the way

[9:15 AM] **dietcoupon**: jake, for me, pera was openly friendly

[9:16 AM] **dietcoupon**: we never talked much game, but when i went out, even though i suspected she had a touch to do with it, she was the one girl i didn't feel bitter towards

[9:16 AM] **dietcoupon**: when i played survivor (and won) my biggest challenge at FTC was distinguishing my individual game, because the truth is that alliances move together

[9:17 AM] **dietcoupon**: and whatever she did, however she did it, pera managed to do it in such a way to keep her hands clean

[9:17 AM] **dietcoupon**: versus somebody like cat, who openly mocked people (she mocked me Day 1, even), that's worth a lot

[9:18 AM] **dietcoupon**: while pera, while i basically self-evicted, all but begged me to fight for my life

[9:18 AM] **dietcoupon**: arguably the toughest aspect of the game is managing to vote people out, and have them *want* to vote for your win

[9:20 AM] **dietcoupon**: (treading very fine water here) if i had to vote for cat, it would be out of bitterness, and my plan was to take a screencap of lex voting for amber, and about 30 seconds in mspaint to cross out amber's name and write 'lol cat'

[9:20 AM] **dietcoupon**: i'm really happy i don't have to do something like that

[9:22 AM] **dietcoupon**: i mean, i'll be reading ftc and i have a question i want answered

[9:22 AM] **dietcoupon**: who knows

[9:37 AM] **jakep**: my thing with pera is sure yeah she was friendly, but whenever I tried to discuss game with her in anyway she just shut the conversation down there

[9:37 AM] **jakep**: it just felt very cosmetic, like she would talk to appear like she wasnt rude

[9:37 AM] **dietcoupon**: so, she had an inalienable path, and look where she is

[9:37 AM] **jakep**: yeah she rode cat and MMTs coattails to the end

[9:38 AM] **jakep**: its eazy to talk when you arent the one making the moves

[9:38 AM] **dietcoupon**: so the person with the social capital, says the words to make things happen

[9:38 AM] **dietcoupon**: pera would have known that people don't trust her

[9:39 AM] **jakep**: i dont think pera had any "social capital"

[9:39 AM] **dietcoupon**: that fucking house meeting

[9:39 AM] **dietcoupon**: how, as pera, do you try to move with literally anybody but your three after something like that

[9:39 AM] **jakep**: pera didnt use her social standing to make anything happen

[9:39 AM] **dietcoupon**: no that's my point

[9:39 AM] **jakep**: it wasnt really though it was just cena pushing a house meeting from what I saw

[9:39 AM] **dietcoupon**: she knew she didn't, so she didn't bother trying

[9:39 AM] **jakep**: and everyone else just joined awkwardly

[9:39 AM] **dietcoupon**: if she had, things would look different

[9:39 AM] **jakep**: I won't vote for someone who coasted

[9:40 AM] dietcoupon: from the people i talked to, one of the axioms was lol don't trust pera

[9:40 AM] dietcoupon: so ask her about that and be open to what she has to say

[9:40 AM] jakep: I never had that impression of her

[9:40 AM] dietcoupon: but i'm willing to bet she worked hard behind the scenes

[9:40 AM] jakep: I cant think of anything she could have done based on everything I have heard

[9:41 AM] jakep: cat made all the hard moves

[9:41 AM] dietcoupon: from everybody else, plus her ultimate betray

[9:41 AM] jakep: even if pera was partially behind them

[9:41 AM] dietcoupon: take that with the grain of salt it deserves

[9:41 AM] dietcoupon: cat was also a horrid bitch in the meantime

[9:41 AM] jakep: counterpoing Cat was a saint

[9:41 AM] dietcoupon: and, apparently, on the "outs" of their trio anyway

[9:41 AM] dietcoupon: she was their hired gun

[9:42 AM] jakep: ya because she was the best and they needed to bring in the best to beat the rest

[9:42 AM] dietcoupon: obviously not convincing you here, so believe what you like

[9:42 AM] dietcoupon: pera knew cat from survivor

[9:42 AM] jakep: cat the best

[9:42 AM] dietcoupon: cat was very very very useful to them

[9:42 AM] dietcoupon: but i think she played a horrible second-place game

[9:43 AM] jakep: I think pera made a mid tier jury game

[9:43 AM] jakep: played

[9:43 AM] dietcoupon: if we must, pera is sandra to cat's russell

[9:43 AM] jakep: pera is ian to cagts dan

[9:43 AM] jakep: except ian made a couple hard moves

[9:43 AM] dietcoupon: no

[9:43 AM] dietcoupon: bb14 dan had to burn bridges when he was in danger

[9:43 AM] dietcoupon: cat was never in danger

[9:43 AM] **jakep**: pera is the other girl who beat russle at best

[9:43 AM] **dietcoupon**: she was just horrible

[9:43 AM] **dietcoupon**: and burned socks for no reason

[9:44 AM] **dietcoupon**: natalie white?

[9:44 AM] **jakep**: burning socks was hilarious

[9:44 AM] **dietcoupon**: i'll defend natalie white for days

[9:44 AM] **jakep**: i wont say she's the worst winner, but she's meh as fuck

[9:44 AM] **jakep**: just like pera imho

[9:44 AM] **dietcoupon**: she was smart enough to latch on to mr small dick sock burner, and make friends with future jurors

[9:44 AM] **jakep**: in my experiences dealing with pera she felt like she was too cowardly when confronted to actually game

[9:45 AM] **dietcoupon**: because her game was set!

[9:45 AM] **jakep**: if in BB someone started talking game with someone and that person just shut down completely that would be pretty poor play

[9:45 AM] **jakep**: It was rude imho

[9:45 AM] **dietcoupon**: she had two challenge beasts as close allies

[9:45 AM] **jakep**: i felt slightly disrespected

[9:45 AM] **dietcoupon**: why bother lying?

[9:45 AM] **dietcoupon**: that was the "bullshit" mmt got pissed about from that eviction speech

[9:45 AM] **dietcoupon**: she didn't bullshit game, because she knew she'd be full of shit

[9:45 AM] **jakep**: I'd rather be pandered and lied to then ignored

[9:46 AM] **jakep**: also pera never added me on Bnet

[9:46 AM] **dietcoupon**: personal difference, then

[9:46 AM] **dietcoupon**: i hate false hope

[9:46 AM] **jakep**: cat added me on bnet

[9:46 AM] **jakep**: clearly she is the kinder soul

[9:46 AM] **dietcoupon**: i have like two people on bnet

[9:46 AM] **jakep**: my list fills constantly

[9:47 AM] **dietcoupon**: idk, i just struggle to think of a nice thing to say about cat, whereas i genuinely hope pera and hers show up to the next mediocre gathering i host

[9:47 AM] **dietcoupon**: cat hosted jackbox night

[9:47 AM] **dietcoupon**: in which

[9:47 AM] **dietcoupon**: she did not realize her mic was on

[9:47 AM] **jakep**: lol

[9:47 AM] **dietcoupon**: and everybody heard her typing elsewhere

[9:48 AM] **jakep**: lol so?

[9:48 AM] **dietcoupon**: she's casually oblivious to the social side of the game

[9:48 AM] **dietcoupon**: but again

[9:48 AM] **dietcoupon**: that is clearly not your voting rubric so whatever

[9:49 AM] **jakep**: if they made Awful Big Brother jerseys id buy a Cat jersey

[9:49 AM] **dietcoupon**: if i were to ask a question on your behalf, i'd grill pera on her influence on the latter half of the game, what she feels responsible for

[9:49 AM] **dietcoupon**: i do think that cowering from her own game is her biggest weakness

[9:49 AM] **dietcoupon**: but i think there's a good answer in there

[9:49 AM] **jakep**: I think you are misunderstanding her lack of game for cowering from it

[9:49 AM] **dietcoupon**: enh

[9:49 AM] **jakep**: she never had to play

[9:49 AM] **dietcoupon**: i think you mistake her clean hands for not playing

[9:49 AM] **dietcoupon**: she had to

[9:50 AM] **jakep**: I don't respect clean hands

[9:50 AM] **jakep**: get dirty

[9:50 AM] **dietcoupon**: mmt was carrying her to the end, if anybody, so you should ask her

[9:50 AM] **dietcoupon**: again, fine

[9:50 AM] **dietcoupon**: we're going to be voting differently

[9:50 AM] **dietcoupon**: but like

[9:50 AM] dietcoupon: mmt is a smart cookie

[9:50 AM] jakep: im going to find the fluffiest kitten for my vote

[9:50 AM] dietcoupon: she wouldn't just carry a goat i don't think

[9:50 AM] dietcoupon: and i don't think she saw pera as a goat

[9:50 AM] dietcoupon: i think she wanted an honest fight on thursday

[9:51 AM] jakep: but cat is the G.O.A.T

[9:51 AM] dietcoupon: lol

[9:51 AM] dietcoupon: no that's me

[9:51 AM] jakep: o

[9:51 AM] jakep: that must be why cat had to eliminate you

[9:51 AM] dietcoupon: ponderosa from my game was great

[9:51 AM] dietcoupon: i was losing with a solitary sad vote going in

[9:52 AM] dietcoupon: somehow the other dummies managed to suck worse for finals than i'd sucked the whole game

[9:52 AM] dietcoupon: knowing that, it's been...fun, ish, to be on that other side, looking at inevitable finalists i'd hate voting for

[9:53 AM] dietcoupon: so this is how it felt

[9:53 AM] dietcoupon: but again, being an apparent goat from a dominant alliance, it's not like any one of those three boston rob'ed it

[9:53 AM] dietcoupon: the strategy was a group effort

[9:53 AM] dietcoupon: the differences are mostly in how they wore it

[9:54 AM] jakep: Cats basically Floridas Boston Rob

[9:54 AM] dietcoupon: brob lives in florida

[9:54 AM] dietcoupon: but no

[9:54 AM] dietcoupon: no she is not

[9:54 AM] jakep: well i guess if brob lives ther she cant be

[9:54 AM] dietcoupon: mmt was

[9:55 AM] jakep: MMT is floridas boston rob??

[9:55 AM] **jakep**: thats confusing

[9:55 AM] **dietcoupon**: ...

[9:55 AM] **dietcoupon**: i think mmt was the solid strategic mind behind things, who both coddled people and pissed them off but did what she needed to do

[9:55 AM] **dietcoupon**: cat was the enforcer

[9:55 AM] **dietcoupon**: and pera was the cuddlebuddy

[9:56 AM] **dietcoupon**: to me this comes down to good cop and bad cop

[9:56 AM] **dietcoupon**: so, like, sorry, bad cop

[9:56 AM] **jakep**: Cat was like the overlord and MMT and pera were like her little squeaky voiced minions

[9:56 AM] **dietcoupon**: whatever helps you sleep at night vOv

[9:56 AM] **jakep**: vodka

[9:56 AM] **dietcoupon**: bourbon

[9:58 AM] **jakep**:

[9:59 AM] **jakep**: pretend peramane is pictured but is enveloped in cats fluffy fur

[9:59 AM] dietcoupon:

<http://1000uglypeople.com/wp-content/uploads/The-Crazy-Cat-Man-Ugly-Boy-Body-Modification.jpg>

[10:45 AM] MurmurTwin: Good morning you guys!

For what it's worth, strategically most of the stuff we did was made pretty democratically, i think all three of us contributed to the decision making process.

I think pera was willing to interact to people, knowing we were all strategically similar, knowing that her friendliness would be noticed and counted in her favor

[10:48 AM] MurmurTwin: Personality wise I think pera is outgoing and cat is shy, but I don't think those are reflections on their morality. pera is outgoing in games like this because people are more likely to trust others who talk a lot.

[10:49 AM] dietcoupon: cat was openly mean

[10:49 AM] dietcoupon: like, outgoingly so

[10:51 AM] jakep: I am sure you all collaborated on decisions, my thing with pera is she was never the one to have to make the move

[10:51 AM] MurmurTwin: ...I'm totally willing to cede the point that there are things I didn't see that might change my mind if I witnessed them. I think I'm making the same argument, just in a different way.

[10:52 AM] dietcoupon: if i'm pera, why the hell do i make a move against somebody if cat is willing to do it, and also burn her own house down?

[10:52 AM] **jakep**: because getting to the end on someone elses coattails might not earn votes

[10:52 AM] **jakep**: it depends on the jury being bitter about moves cat made that pera agreed cat should make

[10:53 AM] **dietcoupon**: "lol sry jayk, i think the house is going against you!!! plz 4give me, i just need to Make Big Moves"

[10:53 AM] **jakep**: its not like pera is innocent, its just that she never was obligated because she was hiding behind real players

[10:53 AM] **quidnose**: You can see from our perspective how saying "we did everything democratically" is akin to saying "none of us are responsible for our actions so forgive them" right

[10:53 AM] **quidnose**: Like y'all washed your hands of responsibility for everything real well

[10:53 AM] **jakep**: I think Cat and MMT have blood on their hands which i respect

[10:54 AM] **jakep**: I think pera is shirking responsibility in her playstyle and I find that less respectable than cats game

[10:54 AM] **dietcoupon**: *whips out dick*

[10:54 AM] **dietcoupon**: *pisses on your bed*

[10:54 AM] **dietcoupon**: vote cat 2016

[10:54 AM] **jakep**: thats what cats do

[10:55 AM] **dietcoupon**: no they don't. they red rocket sometimes but that's about it

[10:55 AM] **dietcoupon**: they take shits to get your attention

[10:55 AM] **jakep**: like how cat completely shit on pera in terms of gameplay?

[10:56 AM] **dietcoupon**: look man

[10:56 AM] **jakep**: cat the best

[10:56 AM] **dietcoupon**: i have some weird stockholm syndrome codependency issues and all

[10:56 AM] **dietcoupon**: but you're not convincing me to vote for a fucking bully

[10:56 AM] **jakep**: bullies keep the weak in check and push them to become strong

[10:57 AM] **dietcoupon**: bullshit.

[10:57 AM] **jakep**: cat did us all a service

[10:57 AM] **MurmurTwin**: I'm not saying that at all! I'm saying "there was no strategic dead weight on the team, all of us thought stuff out and had input so if you're voting on that I

wanted to clarify".

At the moment right now, wanting to forgive pera is the last thing on my mind - until the game ends and I can get some truth from her confessionals, I don't believe a thug she's said to me for six weeks

[10:57 AM] **MurmurTwin**: (That was to quid)

[10:57 AM] **jakep**: strategy is one thing, implentation is another

[10:58 AM] **dietcoupon**: mmt, if your vote decides the game, that much i'd respect. you were actually there

[10:58 AM] **jakep**: if bill belechek coached the cleveland browns they would lose desite having the best strategy

[10:58 AM] **jakep**: Peramane is the browns

[10:58 AM] **MurmurTwin**: Hahaha Jake well played

[10:58 AM] **jakep**: Cat is the patriots

[10:58 AM] **dietcoupon**: man, not really

[10:58 AM] **jakep**: If you love america vote cat

[10:58 AM] **dietcoupon**: this entire conversation makes me want to kill my slef

[10:58 AM] **dietcoupon**: i need a drink

[10:58 AM] **dietcoupon**: make something awful great again

[10:58 AM] **jakep**: If you did cat would probably save you

[10:58 AM] **jakep**: cat great

[10:58 AM] **MurmurTwin**: Eek definitely don't kill your self!

[10:59 AM] **jakep**: cat wouldnt let that happen dont worry

[10:59 AM] **dietcoupon**: nono, my *slef*

[10:59 AM] **MurmurTwin**: Oh carry on then lol

[10:59 AM] **dietcoupon**: (slef is what i call my-- oh ho~~)

[10:59 AM] **jakep**: same

[10:59 AM] **dietcoupon**: god please for the love of fuck is somebody in here not having a shit week

[10:59 AM] **quidnose**: MMT this is what I warned you about the week you dumped me <3

[11:00 AM] quidnose: Loyalty to a final 3 means jack when ultimately you gotta axe one of them to get to final 2

[11:00 AM] MurmurTwin: I was also being loyal to a final 2

[11:00 AM] quidnose: With cat?

[11:00 AM] jakep: everyones gonna end up being loyal to one of their final 2s

[11:00 AM] MurmurTwin: Again it might not have been clear just how tight pera and I were (or at least how tight I thought we were)

[11:01 AM] dietcoupon: jake: unless they throw final HoH and don't have to!

[11:01 AM] jakep: cat was too mighty to evict pera had no choice

[11:01 AM] quidnose: I think it's more pera has a better chance of beating cat than you, mmt

[11:01 AM] dietcoupon: what quid said

[11:01 AM] quidnose: At least from her perspective

[11:01 AM] dietcoupon: from mine as well though

[11:02 AM] jakep: Cat is like derrick and pera is victoria

[11:02 AM] quidnose: Like, purely game theory. Which is why loyalty to a final 3 made no sense and y'all should have dumped cat when you had the opportunity to do so

[11:02 AM] dietcoupon: the next to last person out is almost always the otherwise winner

[11:02 AM] quidnose: Loyalty to 3 means shit when you need to cull to 2

[11:02 AM] quidnose: I'm gonna say that a lot be ready :v

[11:02 AM] MurmurTwin: I'm sure that's part of it - and if she said that to me when she swing the axe I'd be in here defending her to all of you right now

[11:02 AM] quidnose: I have

[11:02 AM] quidnose: THE PERFECT VOTE

[11:02 AM] jakep: cat is too strong

[11:02 AM] quidnose: But I don't know if I will have the time to make it before Thursday

[11:02 AM] quidnose: Gonna try hard, tho

[11:02 AM] jakep: isnt vote tonight?

[11:03 AM] MurmurTwin: It's tmrw I'm pretty sure

[11:03 AM] **jakep**: o

[11:03 AM] **quidnose**: Tomorrow

[11:03 AM] **quidnose**: Nobody bit you available tonight Jacob

[11:03 AM] **jakep**: ill have time to build my cat shrine then

[11:03 AM] **MurmurTwin**: you have my hammer

[11:03 AM] **dietcoupon**: the cat shrine

[11:03 AM] **dietcoupon**: will be difficult

[11:04 AM] **dietcoupon**: taxidermy is already time-consuming, AND you have to get it across into  
canada

[11:04 AM] **jakep**: yeah I am not worthy of creating something so incredible

[11:04 AM] **dietcoupon**: no shit, some guy on the subway the other day

[11:04 AM] **dietcoupon**: cradling his best buddy on the way upstairs

[11:04 AM] **dietcoupon**: his fucking dead taxidermy dog

[11:05 AM] **MurmurTwin**: Eeek weird

[11:05 AM] **jakep**: my favorite is the remote controlled flying dead cat

[11:05 AM] **dietcoupon**: I LOVE THAT

[11:05 AM] **DocHurt**: Yowie zowie.

[11:05 AM] **dietcoupon**: THAT IS MY FAVORITE THING EVER

[11:05 AM] **jakep**: ya

[11:05 AM] **MurmurTwin**: Hahaha I've seen that lol

[11:05 AM] **dietcoupon**: it looks so shocked to suddenly AWAY IT GOES

[11:05 AM] **quidnose**: Yikes all around

[11:06 AM] **jakep**: what do y'all think cat gonna do with her winnings???

[11:06 AM] **quidnose**: MMT I am going to probably call out this f3 decision again in my speech  
tomorrow

[11:06 AM] **quidnose**: Just warning you I am going to be ~pointed~

[11:06 AM] **jakep**: im mostly gonna talk about how great cat is

[11:06 AM] **quidnose**: And ~rather bittter~

[11:07 AM] **MurmurTwin**: I've literally already written two different jury speeches, like my brain has this awful thing where it won't shut the fuck up when I'm trying to sleep and last night was a bad one

[11:09 AM] **MurmurTwin**: It's genuinely challenging me right now to figure out exactly how I feel about all of this and specifically what I want to convey.

Humorously enough, this game had the two players that lost at f3 the two times I made f2 in survivor (dbd and meinberg) so at least I can reflect on how they felt in similar spots

[11:09 AM] **dietcoupon**: that's it for me too

[11:10 AM] **dietcoupon**: it's cathartic to sit here as a juror having to vote between people i think played like shit

[11:10 AM] **dietcoupon**: it's how i won :V

[11:10 AM] **quidnose**: I think it's good to have some space to think about it for you, MMT

[11:10 AM] **quidnose**: Today in reflection will be imoortsbt6

[11:10 AM] **quidnose**: ....

[11:10 AM] **quidnose**: Important

[11:10 AM] **quidnose**: But like

[11:10 AM] **quidnose**: Friendships aside

[11:10 AM] **quidnose**: From a game standpoint

[11:10 AM] **quidnose**: I will never forgive the three of you for taking this victory from me

[11:11 AM] **dietcoupon**: i want a rematch

[11:11 AM] **quidnose**: You have ~no concept~ of how hard I was working behind the scenes

[11:11 AM] **dietcoupon**: no prize money, just an op, a hint of structure, and blood

[11:11 AM] **dietcoupon**: oh man quid

[11:11 AM] **quidnose**: I was painting myself so hard to be a goat to all of you to take it all

[11:11 AM] **dietcoupon**: i fought for you so hard against cena

[11:11 AM] **dietcoupon**: in here

[11:12 AM] **quidnose**: Like I hope everyone is not sitting here going "quid is full of shit," I am fairly confident I had 3 votes autolocked in chillhaus and all I needed was one

[11:12 AM] **MurmurTwin**: I really do my best to reflect on things and learn from the - and yeah, the problem right now is that I want to just forgive and forget but as long as this game is still on all I can do is introspect on it and figure out what will bring me peace about it

[11:12 AM] **dietcoupon**: precisely

[11:12 AM] **quidnose**: Pera betraying cat for f3 might have given it to me.

[11:13 AM] **MurmurTwin**: Quid - fwiw I didn't see you as a goat for that reason, if I voted out cat over you (in my eyes at the time) I would have been doing the same thing rarity did in abb1

[11:13 AM] **dietcoupon**: all she needed was a FFT mod vote video

[11:13 AM] **quidnose**: And had y'all gotten wind of that and ousted me because you realized how close I was to taking it all, that would have been one thing

[11:13 AM] **quidnose**: But again

[11:13 AM] **quidnose**: Loyalty to f3 means nothing when you need a f2

[11:13 AM] **quidnose**: So to be out for That crap

[The Fall of Duke Francois](#)

[11:13 AM] quidnose: Especially when it went the way it did

[11:13 AM] quidnose: ANNOYS THE SHIT OUT OF ME

[11:13 AM] quidnose: lol

[11:14 AM] quidnose: Ahahahaha that FFT video

[11:14 AM] MurmurTwin: Lol I loved that vote

[11:14 AM] dietcoupon: like, if hurt had cut me loose with that shit, i'd have golfclapped

[11:21 AM] MurmurTwin: Man pera was so willing to cut cat there and I fought so hard against it ☐

[11:21 AM] quidnose: I warned you

[11:21 AM] quidnose: I did warn you, <3

[11:26 AM] MurmurTwin: definitely quid vs cat at f4 is going to be the thing I look back at as my biggest error game-wise, for me being on a good team was worth it (admittedly my viewpoint was influenced by my assumption that pera was with me to the end).

Ironically I wrote a long confessional about how old me would have back stabbed Cat but I've learned that empathy is what brings me happiness in life and I knew it'd hurt her (cat was betrayed by pera rather viciously in their last game), and so I very much fought cats corner and in doing so experienced the feelings I was

trying to spare cat.

I'm doing my best to learn and grow from it and to not let the anger/hurt get me too much. Even knowing what happened I still feel like I had good reasons to fight for cat and I shouldn't retroactively change them just because I didn't get what I want.

[11:27 AM] quidnose: As long as you know I was right

[11:27 AM] dietcoupon: man, i feel like this game gave me the opposite

[11:27 AM] quidnose: That's what matters here

[11:27 AM] quidnose: :v

[11:27 AM] dietcoupon: in general, chill + cena did our best to play straight up and honest

[11:27 AM] dietcoupon: and it got us dryfucked

[11:27 AM] MurmurTwin: Who was chill again? Pmach quid dbd....?

[11:28 AM] dietcoupon: hurt

[11:28 AM] quidnose: This game taught me I am capable of going all the way if I could win some fucking challenges

[11:28 AM] MurmurTwin: Ah right.

[11:28 AM] quidnose: I was so close with that f4 one

[11:28 AM] quidnose: Two damn points behind you, MMT

[11:28 AM] MurmurTwin: Hah sorry not sorry quid :3

[11:28 AM] dietcoupon: okay but mmt

[11:29 AM] dietcoupon: idk if you got to talk to cena about his way out

[11:29 AM] dietcoupon: it was just

[11:29 AM] dietcoupon: brutal

[11:29 AM] dietcoupon: for me out here, it was so hard to watch

[11:29 AM] dietcoupon: that's what i mean about cat's social game

[11:29 AM] dietcoupon: on HIS way out, she managed to get a last jab in at me

[11:29 AM] dietcoupon: simultaneously sunk hurt's game

[11:29 AM] dietcoupon: and i think he knows that now

[11:30 AM] quidnose: The best move you guys made was convincing him to blindside dbd

[11:30 AM] dietcoupon: it was effective, but it was salted earth

[11:30 AM] quidnose: I do not know how you managed that

[11:31 AM] dietcoupon: btw

[11:31 AM] dietcoupon: mmt

[11:31 AM] dietcoupon: that glitter i left in your bed

[11:31 AM] dietcoupon: for weeks ago

[11:31 AM] dietcoupon: \*from

[11:31 AM] dietcoupon: how'd it treat ya last night ;D

[11:31 AM] dietcoupon: also do you like the ants???

[11:31 AM] dietcoupon: this one right here is my favorite

[11:31 AM] dietcoupon: i call him billy

[11:32 AM] MurmurTwin: If you won that Veto what would you have done quid?

Pmach - in terms of how he was treated by cat? Yeah he had mentioned that to me, to me the only difference there is that pera hid her gloating better

Quid - I formed an f4 with hurt on the week cena was blindsided, I was planning on staying loyal to it until you won POV and forced my hand lol

[11:32 AM] MurmurTwin: YOU BITCH!!! 

[11:32 AM] dietcoupon: but that's a crucial difference

[11:32 AM] quidnose: I would have vetoed myself and destroyed your alliance

[11:32 AM] quidnose: And won the game

[11:32 AM] quidnose: Lol

[11:32 AM] quidnose: Also how many fucking alliances did you have, Jesus

[11:32 AM] dietcoupon: (re. MATCH. ree. MATCH!)

[11:33 AM] MurmurTwin: Lol oh quid, you're one of the good ones

[11:33 AM] quidnose: You really expected me to take anything of what you said with that GPS shit seriously, come on

[11:33 AM] quidnose: Like sure maybe you meant it

[11:33 AM] quidnose: But there's a lot of boy who cried wolf surrounding it if you're promising everyone a piece of your very limited pie~

[11:33 AM] MurmurTwin: Gps shit?

[11:33 AM] quidnose: FOS

[11:33 AM] quidnose: Lolololol autocorrect

[11:33 AM] dietcoupon: my cat is currently licking her nether regions and this feels like a metaphor

[11:36 AM] MurmurTwin: Hahahaha oh right! I meant it at the time in that while I had an alliance with cat/pera I didn't really trust them yet, when FOS was formed it was entirely possible in my eyes that they'd have my back and cat/pera wouldn't

Admittedly the reason I thought you'd take FOS seriously was because i didn't stop and consider your point of view and how full of shit I probably looked at the time

[11:36 AM] quidnose: And also that I had an alliance~

[11:36 AM] MurmurTwin: Right lol

[11:36 AM] quidnose: Making a deal with cat to swap out flerp for dbd? Protecting the alliance

[11:37 AM] quidnose: Voting out pmach when she wanted out? Protecting the alliance

[11:37 AM] quidnose: Telling dbd he was being blindsided publicly? Protecting the alliance

[11:37 AM] quidnose: Forcing a discussion in HoH room that pera moderated so she could be in our the spin I felt you were throwing at me?

[11:37 AM] quidnose: Protecting

[11:37 AM] quidnose: The

[11:37 AM] quidnose: Alliance.

[11:38 AM] quidnose: You have NO IDEA how much work you unraveled when you casually voted me out >:(

[11:38 AM] MurmurTwin: I assumed that because you didn't talk to me, it meant you weren't doing anything, huge mistake based on arrogance on my part

Well fair but the reason I put up pmach/hurt was specifically to mess up their alliances (since I felt they existed and I wasn't in them), I just got the details of "who are they aligned with?" Very very wrong

[11:38 AM] quidnose: They were alifned with each other, you got it perfectly

[11:38 AM] quidnose: Just the wrong other members, haha

[11:41 AM] MurmurTwin: Yeah like I don't know if it actually makes pmach feel better but I was in full-on "beep boop gamebot" mode when I put her/hurt up, the decision was almost solely based on who I thought were in what alliances

[11:43 AM] MurmurTwin: Everything that happened (house meeting, me aligning with hurt) was just circumstance, I definitely didn't go into HOH planning any of that

[11:43 AM] quidnose: Whereas everything I did was hella calculated

[11:43 AM] quidnose: Nobody realized it

[11:44 AM] quidnose: And I still got fucking dumped f4

[11:44 AM] quidnose: So much salt

[11:46 AM] MurmurTwin: Well yeah, that's why I think it's important to form a team and build up trust there, like in any game like this I'll usually have the one person I'm closest with (in this game it was pera for me) and unfortunately it means that everyone else has to go.

Like from my view it was a choice between a teammate I had since day 1 (who might take me into f2 if she wins) versus someone I didn't trust game wise (who definitely wouldn't)

[11:47 AM] quidnose: See but st that point you have no loyalty

[11:47 AM] quidnose: Between me or cat you were setting yourself up for 2/3rds safety

[11:47 AM] quidnose: Either way

[11:47 AM] quidnose: Unless you truly thought that pera would dump you for me if she won

[11:47 AM] quidnose: And then if that's the case

[11:48 AM] quidnose: Why you pretending your f4 decision was based in loyalty to the 3 at all

[11:48 AM] MurmurTwin: I very much did. Obviously things are different now

[11:48 AM] quidnose: You know my mafia reads are always 100% mmt why didn't you listen to me ;)

[11:48 AM] MurmurTwin: I don't know why you don't believe I had an f3 with pera/cat and an f2 with pera? I didn't mention the f2 because I didn't want cat to know, that was it

[11:49 AM] quidnose: Oh of course I knew

[11:49 AM] quidnose: Girl I had been calling girllaince from day fucking 1

[11:49 AM] quidnose: But from a game play standpoint

[11:49 AM] quidnose: Final 3 means jack shit against final 2

[11:49 AM] quidnose: And if you have the opportunity to remove your biggest threat

[11:49 AM] quidnose: You take it.

[11:50 AM] quidnose: You very, very easily could have been in that final round HoH comp vs. Pera if you had taken me instead

[11:50 AM] MurmurTwin: But yeah trust me I was fully aware of your interactions with pera and that she saw you as a safety net.

Surely you can see how I thought you were a bigger threat than cat to me? You were clearly going to take pera and I knew you were friends with he jury

[11:51 AM] quidnose: But I think pera would have dumped me for you, personally

[11:51 AM] quidnose: You had a better chance of winning HoH against me than cat

[11:51 AM] quidnose: And you had a better chance of pera picking you over me

[11:51 AM] MurmurTwin: I think I'll take a breather on this convo and we can save it for after confessionals ☐

[11:51 AM] quidnose: For sure :)

[11:52 AM] quidnose: Just be prepped for my public question, it is on this topic

[11:52 AM] quidnose: Don't want you to be emotionally blindsided but what I ask them :)

[11:53 AM] DocHurt: Quids question: pera. Cat. Why you gotta be so rude???

[11:53 AM] quidnose: :v

[11:53 AM] quidnose: My beginning choir sang that last year lol

[11:53 AM] DocHurt: Oh no

[11:53 AM] DocHurt: Oh dear. Oh no.

[11:54 AM] quidnose: No it was actually a really good arrangement

[11:54 AM] DocHurt: That's good at least.

[11:54 AM] MurmurTwin: Like for me, it just came down to "I had a promise to cat and pera and didn't think the game advantage was worth going against the loyalty we had built together for weeks".

Quid - if you were in f4 with pmach and dbd and (for example) Jimson - who do you vote out there and why?

[11:54 AM] DocHurt: Shame about the song.

[11:54 AM] quidnose: I had a kid play bass, I just did chords on the guitar

[11:55 AM] DocHurt: That sounds fun.

[11:55 AM] quidnose: MMT - we had agreed early on that if chillhaus made it to final 4 we would let skill decide who went out

[11:55 AM] quidnose: So if Hurt was bottom of the barrel as cat was

[11:55 AM] quidnose: I mean Jimson was an outsider so that does make it harder, you are right

[11:55 AM] DocHurt: Hurt would probs lie and cheat to stay in. Just being honest...

[11:55 AM] quidnose: But I would have had that discussion with my team going in to the event that that was what I was doing

[11:55 AM] quidnose: Not, you know

[11:56 AM] quidnose: Ensured that quid has no way to defend himself on a Friday WHILE HE IS TEACHING

[11:56 AM] MurmurTwin: Ok fair enough - let's say "chillhaus + jimson" at f5, would you have betrayed your alliance there for the advantage of being Jimson further?

[11:56 AM] quidnose: At f5? No.

[11:56 AM] quidnose: At f3 when I know NOT doing so could cost me the game? Yes, but I would have been upfront about it.

[11:56 AM] quidnose: F4\*

[11:57 AM] quidnose: But it is easy for me to sit here after the fact and say what I would have done~

[11:59 AM] MurmurTwin: ...and that will be the mistake I get to kick around in my head until the next one of these games ☐

It's never easy to make these calls as they happen, it's way easier in hindsight - I felt strongly that I was doing the right thing when I defended cat and I really don't want to change up my values (which are all individual to ourselves) just because I got voted out

[11:59 AM] quidnose: Oh from a value standpoint you were justified in the decision you made

[11:59 AM] quidnose: But values are out the door in f3 and that was my point

[12:00 PM] quidnose: Anyway, you're kicking it around already enough

[12:00 PM] quidnose: I'm just very bitter because you made me lose

[12:00 PM] quidnose: Lol

[12:00 PM] quidnose: But I am sorry they fucked you over and that you are hurting, truly

[12:00 PM] quidnose: I've gotten enough I told you so's in before questions anyway :)

[12:00 PM] MurmurTwin: Lol and thankfully I have the perspective of having both dished it out and taken it so I have a lot to reflect on

[12:01 PM] quidnose: And friendship wise I get your alliances and we are cool

[12:01 PM] quidnose: But game wise

[12:01 PM] quidnose: You took this win from me

[12:01 PM] quidnose: And I will never forgive you

[12:01 PM] MurmurTwin: Lol

[12:01 PM] MurmurTwin: You are actually helping me a lot right now!

[12:01 PM] quidnose: And I will vote you out early every single social game we play from now on  
<3

[12:01 PM] quidnose: Haha how so?

[12:02 PM] MurmurTwin: Because I feel the Exact. Same. Way. about pera that you do about me,  
except I truly believed her when she said she had my back (at least you knew not to trust me lol)

[12:03 PM] MurmurTwin: (Like her as a person but in-game quite bitter)

[12:03 PM] quidnose: Haha

[12:03 PM] quidnose: It's all good. It is just a game

[12:03 PM] quidnose: I was going to use my winnings to buy an arcade stick for my tetris setup tho

[12:03 PM] quidnose: So you know

[12:03 PM] quidnose: In terms of good tv

[12:03 PM] quidnose: You guys all fucked up the best narrative.

[12:03 PM] quidnose: :v

[12:03 PM] MurmurTwin: Lol

[12:04 PM] MurmurTwin: I wrote like a zillion words worth of confessionals this game, narrative that

[12:04 PM] quidnose: Yeah we'll see who's fan favorite~

[12:04 PM] MurmurTwin: (Many of which are going to be paaaainful to reread)

[12:04 PM] quidnose: (can't wait)

[12:05 PM] quidnose: Oh you hella missed my beautiful mind moment

[12:05 PM] quidnose: When I was on the block with Jake and hurt was the backup

[12:05 PM] quidnose: The week I won veto

[12:05 PM] quidnose: I was DESPERATELY searching for a hidden veto

[12:05 PM] quidnose: And poques bolded shit in his JUBY chirp stuff

[12:05 PM] quidnose: Said

[12:05 PM] quidnose: "calcul pm poque challenge complete"

[12:05 PM] quidnose: And I was like

[12:06 PM] quidnose: "calcul is calculate in French"

[12:06 PM] quidnose: (it's not)

[12:06 PM] MurmurTwin: Hahahahaha

[12:06 PM] quidnose: And I was like

[12:06 PM] quidnose: "... You can pull out" quelle chance! " if you anagram those

[12:06 PM] quidnose: I spent fucking a full night

[12:06 PM] quidnose: Anagramming and Google translating to french

[12:06 PM] quidnose: Which I do not speak

[12:07 PM] MurmurTwin: 

[12:07 PM] quidnose: Trying to find that veto

[12:07 PM] quidnose: Lol

[12:07 PM] MurmurTwin: That's hilaaaaarious

[12:07 PM] quidnose: There was nothing there

[12:07 PM] quidnose: But then we had an anagram challenge the day after

[12:07 PM] quidnose: And I won it

[12:07 PM] quidnose: Lol

[12:08 PM] **MurmurTwin**: Hahahaha God DAMMIT poque

[12:11 PM] **MurmurTwin**: I had a bad strategy for that challenge, I was looking at the board for all of a letter and then crossing out pairs, I did way better when I tried to look at only one font at a time

[12:16 PM] **MurmurTwin**: My anger/hurt at this is finally starting to fade a bit, thank heavens.  
Thanks you guys!

On behalf of someone who was working with cat and pera - everything they've done was just for the sake of a game and i genuinely consider everyone who played to be a friend

[12:19 PM] **MurmurTwin**: Haha wow dbd is the only person who made jury that I'm not fb friends with :3

(If he or any viewers who I like ever want to chat post game, add me! Michelle mcglinchey, My pic is me in a tree)

[12:28 PM] **Asiina**: hey I'm just catching up, but I want to say that the conversation between Jake and Prop is the exact kinda thing that's not allowed. I have no problem with you guys talking about things that actually happened in the game, and even your perspective on them, so I'm not asking you to be super objective. So saying something like "I don't respect Cat because she was mean when we were speaking privately" or "pera was nice but would always pivot away from game talk which I didn't like" is fine. But after that point where you're arguing game philosophies and whether a type of game should be more respected, that's super individual and if you feel the need to discuss it, that's best left until after the game.

[12:30 PM] **Asiina**: The point of the jury house is so you can debrief and maybe learn things about the game and the players that you may not have known from your perspective, but once you've given the information you know, it's up to the other people what they do with it, so try to leave it at that.

[12:32 PM] **Asiina**: I know it's a fuzzy line, but try to think of it as if you're saying something that someone with the same information could have a different opinion, then it's probably against the rules and you should drop it.

[12:35 PM] **jakep**: its not my fault pmach is unreasonable

[12:36 PM] **Asiina**: you're both terrible people and I hate you both

[12:36 PM] **MurmurTwin**: Lol sorry if I contributed to that! We'll be good

[12:41 PM] **Asiina**: I didn't read everything but actually your contribution of "we actually decided things democratically" is a good example because it's information that others may not have. Basically another way to think of it is ask yourself if you're sharing

something new about the game others may not know. If the answer is no, then again it's best to drop it.

[12:59 PM] **dietcoupon**: But information others may not have is... The point of jury house?

[12:59 PM] **dietcoupon**: I'll own my misbehavior

[12:59 PM] **dietcoupon**: But

[1:00 PM] **dietcoupon**: Anybody in here at all would have known if happily have voted for literally anybody but cat or mmt anyway

[1:00 PM] **dietcoupon**: \*I'd

[1:00 PM] **MurmurTwin**: I think she's saying we should share information (like objective things that happened), but not influence others (like saying who you're going to vote and why)

[1:03 PM] **Asiina**: yes I'm saying that sharing information others may not have is the point

[1:03 PM] **MurmurTwin**: Man on one hand I'm glad this day exists because Asii totally nailed that whoever came in third would be salty and probably could use some time. But on the other I know this game is going to be like the only thing I'm able to think about until it's all over.

[1:03 PM] **Asiina**: but once you've done that it's up to others to choose to do what they want with it

[1:04 PM] **dietcoupon**: "it will shock you to find how much this never happened."

[1:06 PM] **MurmurTwin**: is there a way to make discord automatically scroll down when people type new messages? it always used to do that for me and now it isn't

[1:06 PM] **MurmurTwin**: (yes that's right, I worked Helpdesk for 10+ years)

[1:52 PM] **dietcoupon**: It does for me. Did you update?

[2:03 PM] **quidnose**: Mine does too on my phone at least

[2:03 PM] **quidnose**: Also Asiina don't think Jake or pmach are gonna change their minds on that one

[2:03 PM] **quidnose**: But I can see it influencing others xD

[2:04 PM] **quidnose**: Also I am messaging you here

[2:30 PM] **MurmurTwin**: man I've written like three different jury speeches already, this is going to be a really long day

[3:15 PM] **quidnose**: <3 "s at ya mmt

[4:42 PM] **JuanCena**: Man i love an open to close shift at a restauarant only for it to be dead all day

[4:51 PM] **JuanCena**: I havent had a customer in 4 hours end me

[5:47 PM] **JuanCena**: P much

[6:11 PM] **JuanCena**: None pizza left beef yet another sa creation lost into the aether only to later be regurgitated through the birthing pod that is reddit

[6:17 PM] **DocHurt**: I only saw it on tumblr

[6:26 PM] **JuanCena**: Its about 10 years old

[6:28 PM] **Asiina**: there are no new things on the internet

[6:39 PM] **JuanCena**: None

[6:50 PM] **DocHurt**: What are you talking about Awful Brother 2 is entirely original

[6:51 PM] **quidnose**: Why weren't you this trolly all the time hurt

[7:08 PM] DocHurt: I save my snark for the jury house

[7:08 PM] DocHurt: It is kept in a pouch on my neck to be secreted at times of need

[7:14 PM] quidnose: Haha

[7:14 PM] quidnose: Hey happy Wednesday man

[7:14 PM] quidnose: And everyone else

[7:14 PM] quidnose: But teacher end of Wednesday best end of Wednesday

[7:19 PM] DocHurt: forreal

[7:19 PM] DocHurt: Nothing but the speedy descent into the weekend

[7:19 PM] DocHurt: *clinks kudos for wednesday glass with quid*

[7:20 PM] DocHurt: Is imgur fucking up for anybody else?

[7:20 PM] DocHurt: or is it just me?

[7:25 PM] quidnose: Kudos for Wednesday woo

[8:17 PM] quidnose: Ok

[8:17 PM] quidnose: Was going to cross stich my vote

[8:17 PM] quidnose: That's uh

[8:17 PM] quidnose: Very hard

[8:17 PM] quidnose: And a lot of work

[8:17 PM] quidnose: Lol

[8:19 PM] quidnose: So THAT'S not happening

[8:19 PM] quidnose: Lol

[8:20 PM] DocHurt: What's up ellaborate vote buddy

[8:20 PM] quidnose: Not anymore

[8:21 PM] MurmurTwin: wow my current jury speech is going to make tylenol look like sugar

[8:22 PM] quidnose: :3

[8:22 PM] quidnose: I think mine is ready I need to look at it again

[8:22 PM] DocHurt: Tylenol isn't sugar

[8:22 PM] DocHurt: oh no

/8:22 PM/ DocHurt: Oh god no

/8:23 PM/ DocHurt: grandma

/8:23 PM/ MurmurTwin: geesh and now doc is making fun of me for being an older female 

/8:24 PM/ quidnose: You are not old please

/8:24 PM/ quidnose: Lol

/8:24 PM/ DocHurt: Don't talk to grandma like that Quid

/8:25 PM/ MurmurTwin: yeah that was mostly tongue-in-cheek  I was the oldest player in the game, I think?

/8:25 PM/ DocHurt: Let her take this moment to fully contemplate eternity

/8:25 PM/ MurmurTwin: trust me, today feels like an eternity

/8:28 PM/ DocHurt: last week at movie night

/8:28 PM/ DocHurt: I got a cookie cake for my friends

/8:28 PM/ DocHurt: and it was just this big blue icing

/8:28 PM/ DocHurt: And my friends kept asking what the message was

/8:28 PM/ DocHurt: so I told them it was just "embrace nothingness"

/8:29 PM/ quidnose: Lolol

/8:29 PM/ quidnose: What did you watch

/8:34 PM/ DocHurt: We watched the Girl Who Leapt Through Time

/8:34 PM/ DocHurt: I won't say it's the best animated film. But I have a soft spot for melancholly/dumb time travel stories

/8:41 PM/ DocHurt: I swear we watch like... legit movies as well. We just wanted light fare for September. . .

/8:55 PM/ quidnose: Haha nice

/8:55 PM/ quidnose: I still need to watch that

/9:18 PM/ JuanCena: I need to start so much

/9:19 PM/ JuanCena: True detective season one, mr robot, thats the end of the list

/10:04 PM/ dietcoupon: I need to finish Mr robot

/10:14 PM/ Asiina: Posted the rules and the order for the finale

[10:14 PM] Asiina: if you think the order will be a problem for you let me know asap

[11:39 PM] quidnose: I have a problem with the finale

[11:39 PM] quidnose: In that

[11:39 PM] quidnose: I am not in it

[11:39 PM] quidnose: Please fix thanks

[11:39 PM] quidnose: :v

[11:40 PM] dietcoupon: Did somebody say something?

[11:40 PM] dietcoupon: .... Probably just the wind, I guess

[11:40 PM] quidnose: Hurm

[11:57 PM] quidnose: oh my gosh

[11:57 PM] quidnose: @MurmurTwin

[11:57 PM] quidnose: @dietcoupon

[11:57 PM] quidnose: you don't even iknow

[11:57 PM] quidnose: i didn't tell you about my like

[11:57 PM] quidnose: proudest "quidnose has no idea what is going on" fabrication of the game xD

[11:57 PM] dietcoupon: Oh?

[11:57 PM] quidnose: maybe MMT does, Pmach won't

[11:57 PM] quidnose: so after you got voted out

[11:57 PM] quidnose: and the whole pera meeting went down

[11:58 PM] quidnose: i was having to like

[11:58 PM] quidnose: damage control myself back into good graces

[11:58 PM] quidnose: because i definitely had a hand in that going down

[11:58 PM] quidnose: but i didn't want to look like i had TOO much of a hand

[11:58 PM] quidnose: so i went to clear the air with pera

[11:58 PM] quidnose: and over the course of talking to her about it i also floated that i had no idea why MMT was being all cold shoulder

[11:59 PM] quidnose: and ultimately i came up with

[11:59 PM] quidnose: "holy"

[11:59 PM] quidnose: "SHIT"

[11:59 PM] quidnose: "what if pmach and MMT were aligned"

[11:59 PM] quidnose: "and the whole plan was for MMT to get me and jake and dbd to split the vote"

[11:59 PM] quidnose: "so that MMT could get out hurt easily"

[11:59 PM] quidnose: "by being the tie breaker"

[11:59 PM] quidnose: "and we fucked it up by not voting the way MMT wanted us to"

[11:59 PM] quidnose: it was such a convincing leap of logic i had a hard time remembering it wasn't what happened lolol

September 15, 2016

[12:00 AM] dietcoupon: Oh god xD

[12:01 AM] quidnose: i will post that chatlog after

[12:01 AM] quidnose: i tried to submit it as a confessional but it was too long xD

[12:45 AM] MurmurTwin: hahaha what the

[12:48 AM] MurmurTwin: I knew you were guilty lol

for what it's worth, pera spent that entire time telling me that the cold shoulder was freaking you out and finding it hilarious

[12:50 AM] quidnose: i knew YOU were guilty ☐

[12:50 AM] MurmurTwin: fair enough!

[12:51 AM] MurmurTwin: so now that there's no reason not share things - you're in a couple of confessionals of mine in a row

[12:56 AM] MurmurTwin: Since our alignments are now confirmed anyways, here's what you can expect my narrative of you to sound like in confessionals ☐ :

I go from "I'm gonna align with jake and quid!" to "PMach? What's going on?" to "holy shit, Quid was actively against me the whole time" to "ha, pera says quid is freaking out because I won't talk to him but screw him, I'm voting him out asap" to "ah fuck I just talked to Quid, apparently he didn't trust me either and that's why he did what he did"

...and then I kind of realized that it's strategically better for me to not get to know you better, because liking you would only make it harder to vote you out. And

then finally, "fuck it, I can't not be myself, Quid is cool and I like him and I hope we're friends after the game"

[12:56 AM] quidnose: bahahahahaha

[12:56 AM] quidnose: still voted me out, jerk ☐

[1:07 AM] MurmurTwin: haha for what it's worth, here's my best attempt to explain from my point of view (and I acknowledge that you probably won't see this from my eyes 100% but I hope you can tell it's honest)

like I made an alliance really early on with cat and pera, and we had so many tests of trust (me not nominating pera, cat vetoing me to backdoor cena, me feeding what was going on in pera's HOH room to cat/hurt (sorry lol), me and cat keeping pera over quid) where we kept coming through for each other. Almost every game call we made was done after long conversations with each other, and they were made with all of our best interests at heart. And when you make an alliance, if you're being genuine, it means that you're making a formal agreement to make everyone else lose first.

Like in the real world, that's like my primary core value - I believe really strongly that forming close, genuine bonds with as many people as possible leads to a rewarding life. When it came down to it I just didn't feel like I could sleep at night if I decided to break up the teamwork we had been building up the whole time, just for the sake of a game.

(note - around week 7, me and pera formed my only F2 of the game [besides Jake which, sadly, came way too late for me to be able to honor], and within that F3 pera and I built up what I felt was an extremely tight f2 agreement. So apparently I still have a thing or two to learn about trust)

[1:09 AM] quidnose: totally get it

[1:10 AM] MurmurTwin: appreciate it! and lol that's like the abridged version, I was having a shitty RL couple of weeks during the game and so I kind of used writing confessionals as a distraction

[1:11 AM] quidnose: for sure ☐

[1:11 AM] quidnose: i do totally understand where you are coming from, MMT

[1:11 AM] quidnose: i just

[1:11 AM] quidnose: will never forgive you

[1:11 AM] quidnose: i will never, ever

[1:11 AM] MurmurTwin: wanted to win! trust me I get that lol

[1:11 AM] quidnose: be this close to winning again

[1:12 AM] quidnose: nah it's not even that

[1:12 AM] quidnose: i played a near perfect social game from my perspective

[1:12 AM] quidnose: and everyone's gonna see that now

[1:12 AM] quidnose: so i don't think i will ever get that close to winning one of these again

[1:12 AM] quidnose: THIS WAS MY ONE SHOT AND YOU TOOK IT

[1:12 AM] quidnose: JUST LIKE HAMILTON

[1:12 AM] quidnose: i also blame pera lol

[1:12 AM] MurmurTwin: I would argue that playing a near-perfect social game is a flawed strategy, because you will be targetted for it

[1:12 AM] quidnose: was i, though

[1:12 AM] MurmurTwin: that's happened to Power of Pecota every time I've played survivor with him lol

[1:12 AM] quidnose: was i :v

[1:13 AM] quidnose: i'm just mad i lost that fucking veto comp

[1:13 AM] quidnose: i dunno, it woulda been hard for me to win the f3

[1:13 AM] quidnose: i think pera might have dumped me there

[1:13 AM] quidnose: really depends on how much she wanted to bring someone she was certain she'd slay

[1:13 AM] quidnose: and she told me

[1:13 AM] MurmurTwin: haha I'm insanely good at trivia when the trivia is about people I know / things I'm interested in

[1:13 AM] quidnose: "i beat you handily"

[1:13 AM] quidnose: i had two i totally fucked up that i shouldn't have

[1:13 AM] quidnose: the first was "3 people thought quid wasn't going to make it this far"

[1:13 AM] quidnose: shoudl have known chillhaus knew what i was about

[1:13 AM] quidnose: i don't remember what the other one was, it was early

[1:16 AM] MurmurTwin: I dunno if you got the memo but I've upgraded from "awful" to merely "bad" at the challenges overall, lol

[1:17 AM] **dietcoupon**: You...won a lot, though?

[1:20 AM] **MurmurTwin**: I think three\*? Uhh clicker monsters, the veto one where everyone answers a question, and the jury trivia one, And a case could be argued for QWOP (but in general I really hate arguing over rules and didn't really want to win HOH on a technicality)

[1:21 AM] **MurmurTwin**: But I guess that's better than bad

[1:21 AM] **quidnose**: i won

[1:21 AM] **quidnose**: one.

[1:21 AM] **quidnose**: lol

[1:21 AM] **MurmurTwin**: the puzzles and any flash game that involves manual dexterity were the two classes of puzzle I couldn't do

[1:23 AM] **dietcoupon**: you came really close with qwop

[1:23 AM] **dietcoupon**: an hero

[1:24 AM] **MurmurTwin**: whenever qwop comes up in an AS game I used to go through a little phase where I tried to get good at it

[1:25 AM] **dietcoupon**: i humped the track

[1:25 AM] **MurmurTwin**: just as like a high "derf derf i'm high, why not" thing

[1:25 AM] **dietcoupon**: and humped my way past the hurdle somehow

[1:25 AM] **quidnose**: i got to the hurdle and couldn't hump my way past it

[1:25 AM] **quidnose**: fucking hurdle

[1:25 AM] **dietcoupon**: so i would have kind of barely crossed the finish if i'd maintained concentration

[1:25 AM] **quidnose**: fucking qwop

[1:25 AM] **quidnose**: i hate that game

[1:25 AM] **MurmurTwin**: hahaha yeah I never run, I do like the one-knee shuffle

[1:30 AM] **quidnose**: my girlfriend and i are discussing how alexis bleidel has been absolutely terrible in everything but gilmore girls that she's been in

[1:30 AM] **quidnose**: and she linked me this list

## Ten Actors We Wish Were More Talented Than They Are

Why do we like certain actors? Oh so many reasons. There are those who can give a charming interview, those who share our nerdy or hipstery pursuits, those who can write a wicked tweet or those so scintillatingly sexy they...

[1:30 AM] quidnose: and it's FUCKING FUNNY

[1:30 AM] quidnose: lol

[1:32 AM] dietcoupon: i disagree with 2/3 of the whedon entry

[1:32 AM] dietcoupon: SMG is a decent actress (cruel intentions, eh?), and dushku was horrible in everything, including and especially dollhouse but also buffy

[1:33 AM] dietcoupon: she was almost decent in bring it on playing the person she wishes she was, but that's a silly movie and buffy wasn't a good place for such a one-note

[1:33 AM] quidnose: i haven't seen much beyond a few parts of the first season of buffy

[1:33 AM] quidnose: and i've never seen dollhouse

[1:33 AM] quidnose: i kinda gave up on whedon lol

[1:33 AM] dietcoupon: i think dushku comes in...season 3?

[1:33 AM] **quidnose**: when dollhouse came out i was just like "oh cool another whedon series that won't last more than 2 seasons"

[1:34 AM] **dietcoupon**: it was lucky to get that many

[1:34 AM] **dietcoupon**: but yeah

[1:34 AM] **quidnose**: then he started writing comic movies and i was like OH FUCK YES

[1:34 AM] **dietcoupon**: eliza dushku makes her own production company so she can show of her lol dramatic lol range lol

[1:34 AM] **dietcoupon**: avengers was so good

[1:35 AM] **dietcoupon**: "For those of you who somehow avoided getting sucked into "The O.C.," congratulations. You win. You're better than me. Scroll on down. "

[1:35 AM] **dietcoupon**: this is great

[1:35 AM] **quidnose**: did you get to the garcia entry yet

[1:35 AM] **quidnose**: lol

[1:35 AM] **dietcoupon**: i watched the ending of season 2 for context for Dear Sister

[1:35 AM] **dietcoupon**: i have seen 5 minutes of a bad show then. i am okay with this

[1:36 AM] **dietcoupon**: bahahaha xD

[1:36 AM] **quidnose**: also DUDE

[1:36 AM] **quidnose**: downloading this RIGHT NOW

[1:36 AM] **quidnose**: [https://en.wikipedia.org/wiki/Strange\\_Luck](https://en.wikipedia.org/wiki/Strange_Luck)

### Strange Luck

Strange Luck is an American television series that aired on FOX, created by Karl Schaefer and starring D. B. Sweeney in the role of Chance Harper, a freelance photographer afflicted with a bizarre tendency to always be in the wrong place at the right time. As Chance himself says, "If I go to a restaurant, somebody chokes. If I walk into a bank, it gets robbed." Harper's strange luck began when, as a small child, he was the sole survivor of a plane crash that killed everyone else aboard, including his mother...

[1:36 AM] **quidnose**: fucking LOVED that show as a kid

[1:36 AM] **quidnose**: you know what else was really good that i never watched all of and probably should but feel like it's gonna take FOREVER

[1:36 AM] **quidnose**: The Pretender

[1:37 AM] quidnose: same with Early Edition

[1:37 AM] quidnose: but i care less about that

[1:37 AM] quidnose: so i'm just gonna read what happened to that one

[1:37 AM] quidnose: but Pretender I kinda wanna see the whole arc

[1:37 AM] quidnose: of the 4 season

[1:37 AM] quidnose: - \_\_\_\_

[1:37 AM] quidnose: too many tv

[1:37 AM] quidnose: i still haven't even fucking watched Twin Peaks

[1:39 AM] quidnose: yeah

[1:39 AM] dietcoupon: me either

[1:39 AM] quidnose: that was worth just reading about

[1:39 AM] quidnose: lolol

[1:39 AM] dietcoupon: also holy shit, this entire website is good

[1:39 AM] quidnose: is it? lol

[1:39 AM] quidnose: i only looked at the one article

[1:39 AM] dietcoupon: this is the previous article:

[1:39 AM] **JuanCena:** qwop took me 4 months to get good at

[1:39 AM] **quidnose:** or did you mean wikipedia

[1:39 AM] **quidnose:** because wikipedia is p. good yes

[1:39 AM] **dietcoupon:** :v

[1:39 AM] **JuanCena:** every season of every game should have qwop, so i can win at it

[1:40 AM] **JuanCena:** i am bad at 100% of everything else

[1:40 AM] **quidnose:** you are not bad at creating fake drama :v

[1:44 AM] **quidnose:** in regards to the power of veto

[1:44 AM] **quidnose:** sorry that was rude lolol

[1:44 AM] **quidnose:** came off the wrong way

[1:44 AM] **quidnose:** asiina

[1:44 AM] **quidnose:** eh nvm i'll save it for tomorrow

[1:45 AM] **MurmurTwin:** hahaha I was afk (at my job fixing a camera in center field) when cena played the veto, and I came back when the challenge was going on (lol quid) so I didn't go back

[1:45 AM] **MurmurTwin:** and then when I went back and read I saw cena play that and was super confused

[1:45 AM] **quidnose:** yeah that's my other greatest fuckup this game

[1:45 AM] **quidnose:** should have just knocked you out

[1:46 AM] **MurmurTwin:** oh haha I think I potentially could have won that one, when I saw it was down to me v. pera I didn't try to answer the last question

[1:46 AM] **MurmurTwin**: but I didn't really apply any skill to get to that point so that's a wash lol

[1:47 AM] **MurmurTwin**: man though if I won that I could claim relative strength in trivia comps, that's something

[1:47 AM] **quidnose**: yeah i also kinad played myself on that one

[1:47 AM] **quidnose**: eh maybe not really

[1:47 AM] **quidnose**: 

[1:47 AM] **quidnose**: ANYWAY

[1:47 AM] **quidnose**: what's done is done.

[1:50 AM] **JuanCena**: the fake pov was just me doin team tv stuff

[1:50 AM] **quidnose**: yeah man~

[1:50 AM] **JuanCena**: i told hurt jake and dbd about it to get em hype

[1:50 AM] **JuanCena**: d

[1:50 AM] **JuanCena**: i didnt tell anyone it was a fake lol

[1:50 AM] **JuanCena**: i wanted legitimate reactions

[1:51 AM] **JuanCena**: i was also hoping that a bunch of people hadnt voted yet, in a gambit, woulda saw it, panicked, and voted jake

[1:51 AM] **JuanCena**: but it was after the vote cutoff womp womp

[1:52 AM] **quidnose**: womp womp

[1:52 AM] **quidnose**: we discussed it lol

[1:52 AM] **quidnose**: i told hurt a little too late it was possible you had lied about what you got and how it worked

[1:52 AM] **quidnose**: i thought my final boss comment was pretty good though lolol

[1:52 AM] **quidnose**: (i'm really very self centered in these games sorry guys)

[1:53 AM] **JuanCena**: ya

[1:53 AM] **JuanCena**: u are

[1:55 AM] **quidnose**: because she spent all game telling pera she was going to mufasa her the first chance she took

[1:55 AM] **JuanCena**: thats what got dan gheesling a 1-8 loss

[1:55 AM] quidnose: true

[1:56 AM] quidnose: the next time i do one of these i will have to do a completely different strategy

[1:56 AM] quidnose: but this was fun and it almost worked~

[1:56 AM] quidnose: i was unfortunately too sneaky for my own good

[1:56 AM] quidnose: because it did make pera and mmt feel it was easy to dump me in spite of the work i had done to really show them cat was the right choice

[1:56 AM] quidnose: and if i had been tighter there

[1:56 AM] quidnose: could have gone differently

[1:56 AM] JuanCena: i think alliance lines were a bigger deal there

[1:56 AM] quidnose: but i needed them all in the dark about waht i was actually doing to get the surprise vote

[1:57 AM] JuanCena: i also think, and this is my perspective because it did kinda contribute to me losing the game

[1:57 AM] JuanCena: people should remember this isnt a tribal type game

[1:57 AM] quidnose: yeah

[1:57 AM] JuanCena: its not blasphemy to betray an alliance

[1:57 AM] quidnose: eh, i just don't get an alliance at final 4 at all

[1:57 AM] quidnose: like, i see exactly what MMT is saying

[1:57 AM] quidnose: but her following that logic got her here

[1:57 AM] quidnose: (love you MMT no offense)

[1:57 AM] JuanCena: no

[1:57 AM] JuanCena: peramene voting her out got her there

[1:57 AM] quidnose: right, but that's because she was holding too tight to what final 3 meant

[1:58 AM] quidnose: well i guess the final 2 lie didn't help

[1:58 AM] quidnose: 

[1:58 AM] MurmurTwin: hahaha goddammit discord doesn't scroll down when there's new messages so I keep missing convos thinking no one is talking

[1:58 AM] quidnose: you haven't missed that much yet xD

[1:58 AM] **JuanCena:** i prefer slack for that

[1:58 AM] **JuanCena:** idk

[1:58 AM] **quidnose:** easy to catch up with i mean

[1:58 AM] **JuanCena:** its a weird state because i feel mmt played about as good of a strategic game to get to the end as she could

[1:58 AM] **JuanCena:** taking comp wins out of the equation

[1:58 AM] **quidnose:** i think she does better in making it to final 2 with me and pera, personally

[1:59 AM] **quidnose:** because of the potential for pera to dump me at f3

[1:59 AM] **JuanCena:** no i think pera still smokes her lol

[1:59 AM] **JuanCena:** no offense mmt

[1:59 AM] **quidnose:** very possible

[1:59 AM] **quidnose:** she made f2 deals with both of us, for sure

[1:59 AM] **MurmurTwin:** from where I sat, pera was 100% going to bring me, and if cat won I felt like I could have proven that pera was trying to cut her at 4 and that she was there at least partially because of how hard I fought for her

I really thought I was good for the finals! Like I wasn't confident in winning the challenge but thought I was set up rather well

[1:59 AM] **quidnose:** she told me 100% she was taking me to final 2 because she felt she beat me heandily

[1:59 AM] **JuanCena:** yeah

[1:59 AM] **quidnose:** they played us on our complacency pretty good

[1:59 AM] **quidnose:** that's what we have in common

[1:59 AM] **quidnose:** pera and i were like

[1:59 AM] **quidnose:** "if you win, cat's gone"

[1:59 AM] **quidnose:** "if i win, cat's gone"

[2:00 AM] **quidnose:** "and mmt will get rid of her"

[2:00 AM] **quidnose:** which is, again

[2:00 AM] **quidnose:** why i told you

[2:00 AM] **quidnose:** you were making a mistake

[2:00 AM] **JuanCena**: mmt honest q

[2:00 AM] **quidnose**: not getting rid of her

[2:00 AM] **JuanCena**: did you throw

[2:00 AM] **quidnose**: lol

[2:00 AM] **JuanCena**: final 3

[2:00 AM] **MurmurTwin**: she told me everything (I think) she was telling you - which was part of the reason I was so adamantly against you in f3 (I knew 100% you'd take her, I felt reasonably strongly cat would take me)

[2:00 AM] **quidnose**: i would have taken her, yeah.

[2:00 AM] **quidnose**: because i think i beat pera :v

[2:01 AM] **MurmurTwin**: for final jury I truly believe that FTC wins or loses the game and that you can't just predict jury votes

[2:01 AM] **quidnose**: i think i beat any of you but she was my only option at that point

[2:01 AM] **quidnose**: putting her in jury was removing her from voting for me

[2:01 AM] **quidnose**: i needed 1

[2:01 AM] **JuanCena**: yeah finals are gonna come down to questions

[2:01 AM] **JuanCena**: cats never made it to the end before, pera did once and refused to own her moves

[2:01 AM] **MurmurTwin**: like people are complex, I don't think you can safely just base moves on jury predictions because it's really hard to know what people are actually thinking

[2:01 AM] **quidnose**: i mean

[2:01 AM] **quidnose**: i would agree with you

[2:01 AM] **quidnose**: except i honored the chill every step of the game

[2:01 AM] **quidnose**: i mean

[2:02 AM] **quidnose**: [@DocHurt](#) [@Sabayon](#) [@dietcoupon](#) is there anything i did that didn't make you want to vote for me:?

[2:02 AM] **dietcoupon**: not really!

[2:02 AM] **JuanCena**: no they were cheering you on

[2:02 AM] **JuanCena**: the entire time

[2:02 AM] **quidnose:** see

[2:02 AM] **quidnose:** only needed 1.

[2:02 AM] **quidnose:** she dumps cat f3, think that's my 1

[2:02 AM] **quidnose:** but who knows

[2:02 AM] **quidnose:** have to ask alternate timeline quid how that worked out

[2:02 AM] **quidnose:** lol

[2:02 AM] **JuanCena:** ya tho

[2:02 AM] **JuanCena:** mmt

[2:02 AM] **JuanCena:** did you throw the f3 challenge

[2:02 AM] **JuanCena:** just curious

[2:03 AM] **JuanCena:** cuz i know a lot of people make that move when they think its safer to not have to put themselves in the spot to pull the trigger

[2:03 AM] **JuanCena:** hatch, dan, derrick, will, etc

[2:03 AM] **JuanCena:** long list

[2:04 AM] **MurmurTwin:** naaah not at all! against most opponents I feel like I put up competitive scores in both parts I played in (cat beat me by 3m in part 2 and I never ever play steam/flash games)

[2:04 AM] **JuanCena:** i was thinking that from my game perspective, if i made it to the end with pmach and hurt, i was 40% throwing

[2:04 AM] **JuanCena:** but 60% of me

[2:04 AM] **MurmurTwin:** to be honest

[2:04 AM] **JuanCena:** remembers what happened the last time i threw

[2:04 AM] **MurmurTwin:** I really wanted to fight pera in F2, I was trying my hardest to help increase our odds of that

[2:05 AM] **MurmurTwin:** which again - made what ended up happening sting a little more

[2:05 AM] **JuanCena:** yea

[2:05 AM] **MurmurTwin:** like at no point ever was I considering matchups or anything like that

[2:05 AM] **JuanCena:** judging from how hard cat was fighting i dont think she threw either

[2:06 AM] **MurmurTwin:** I think I said it to quid but if you played a winning game, you'll beat whoever you're up against

[2:06 AM] **MurmurTwin:** (at least imo)

[2:06 AM] **JuanCena:** thats possible ya

[2:06 AM] **JuanCena:** sometimes i think a player is just fucked tho

[2:06 AM] **JuanCena:** see aubry from survivor

[2:06 AM] **JuanCena:** there was nothing, not a thing she could have done, to make the jury endear her

[2:06 AM] **MurmurTwin:** like me cat and pera all pretty much made moves as a group so in my eyes it's a crap shoot to predict who thinks what about who

[2:07 AM] **JuanCena:** yeah

[2:07 AM] **MurmurTwin:** hahah poor aubry, i liked her

[2:07 AM] **JuanCena:** yeah

[2:07 AM] **JuanCena:** shes a good egg

[2:07 AM] **MurmurTwin:** oh that's right, I couldn't remember who ended up winning that season

[2:07 AM] **JuanCena:** got a raw jury, one of the very very few ones

[2:07 AM] **MurmurTwin:** it was the boring girl who shares my name

[2:07 AM] **JuanCena:** u have extra l

[2:08 AM] **MurmurTwin:** nah, that was more in my music festival days :lsl:

[2:08 AM] **MurmurTwin:** ...sorry, hippie humor. yeah, I'm looking forward to the next season

[2:08 AM] **JuanCena:** i kinda am too

[2:09 AM] **JuanCena:** man tho

[2:09 AM] **JuanCena:** that hoh twist fucking sucked

[2:09 AM] **MurmurTwin:** I'm in a betting pool on the next season where everyone paid :10bux: and was assigned someone, I got a young girl named "Figgy" or something who I like based on a single picture / short bio

[2:09 AM] **JuanCena:** like i felt it actively undid the purpose of what an hoh is supposed to be able to do

[2:09 AM] **JuanCena:** it didnt even feel like a double edged sword it just felt like it furthered anti-gameplay

[2:10 AM] **JuanCena:** im doin a similar thing with people on a zelda board i post on

[2:10 AM] **JuanCena:** i have will the 18 year old

[2:10 AM] **Sabayon:** @quidnose ur face

[2:10 AM] **quidnose:** hoho

[2:10 AM] **quidnose:** get bent DBD~

[2:10 AM] **quidnose:** 

[2:10 AM] **Sabayon:** 

[2:10 AM] **quidnose:** did you think i betrayed you

[2:10 AM] **MurmurTwin:** I dunno, I thought my HOH week was really exciting and fun (because it gave me a chance to interact with jake and quid in a way I don't think I would have without it)

you needed to nominate more polarizing pairs of people cena 

[2:10 AM] **quidnose:** before hurt got in

[2:10 AM] **Sabayon:** no

[2:10 AM] **JuanCena:** i did

[2:10 AM] **JuanCena:** week 1 was meant to be a wash

[2:11 AM] **JuanCena:** also i was given it

[2:11 AM] **JuanCena:** i didnt win it

[2:11 AM] **JuanCena:** everyone keeps conveniently forgetting that

[2:11 AM] **quidnose:** there are so many things i'd love to do differently if i did this game again 

[2:11 AM] **quidnose:** but that's the whole point, isn't it

[2:11 AM] **JuanCena:** i put up two people who made it to the end, one of whom had been talking about targeting me

[2:12 AM] **JuanCena:** you werent targeting me from our agreement so i didnt want to put you up even though i knew you were a threat

[2:12 AM] **MurmurTwin:** I've said it before and I'll say it again - I play one of these per year and it's always an immersive / fun / social experience and I'll keep doing them as long as people run them

[2:13 AM] **MurmurTwin**: haha cena did I ever tell you about the 7th/1st thing? Between AS1, AS4, PopCon, AS9 I came in 7th, 1st, 7th, 1st.

I came in 7th whenever we were in a game together and won whenever you modded, lol

[2:13 AM] **dietcoupon**: oooh, creepy

[2:14 AM] **quidnose**: i was on the jury for AS1 and i don't even remmeber it

[2:14 AM] **quidnose**: i wasn't anywhere near it for PI

[2:14 AM] **JuanCena**: thats better than my 5 curse

[2:14 AM] **JuanCena**: which i broke here

[2:14 AM] **quidnose**: i also completely fucking stopped reading that game because i was so mad to be the first evil person ousted

[2:14 AM] **quidnose**: but i was also a MAJOR rules dick in that (sorry cena)

[2:14 AM] **quidnose**: so it was deserved. i made a big ole stink

[2:14 AM] **quidnose**: and not a calculated one like with DBD this time ☐

[2:14 AM] **MurmurTwin**: oh yeah I mean coming in 7th here would have been a bummer but at least I'd be optimistic for whatever the next one of these I play in is, lol

[2:14 AM] **JuanCena**: i just missed jury by like one tribal council

[2:14 AM] **JuanCena**: ☐

[2:14 AM] **quidnose**: worked otu though

[2:15 AM] **quidnose**: cause you wouldn't have been able to run the ending

[2:15 AM] **dietcoupon**: with the extra vote curse

[2:15 AM] **quidnose**: lol

[2:15 AM] **JuanCena**: not really i didnt get to play for 3 years

[2:15 AM] **quidnose**: oh lol

[2:15 AM] **quidnose**: true :C

[2:15 AM] **MurmurTwin**: I actually figured that Quid/DBD might have bonded over being in cattribe back in as:pi, I had that thought and then dismissed it

[2:16 AM] **dietcoupon**: quid, who was the major driving force in creating chill?

[2:17 AM] MurmurTwin: Man I actively didn't want to go against Cena just because I felt like I was against him the first two times and I felt like three would make me a jerk (and the way it ended up this game it was basically me or him so sorry not sorry lol)

[2:17 AM] quidnose: @dietcoupon hurt

[2:17 AM] quidnose: i don't think you were in here when i said this MMT

[2:17 AM] quidnose: if hurt hadn't approached me when he did about chillhaus

[2:17 AM] quidnose: i would have aligned with you

[2:17 AM] JuanCena: u went after my alliance and then me

[2:17 AM] quidnose: could have been a very different game~

[2:17 AM] JuanCena: like 60% a jerk

[2:18 AM] quidnose: also i didn't remember DBD was in that lol sorry DBD

[2:18 AM] JuanCena: eh

[2:18 AM] JuanCena: 20%

[2:18 AM] MurmurTwin: well I can't just like not go against your entire alliance if I'm not in it ☐

[2:18 AM] JuanCena: ya

[2:18 AM] Sabayon: wait im lost in what

[2:18 AM] JuanCena: but u could also

[2:18 AM] JuanCena: lay down and die

[2:18 AM] JuanCena: :3

[2:18 AM] MurmurTwin: lol

[2:18 AM] JuanCena: and let us win????

[2:19 AM] JuanCena: nah you did what you had to do

[2:19 AM] quidnose: @Sabayon pet island survivor

[2:19 AM] JuanCena: im just glad you guys convinced cat to not put me up week 5

[2:20 AM] JuanCena: i think i literally would have just crumpled

[2:20 AM] JuanCena: like in a this isnt fun anymore type of way

[2:20 AM] **MurmurTwin**: like for serious, I legitimately like everyone playing so I did my best to not let that rule my choices (and ironically, lost because I felt my friendship was correctly informing my choices when it wasn't)

[2:21 AM] **Sabayon**: u dont remember me making the whole legion of doom and being really salty at losing @ a spot in the finals because the score reset

[2:21 AM] **Sabayon**: damn quid that hurts

[2:21 AM] **JuanCena**: yea

[2:21 AM] **JuanCena**: thats why i was always wanting to work with you dbd

[2:21 AM] **quidnose**: were you the driving force behind that

[2:21 AM] **JuanCena**: i knew you were a good player

[2:21 AM] **quidnose**: i was so clueless in that

[2:21 AM] **MurmurTwin**: for what it's worth I very much remembered your role in pet island dbd :3

[2:21 AM] **quidnose**: i remember the legion of doom thing kinda just happening all around me

[2:21 AM] **quidnose**: and then the score reset and i was a major dick in thread about it

[2:22 AM] **JuanCena**: i remembered you and syrg's alliance from SAS

[2:22 AM] **quidnose**: and then i got voted out and was pissed and stopped following the thread completely until finals

[2:22 AM] **JuanCena**: running joke nobody remembers SAS

[2:22 AM] **Sabayon**: ty MMT :3

[2:22 AM] **JuanCena**: aka the season hulkamatt came very close to winning

[2:22 AM] **JuanCena**: despite knowin 0% about survivor

[2:22 AM] **MurmurTwin**: haha Poque sending me an HOH letter with images from Pet Island literally had enough sway on me to want to align with DBD (because I remembered how that all ended)

[2:22 AM] **Sabayon**: yeah idk you were part of ourlod but you werent very active i think and everybody wanted to vote you out first even though i liked ya so i had to go with them

[2:23 AM] **MurmurTwin**: And I remembered that my survival there was literally because DBD recruited me and poque when we were all alone

[2:23 AM] **JuanCena**: yea last 2 dogs

[2:23 AM] Sabayon: good guy dbd

[2:24 AM] Sabayon: i was kinda sat that was the only survivor to that point that had 2 finalists instead of 3

[2:24 AM] Sabayon: sad

[2:24 AM] Sabayon: or maybe another one did

[2:24 AM] JuanCena: rawest of deals that season though

[2:24 AM] quidnose: i never fucking got a letter from home :C

[2:24 AM] JuanCena: IMO

[2:24 AM] JuanCena: goes to pinterest mom

[2:24 AM] quidnose: am i the only person who was enver HoH in this room

[2:24 AM] JuanCena: gets idol'd out

[2:24 AM] quidnose: pmach too right

[2:24 AM] quidnose: oh and dbd

[2:24 AM] quidnose: lol

[2:24 AM] Sabayon: yea

[2:24 AM] MurmurTwin: but I stupidly assumed that because I didn't hear anything from DBD (or jake or quid) that they weren't doing anything and would just be sitting at the phone hoping I'd offer them an alliance

I'm still kind of cracking up at how in-my-own-head that whole thought process was

[2:24 AM] JuanCena: and then in redemption, loses because mouth won a comp that let him give one of the redemption players an extra 30 points

[2:24 AM] JuanCena: which was juuuuuuuuuust enough to have matt eke past him

[2:24 AM] quidnose: DBD that is an accurate representation of my participation

[2:24 AM] MurmurTwin: hahahaha oh man I was a shaaady fuck in dogtribe

[2:24 AM] quidnose: i wasn't even supposed to be there

[2:24 AM] quidnose: cena messaged me

[2:25 AM] quidnose: "someone dropped out you want in? you were fun"

[2:25 AM] quidnose: i was like "what? i was?"

[2:25 AM] quidnose: lol

[2:25 AM] JuanCena: i thought u were

[2:25 AM] quidnose: :3

[2:25 AM] JuanCena: moreso than like

[2:25 AM] quidnose: now you see how self centered i am and you are full of regrets

[2:25 AM] JuanCena: merk

[2:25 AM] JuanCena: or yuming

[2:25 AM] quidnose: YUMING IS A TRAITOR

[2:25 AM] JuanCena: man i had baaaaaaaaaad feelings about bringing in yuming for the anime season

[2:25 AM] Sabayon: im gonna run a MTV The Challenge Goon game

[2:25 AM] JuanCena: i didnt wanna do it

[2:26 AM] Sabayon: and rules are you have to get super fucked up

[2:26 AM] Sabayon: before every challenge

[2:26 AM] JuanCena: dang im out

[2:26 AM] quidnose: lol I'M IN

[2:26 AM] quidnose: only if they are friday or saturday night challenges every time

[2:26 AM] JuanCena: they will be sunday night and wednesday night

[2:26 AM] MurmurTwin: a reality show game with substances? doesn't sound like my kind of thing, pass

[2:26 AM] Sabayon: lmao

[2:26 AM] quidnose: lool

[2:26 AM] Sabayon: nah that would be too much effort

[2:26 AM] quidnose: was yuming bad in anime, cena?

[2:26 AM] JuanCena: uh ya

[2:26 AM] JuanCena: she quit

[2:26 AM] quidnose: aww sad

[2:26 AM] JuanCena: super dramatically

[2:26 AM] **quidnose**: really?????

[2:26 AM] **quidnose**: link that shit

[2:26 AM] **quidnose**: lololol

[2:26 AM] **Sabayon**: i tried to do genius 2 for a lil whne asiina said she was going to take a break with it til next year

[2:27 AM] **JuanCena**: because mills was cheating

[2:27 AM] **Sabayon**: seems like too much work though

[2:27 AM] **JuanCena**: and then trying to bribe

[2:27 AM] **Sabayon**: sucks cause ive gathered like 10 really cool challenges that arent really like we're used to in these sort of games

[2:27 AM] **quidnose**: is this the first game where people ahven't tried to skirt the rules at all, lol

[2:27 AM] **quidnose**: i will say this was a REALLY great group of people to play with

[2:27 AM] **dietcoupon**: :3

[2:28 AM] **JuanCena**:

<http://forums.somethingawful.com/showthread.php?threadid=3650423&pagenumber=108#post433165474>

AWFUL SURVIVOR ADTRW: John Cena's Bizarre Adventure

[2:28 AM] **quidnose**: like i totally mean it when i say i hope we all chill in a BB2 alumni discord room for a long time

[2:28 AM] **MurmurTwin**: hahaha oh man I would love to play in The Genius because my skillset is so lopsided

[2:28 AM] **quidnose**: playing mafia with you guys is going to be an interesting experience moving forward

[2:28 AM] **JuanCena**: i also got the only pandoras box

[2:28 AM] **JuanCena**: which felt weird

[2:28 AM] **quidnose**: here?

[2:28 AM] **JuanCena**: as far as i know anyway

[2:28 AM] **JuanCena**: yeah

[2:28 AM] **quidnose**: nah there were more

[2:28 AM] **JuanCena**: people just didnt take em?

[2:28 AM] MurmurTwin: there were 3 I think

[2:28 AM] quidnose: pera got the one that ended the HoH embargo and pulled in DBD to put him in the blindside

[2:28 AM] quidnose: what was the other one

[2:28 AM] MurmurTwin: cat had one she didn't open in her last hoh (like week 10?)

[2:28 AM] quidnose: WHAT

[2:28 AM] MurmurTwin: and pera got the one that brought in jake

[2:28 AM] quidnose: fucking cat

[2:28 AM] quidnose: i wanna know what was in that now

[2:29 AM] MurmurTwin: we were winning, why fuck it up? lol

[2:29 AM] quidnose: mmt you have no fucking idea how much i wanted a box to bring Pmach back

[2:29 AM] quidnose: reunite the chillhaus

[2:29 AM] quidnose: and take all you motherfuckers down

[2:29 AM] quidnose: CALCUL PM POQUE CHALLENGE COMPLETE

[2:29 AM] MurmurTwin: Asii told us but I forget what it was

[2:29 AM] JuanCena: i thought it was particularly :3 feeling

[2:29 AM] JuanCena: that the jury unanimously wanted me revived

[2:29 AM] JuanCena: despite me not bein in their alliance

[2:30 AM] dietcoupon: you were honorary chill

[2:30 AM] JuanCena: pluto level

[2:30 AM] JuanCena: not quite a planet in ur solar system

[2:30 AM] dietcoupon: i would have voted hurt, but that was some foolishness from his hoh

[2:30 AM] quidnose: i don't understand you people

[2:30 AM] quidnose: i was never going to vote for any of the chill

[2:30 AM] quidnose: everything bad came from violating the chill :mad:

[2:30 AM] dietcoupon: what?

[2:30 AM] dietcoupon: i know

[2:30 AM] quidnose: ☐

[2:31 AM] quidnose: but i truly meant what i said

[2:31 AM] quidnose: i awnted to see us final 4 and then let everything come down to skill there

[2:31 AM] quidnose: probably a pipe dream

[2:31 AM] quidnose: (especially since we were so bad at challenges)

[2:31 AM] dietcoupon: i did too!

[2:31 AM] quidnose: lolol the week we 1-2-3-4'd the bottom

[2:31 AM] dietcoupon: my confessionals should confirm that

[2:31 AM] quidnose: i was so pissed

[2:31 AM] quidnose: lolololol

[2:31 AM] dietcoupon: my only concern was very early on, being the last one included

[2:31 AM] quidnose: oh one of my other regrets was the wordsearch week

[2:31 AM] MurmurTwin: It's hilarious to me that I was right about the idea that a lot of people were working in tandem in a way that I wasn't in on, but I got the identities of who was in on it completely wrong

[2:31 AM] quidnose: i was pretty close to being done with that

[2:32 AM] quidnose: but i had decided i wanted to spend the day getting high and doing fun stuff with my girlfriend before BB challenge

[2:32 AM] quidnose: and i think

[2:32 AM] quidnose: that slowed me down a lot

[2:32 AM] quidnose: lol

[2:32 AM] dietcoupon: :V

[2:32 AM] quidnose: yeah i am actually amazed nobody blew the secret of chill

[2:32 AM] dietcoupon: that's so bay area style it hurts

[2:32 AM] quidnose: but i do think that speaks so strongly about how we really believed in the power of the chillhaus

[2:32 AM] dietcoupon: we lost, but no regrets on that one

[2:33 AM] Sabayon: Well, well, well - here I am. Two people I pretty much dragged to the position that they're in at the moment. To make a sports reference, I feel like Michael

Jordan except I'm not winning shit because i'm injured and Dickey Simpkins and Bill Cartwright are shitting it up on the court and all I could do is throw some sweaty towels at them from the sidelines.

[2:33 AM] Sabayon: lol @ my start of jury thing

[2:33 AM] Sabayon: @ MMT and poque

[2:33 AM] JuanCena: yea

[2:33 AM] Sabayon: i should be way nicer this itme

[2:33 AM] JuanCena: you kinda got hosed there with a f2 season

[2:33 AM] Sabayon: i dont remember ANY OF THAT

[2:33 AM] JuanCena: instead of final 3

[2:33 AM] quidnose: PI was a great season i wish i had paid attention to mroe of it

[2:34 AM] Sabayon: eh cena i mean that sucked but i just shouldve did it on my laptop where it was easier to screenshot cause i was gonna do it while i was playing but

[2:34 AM] Sabayon: decided to wait until the end

[2:34 AM] MurmurTwin: I mean I'm really biased but I thought PI was fuckin' awesome lol

[2:34 AM] Sabayon: and it just reset

[2:34 AM] Sabayon: and i was like ??

[2:34 AM] Sabayon: CRYI

[2:34 AM] JuanCena: pi was great

[2:34 AM] JuanCena: altho

[2:34 AM] dietcoupon: as a misguided middle schooler i went to young life a few times (christian youth group)

[2:34 AM] quidnose: i read the ending

[2:34 AM] MurmurTwin: (but I acknowledge that what happened to DBD must've been awful)

[2:34 AM] dietcoupon: a college student ran it

[2:34 AM] JuanCena: it did make fronz quit everything

[2:34 AM] JuanCena: so thats less good

[2:34 AM] quidnose: only because i think it was mentioned in the mafia thread

[2:34 AM] dietcoupon: his house was called the heavy petting zoo

[2:34 AM] quidnose: i had forgotten it existed

[2:34 AM] dietcoupon: this was your pet island moment courtesy of me

[2:34 AM] quidnose: yikes

[2:35 AM] JuanCena: i think fronz is the person that took being voted out of an ORG the hardest

[2:35 AM] Sabayon: he offered a redo which was nice though but my hand was shot by then

[2:35 AM] JuanCena: cuz he was ultimate betrayed

[2:35 AM] JuanCena: twice

[2:35 AM] dietcoupon: Greatest Friend!!!

[2:35 AM] quidnose: bahahahahaha

[2:35 AM] quidnose: man that video

[2:35 AM] quidnose: every fucking time

[2:35 AM] quidnose: lolol

[2:35 AM] dietcoupon: Wow.

[2:35 AM] MurmurTwin: I was trying to throw that last challenge and then there was a redo and I was like "come ON"

[2:35 AM] JuanCena: i love that one video got gulag 2 more seasons of play, and everyone kept votin him out later

[2:35 AM] JuanCena: \*early

[2:35 AM] JuanCena: not later

[2:36 AM] quidnose: yeah MMT i uh

[2:36 AM] JuanCena: idk why people keep targeting my stuntcasts

[2:36 AM] quidnose: do you think you are going to be a big target early on next social game you play

[2:36 AM] quidnose: are you surprised you weren't this game?

[2:36 AM] Sabayon: oh wow

[2:36 AM] MurmurTwin: I was shocked I wasn't this game

[2:36 AM] Sabayon: i was really mad at poque

[2:36 AM] Sabayon: i forgot all about that

[2:36 AM] **MurmurTwin**: I'm literally always shocked when I'm not targetted first lol

[2:36 AM] **JuanCena**: mmt i was like trying to tell hurt and pmach that you were a threat

[2:36 AM] **JuanCena**: and they both told me im being silly

[2:36 AM] **JuanCena**: and you have nobody

[2:37 AM] **quidnose**: bahaha

[2:37 AM] **JuanCena**: its like

[2:37 AM] **quidnose**: gonna get you next time MMT

[2:37 AM] **JuanCena**: SHE DOOMED ME BEFORE

[2:37 AM] **quidnose**: (/ align with you early)

[2:37 AM] **MurmurTwin**: 

[2:37 AM] **JuanCena**: I MODDED ALL OF HER WINS

[2:37 AM] **JuanCena**: I KNOW HER GAME

[2:37 AM] **quidnose**: man if i had been around and payijng attention when this started

[2:37 AM] **MurmurTwin**: I try my best to not show my cards if possible 

[2:37 AM] **quidnose**: i was literally going to walk straight to you because we had just played like

[2:37 AM] **quidnose**: 3 great mafia games together

[2:37 AM] **MurmurTwin**: hahaha oh shit! I never thought of that

[2:37 AM] **quidnose**: cena lolol

[2:37 AM] **MurmurTwin**: like you literally have watched me make moves and then type out my  
thought processes in long detail in tandem

[2:38 AM] **quidnose**: this has been a great summer of forum games and a terrible one

[2:38 AM] **JuanCena**: yeah

[2:38 AM] **quidnose**: this has been great but i am sad

[2:38 AM] **quidnose**: fucking goddamned ferngully

[2:38 AM] **quidnose**: CANADIANS

[2:38 AM] **quidnose**: GOD FUCKING DAMN

[2:38 AM] **MurmurTwin**: hahaha

[2:38 AM] **quidnose**: but then there was that game where i spent an hour in the middle of the night typing up the narrative of TMM lying about shit and being 100% right

[2:38 AM] **JuanCena**: and ironically the only reason i didnt put you up week 1, i figured nobody would vote you because they'd presume you were weak, which was accurate, and i didnt want to set a precedent that would put pmach in danger, since she was my presumptive final 3 partner

[2:39 AM] **quidnose**: was i the only person who didn't double dip this game, goddamn

[2:39 AM] **quidnose**: i didn't start pairing up with pera until chillhaus was dead

[2:39 AM] **JuanCena**: double dip?

[2:39 AM] **quidnose**: alliances

[2:39 AM] **JuanCena**: i didnt

[2:39 AM] **JuanCena**: i was accused of it

[2:39 AM] **JuanCena**: but ididnt

[2:39 AM] **quidnose**: you and me next time, cena

[2:39 AM] **MurmurTwin**: I mean - my one attempt to double dip (FOS) ended rather suddenly, so I'd argue that I was basically true to my main alliance the whole time

[2:40 AM] **quidnose**: the girl alliance that didn't exist

[2:40 AM] **JuanCena**: u mean

[2:40 AM] **JuanCena**: the one that did

[2:40 AM] **JuanCena**: and i warned of

[2:40 AM] **quidnose**: no no it didn't

[2:40 AM] **JuanCena**: and was ignored on

[2:40 AM] **quidnose**: no see they told us it didn't exist, though

[2:40 AM] **JuanCena**: omg this is why these games frustrate me

[2:41 AM] **JuanCena**: ive known pera for 8 years

[2:41 AM] **JuanCena**: mmt for 4

[2:41 AM] **JuanCena**: i figured they'd hit it off big

[2:41 AM] **JuanCena**: i also knew pera would probably target me because her thought process, voting someone out is a way of complimenting them

[2:41 AM] **JuanCena**: saying "hey i think you're a threat! you're a good player!"

[2:42 AM] **JuanCena**: thats why i outright refused to spill dirt with her because i knew sooner or later she'd go after me if i didnt go after her first

[2:42 AM] **JuanCena**: the people shes closest to are the ones shed cut

[2:42 AM] **MurmurTwin**: lol - I dunno, I hate calling it a "girl alliance" because it implies that pmach should have been in and was excluded

cat and I talked early day 1, she told me she was friendly with pera (who I knew of through spectating but had never met) and we formed a room. and even though I started more loyal to cat, me and pera are both extremely talkative people and we just kind of bonded from there

[2:42 AM] **JuanCena**: i tried to avoid calling it a womens alliance

[2:43 AM] **quidnose**: you had a ROOM

[2:43 AM] **quidnose**: fuck you guys so hard, lol

[2:43 AM] **JuanCena**: i actually kinda wanted to work with you mmt week 1

[2:43 AM] **quidnose**: wow that's some MAJOR ASS BULLSHIT mmt, lolol

[2:43 AM] **JuanCena**: but i still felt burned from popcon

[2:43 AM] **JuanCena**: i figured if i chatted you up you'd just turn on me again

[2:44 AM] **MurmurTwin**: hahaha quid are you really upset that I made allies and kept them a secret from The Chillhaus, an alliance that existed all game that I found out about yesterday? 

[2:44 AM] **quidnose**: only because you made SUCH a big deal about staking your integrity on the fact that you didn't have this alliance and had been straight with me all game about that

[2:44 AM] **JuanCena**: we had a room too quidnose, the doc/pmach/dbd/cat group

[2:45 AM] **quidnose**: i mean i straight up lied about chillhaus and being aligned but did i ever say "i promise on my integrity i have told you no lies" :v

[2:45 AM] **quidnose**: (PERA)

[2:45 AM] **quidnose**: lol

[2:45 AM] **JuanCena**: whats funny is when i confronted one of the people in the alliance about having the alliance i was just told "you're not as smart as you think"

[2:45 AM] **JuanCena**: TURNS OUT.

[2:45 AM] quidnose: lol

[2:46 AM] MurmurTwin: Oh no to be clear I was saying that when I formed FOS, I wasn't going in intending to burn you

remember, at that time, like there was no reason for me to believe that cat and pera weren't just aligning with everyone; cat had brought me into her HOH room and hurt was in there so I knew that people were doing other things. it was the house meeting that actually confirmed that yeah, we're loyal

[2:46 AM] quidnose: meanwhile my cart was hitched to a great pony that was walking the wrong fucking direction

[2:46 AM] quidnose: :v

[2:46 AM] quidnose: why were we so bad at challenges

[2:46 AM] quidnose: -\_\_

[2:46 AM] quidnose: WE COULDA BEEN CONTENDAS

[2:46 AM] JuanCena: these challenges were all super fucking hard

[2:46 AM] quidnose: i guess we just play these things differently, MMT

[2:46 AM] quidnose: because like

[2:46 AM] Sabayon: i was doing my best right before i got voted out

[2:46 AM] Sabayon: 3rd and 2nd

[2:46 AM] Sabayon: but before that i sucked

[2:46 AM] quidnose: i had an alliance i KNEW i wasn't gonna fucking drop

[2:47 AM] quidnose: the only reason i voted for Hurt was because he fucked up with DBD SO GODDAMNED ROYALLY

[2:47 AM] quidnose: in my eyes

[2:47 AM] quidnose: (sorry hurt love ya)

[2:47 AM] quidnose: and at that point the alliance was dead

[2:47 AM] MurmurTwin: did you know they weren't going to drop you? 100%?

[2:47 AM] quidnose: i mean look i can say pretty confidently that if they actually kept their mouth suht about it existing

[2:47 AM] JuanCena: hurt told me when he got here in jury he was going to the end with cat pera and mmt

[2:47 AM] **MurmurTwin:** (and if the answer is "yes" I got a bridge to sell you:3 )

[2:47 AM] **quidnose:** you don't make an alliance with people you are planning to betray and then not go give that information away

[2:47 AM] **JuanCena:** so

[2:47 AM] **JuanCena:** bad news quid

[2:47 AM] **JuanCena:** lol

[2:48 AM] **quidnose:** well he can speak for himself about whether or not that was true

[2:48 AM] **quidnose:** i would have thought if that were the case

[2:48 AM] **quidnose:** selling us out as existing

[2:48 AM] **quidnose:** would be the best leverage in the world

[2:48 AM] **MurmurTwin:** (I'm not saying that about your alliance specifically, I'm saying that at the start of the game you have little loose relationships with people, and then as the game goes on things get tested and it gets trickier)

[2:48 AM] **JuanCena:** i think he was trying to have his cake and eat it too

[2:48 AM] **quidnose:** oh

[2:48 AM] **quidnose:** well

[2:48 AM] **quidnose:** yes

[2:48 AM] **JuanCena:** i think asiinas speech

[2:48 AM] **quidnose:** at that point

[2:48 AM] **quidnose:** he had already baile

[2:48 AM] **quidnose:** d

[2:49 AM] **JuanCena:** at finale from abb1

[2:49 AM] **quidnose:** cause he sold out DBD to try to make that happen

[2:49 AM] **JuanCena:** made an important point

[2:49 AM] **JuanCena:** that the reason that alliances are hard

[2:49 AM] **JuanCena:** is because theres gonna always be distrust at first

[2:49 AM] **JuanCena:** but as the game goes on

[2:49 AM] **quidnose:** pmach and dbd feel free to weigh in here lolol

[2:49 AM] **JuanCena:** little tests of trust are put on

[2:49 AM] **JuanCena:** and they're stressed

[2:49 AM] **JuanCena:** if they hold up

[2:49 AM] **dietcoupon:** i don't know if hurt meant that about the girls

[2:49 AM] **JuanCena:** trust grows and blossoms

[2:49 AM] **MurmurTwin:** like fwiw I'm not going to deny doubledipping - that's kind of how BB works imo. If you don't doubledip you end up on the block against your alliancemate when someone decides to go after you

[2:49 AM] **JuanCena:** but that trust gets tested every week

[2:49 AM] **dietcoupon:** i hope not :/

[2:50 AM] **JuanCena:** yea

[2:50 AM] **quidnose:** MMT that's what happened week after week with us

[2:50 AM] **quidnose:** like again, no offense to chillhaus from the "social game manipulation aspect"

[2:50 AM] **quidnose:** but that's part f the reason i knew so strongly going into a potential f2

[2:50 AM] **quidnose:** that pmach dbd and hurt would vote for me to win

[2:50 AM] **quidnose:** because every time they went up

[2:50 AM] **quidnose:** i worked my ASS off to get them down

[2:50 AM] **JuanCena:** the chillhaus really didnt do anything social tho

[2:50 AM] **quidnose:** you are SO wrong.

[2:50 AM] **quidnose:** dude, why do you think dbd vs. me turned into me vs. flerp

[2:50 AM] **JuanCena:** it was hidden yeah but 3/4s of it was in a different shell alliance operating on an island

[2:50 AM] **quidnose:** i made a deal with cat to make that happen

[2:51 AM] **JuanCena:** i was aware of that

[2:51 AM] **JuanCena:** and also pushing cat to do flerp

[2:51 AM] **quidnose:** i worked my ASS off for that deal

[2:51 AM] **JuanCena:** and not dbd

[2:51 AM] **MurmurTwin**: that's fair enough! To be fair I fully acknowledge that I kind of botched my HOH week (and then full into good luck that the right people won the next few weeks)

[2:51 AM] **quidnose**: i guess you helped too~

[2:51 AM] **JuanCena**: mmt

[2:51 AM] **JuanCena**: funny story

[2:52 AM] **JuanCena**: if cat or you dont win POV

[2:52 AM] **JuanCena**: the week you were up

[2:52 AM] **MurmurTwin**: but I'm a huge fan of accepting that you can't plan too far ahead of these games, so it's better to have faith in your ability to (a) gain information and (b) improvise based on said info

[2:52 AM] **JuanCena**: you go 7th

[2:52 AM] **JuanCena**: man that was scary close

[2:52 AM] **dietcoupon**: kek

[2:52 AM] **MurmurTwin**: wait was that that week? hahaha no way

[2:52 AM] **JuanCena**: yeah it was

[2:52 AM] **JuanCena**: i have my chart here

[2:52 AM] **MurmurTwin**: If I came in 7th, I'dve died laughing and then waited for the next game you modded lol

[2:52 AM] **JuanCena**: im never modding another one

[2:52 AM] **JuanCena**: lol

[2:53 AM] **MurmurTwin**: ahhh well pffft

[2:53 AM] **JuanCena**: last season had too many rule bending goons for my taste

[2:53 AM] **JuanCena**: i would legit tell them

[2:53 AM] **JuanCena**: stop looking for loopholes

[2:53 AM] **JuanCena**: just play the game as offered

[2:53 AM] **JuanCena**: and they'd just try to bend them in a different way

[2:53 AM] **JuanCena**: and then be shitty to the staff about it

[2:53 AM] **JuanCena**: pera and jiv and krysm were fine but the others uggggh

[2:54 AM] **JuanCena:** what a chore

[2:54 AM] **JuanCena:** when chic accused me of rigging the comps for jiv i just checked out

[2:54 AM] **JuanCena:** only because, you've seen how much pre-season work i put into this

[2:54 AM] **MurmurTwin:** yeah that's not my scene at all, asii told me I could argue QWOP since she said "First winner" and all I could think of is how annoying it'd be for asii to deal with so i said nah

[2:55 AM] **quidnose:** i used a word descrambler for JUBY CHIRP LIVES

[2:55 AM] **quidnose:** it gave me CHIRPLY

[2:55 AM] **quidnose:** and then i pulled that out and immediately saw the rest

[2:55 AM] **MurmurTwin:** oh yeah I feel like it's really important to have the stuff planned out ahead of time in a way that can be verified (and I always assume whoever's modding does that)

[2:55 AM] **quidnose:** (thank you, looking for anagrams for literally 2 days before that lolol)

[2:55 AM] **quidnose:** but i immediately asked Asiina if that was an ok thing to have done because i felt bad i used it lolol

[2:56 AM] **dietcoupon:** there were definitely a few amusing possibilities to juby chirp lives

[2:57 AM] **dietcoupon:** i threw outjuby chips liver was apparently even a guess from the vista

[2:57 AM] **quidnose:** lool

[2:57 AM] **dietcoupon:** wow great sentence pmach a+ would grammar again

[2:57 AM] **quidnose:** solid work~!

[2:57 AM] **quidnose:** that's ok i had a great one in class today

[2:57 AM] **quidnose:** "duke ellington's mom decided when he was a boy she would send him to some sophisticated ladies to give him...an education"

[2:58 AM] **quidnose:** "..."

[2:58 AM] **quidnose:** ",...that didn't come out right"

[2:58 AM] **quidnose:** student: "start over mr. p."

[2:59 AM] **dietcoupon:** "Robert Johnson and the crossroads: a stunning work of critical research and unassailable fact"

[3:00 AM] **dietcoupon:** yeesh, that sounds like a dave eggert novel

/3:01 AM/ **MurmurTwin:** eek I'm getting heavily eyelids (probably due to my hardly sleeping last night), I think I'm out for the night.

G'nite you guys! Thanks for getting me through the "hurt and angry" part of this game

/3:01 AM/ **quidnose:** night MMT

/3:01 AM/ **quidnose:** see you tomorrow

/3:01 AM/ **quidnose:** just a remindner

/3:01 AM/ **quidnose:** i am putting a dagger in you in my jury speech

/3:01 AM/ **MurmurTwin:** (no relation to play and all-around good guy Doc Hurt)

/3:01 AM/ **quidnose:** but it is to make them both feel bad

/3:02 AM/ **quidnose:** and i'm only doing that because it's WAY more fun

/3:02 AM/ **quidnose:** and better TV

/3:02 AM/ **MurmurTwin:** Oh man

/3:02 AM/ **quidnose:** if i make them feel REALLY BAD about winning

/3:02 AM/ **quidnose:**

/3:02 AM/ **MurmurTwin:** I have a reasonably clear idea of what I'm going to say tomorrow but I keep editing

/3:03 AM/ **quidnose:** i wrote mine last night and i will look at it tomorrow

/3:03 AM/ **quidnose:** lol

/3:03 AM/ **quidnose:** :v

/3:03 AM/ **quidnose:** my only regret is i am unable to cross stitch my vote

/3:03 AM/ **quidnose:** because man

/3:03 AM/ **quidnose:** that was gonna be grat

/3:03 AM/ **quidnose:** great\*

/3:03 AM/ **quidnose:** lol

/3:03 AM/ **JuanCena:** i have no idea what im gonna say

/3:03 AM/ **JuanCena:** so imma wing it

/3:03 AM/ **quidnose:** you do you cena

[3:11 AM] dietcoupon: i liked the general idea of your analysis of the games they played

[3:11 AM] dietcoupon: i think being brutally honest is the way to go

[7:02 AM] DocHurt: I wrote most of my speech

[7:03 AM] dietcoupon: an inspiration to us all

[7:04 AM] DocHurt: And have almost all of my vote done

[7:04 AM] DocHurt: Friends. I'll be honest. My speech is mostly goofers

[7:06 AM] DocHurt: Also in regards to alliance

[7:06 AM] DocHurt: My true schemes always belonged to chillhouse

[7:06 AM] dietcoupon: yeah, i figured it was historical creativity

[7:07 AM] dietcoupon: it's too bad alliances and majorities don't mean jack for BB

[7:14 AM] DocHurt: I swear I was trying to destroy the fates from within

[7:15 AM] DocHurt: But like last game I hesitated one week too late to burn bridges

[7:15 AM] dietcoupon: well...yeah

[7:15 AM] DocHurt: Be mad.

[7:15 AM] DocHurt: Woops.

[7:15 AM] dietcoupon: we had a good thing going

[7:16 AM] dietcoupon: i don't know what we could have done to save the beginning of the end

[7:16 AM] dietcoupon: but ffs

[7:16 AM] dietcoupon: i told both you and cena that cat was giving me bad vibes

[7:16 AM] dietcoupon: and BOTH of you ignored that

[7:16 AM] DocHurt: I didn't ignore it entirely... I put the spy on her.

[7:16 AM] dietcoupon: um

[7:17 AM] DocHurt: I just thought she was useful

[7:17 AM] dietcoupon: you let her con you into booting cena

[7:17 AM] dietcoupon: once you put him on the block, chill was over

[7:22 AM] DocHurt: My idea was trying to control the chaos. And also I had to deal with cena eventually for chill control. So deal with him now. And if cat vetoed MMt like I

figured she might. There isn't really someone to put up in exchange that's not chill.

[7:23 AM] **DocHurt**: But at the same time, I also blinded myself by saying "oh this is such a cool move" and didn't see myself be manipulated

[7:24 AM] **DocHurt**: And I did mean what I said. Psychologicalallly I couldnt trust cena.

[7:52 AM] **DocHurt**: Also thanks asiina for putting me near the end

[7:53 AM] **DocHurt**: The 1-2-3 punch of cena, hurt, MMT will be something special

[12:45 PM] **Asiina**: A couple of production secrets. I shared the mod doc with Poque and told him about the twists and their timing before the game began in case anyone tried to argue I was reordering things to be unfair

[12:48 PM] **Asiina**: I changed very few challenges during the season. Usually things I had planned that didn't work as intended I had to pretty heavily modify. For example the July chirp lives challenge was originally a spot the difference challenge, but couldn't find a good example and making one proved to be more difficult than I anticipated. So I did the letter search one which used functionally the same skills

[12:48 PM] **quidnose**: Bahahaha and it played right into my anagram craziness

[12:48 PM] **Asiina**: I never changed challenge type or reordered anything though

[12:48 PM] **Asiina**: Yeah that was funny cause I made that decision about 2 weeks earlier

[12:49 PM] **Asiina**: And then it ended up feuling your insanity

[12:50 PM] **Asiina**: I had a wheel of fortune challenge I ended up a raping entirely but I can't remember which one ended up replacing that

[12:50 PM] **Asiina**: Scraping, not raping

[12:50 PM] **Asiina**: Gj phone

[12:52 PM] **Asiina**: Also last production secret is that I had a few extra people apply that I didn't cast but only for schedule reasons. If I had even one more person apply who fit the schedule I wouldn't have let MMT play because she had played far more of these games than anyone else.

[12:52 PM] **quidnose**: Lolol

[12:53 PM] **DocHurt**: I would have loved wheel of fortune

[12:53 PM] **JuanCena**: im still struggling to understand how you couldnt trust me when i kept you in the loop on literally everything

[12:55 PM] **Asiina**: I wanted to do it, but I just couldn't find a way to make it work the way I wanted. I really wanted challenges to be about individual skill as much as possible rather

than alliances, and there was just too much of people being able to screw with each other.

[12:56 PM] **quidnose**: Funny since many of them threw challenges for each other

[12:56 PM] **DocHurt**: That's how it works. I was waiting for the other shoe to drop with the alliance.

[12:56 PM] **Asiina**: And because it would flat out not work with large numbers it would have had to be near the end and so that felt like it would be so unfair to lose an HOH near the end because of alliance

[12:57 PM] **JuanCena**: yeah in a late game situation it def doesnt work

[12:57 PM] **JuanCena**: i think maybe it works better for POV?

[12:57 PM] **Asiina**: So I scraped it. I think the head to head one replaced it now that I think about it, because that's similar but let's you still challenge beast your way through if you're good enough

[12:57 PM] **Asiina**: 6 is still kind of a lot of people for it

[12:58 PM] **JuanCena**: tru

[12:59 PM] **Asiina**: Yeah I tried for a while but just couldn't make it work.

[1:00 PM] **Asiina**: Yes, now I remember because word search was originally going to be crossword, but I'd already had like 3 search the thread or remember events challenges

[1:00 PM] **Asiina**: And it's because wheel of fortune became the before or after one.

[1:01 PM] **Asiina**: So yeah, some minor challenge changes but I tried to keep the skillsets the same as much as possible.

[1:02 PM] **JuanCena**: i dumped like 4 challenges for the gbs season

[1:02 PM] **JuanCena**: but i THINK i was able to make it through games with everything intact

[1:03 PM] **JuanCena**: oh wait no i scrapped a double elimination week

[1:03 PM] **quidnose**: My only question is why no tetris RIGHT FROM THE START :V

[1:05 PM] **JuanCena**: because why would there be tetris

[1:06 PM] **quidnose**: Because it's a competitive flash game that basically everyone has played

[1:06 PM] **quidnose**: It's the most popular game of all time

[1:06 PM] **quidnose**: I mean I'm actually surprised you didn't make us play Mario for an hour too!

[1:06 PM] **quidnose**: (man I wish you had made us play Mario 1 for an hour, I would have slayed)

[1:07 PM] **quidnose**: There was a time I could consistently get to like world 7 or 8 in 40m

[1:18 PM] **dietcoupon**: the first group of internet weirdos i befriended in middle school

[1:18 PM] **dietcoupon**: one of them would run fairly regular tetrinet tournaments

[1:18 PM] **dietcoupon**: world cup-style brackets

[1:18 PM] **dietcoupon**: cena and i actually tried to figure out how to make it work for games, but tetrinet is now virtually unplayable

[1:19 PM] **dietcoupon**: which sucks. it was a fun little multiplayer tetris client with irc-style hosting

[1:20 PM] **dietcoupon**: also i'm just sharing this everywhere because reading it has made my morning

[1:20 PM] **dietcoupon**:

The Hollywood Reporter

[Holy Shit, 'South Park' Is 20! Trey Parker, Matt Stone on Censor...](#)

Insiders from Natasha Henstridge to Norman Lear dish on the controversial Comedy Central show, including the heavily censored Muhammad episodes, their acid trip at the Oscars and how to get an R rating (hint: just one rim job).

[1:40 PM] **quidnose**: Pmach we found one that works it's like

[1:40 PM] **quidnose**: Tetris friends

[1:40 PM] **quidnose**: The multi-player arena background HURTS MY GODDAMNED EYES tho

[1:47 PM] **JuanCena**: we tried playtesting that one

[1:47 PM] dietcoupon: does it actually work? we tested out a few web-based clients

[1:47 PM] dietcoupon: yeah

[1:50 PM] quidnose: Pera and I played it worked

[1:51 PM] dietcoupon: i think we were having connectivity issues, especially in the sort of challenge context we wanted to have happen

[1:51 PM] quidnose: Ah

[1:51 PM] dietcoupon: oh wait

[1:51 PM] dietcoupon: we did kind of get it working eventually, but then the style of tetris didn't suit our needs? maybe cena remembers more

[1:52 PM] dietcoupon: it was his decision

[1:52 PM] quidnose: What was this for lol

[1:53 PM] dietcoupon: it was for a challenge in survivor: games

[1:53 PM] dietcoupon: i think individual immunity

[1:53 PM] quidnose: Ah

[1:53 PM] dietcoupon: unrelated: something smells like biscuits from popeye's and it's driving me nuts

[1:55 PM] dietcoupon: literally. it has a car, and my nuts are in the front passenger seat, and they're getting a ride to somewhere. i don't know. it's that intoxicating popeyes smell, so nobody's thinking straight

[2:06 PM] JuanCena: basically the issue there was there were issues with coordinating more than 3 people into the game

[2:06 PM] JuanCena: based on connectivity

[2:08 PM] Asiina: yeah you guys were able to play but when I tried it timed out remember

[2:10 PM] Asiina: imma take a nap so I can be ready for finale and after

[2:10 PM] Asiina: busy morning

[2:10 PM] JuanCena: i had to go to the doctors today

[2:10 PM] JuanCena: im already like

[2:10 PM] JuanCena: in a mood

[2:10 PM] JuanCena: i would rather go to the dmv than the doctors

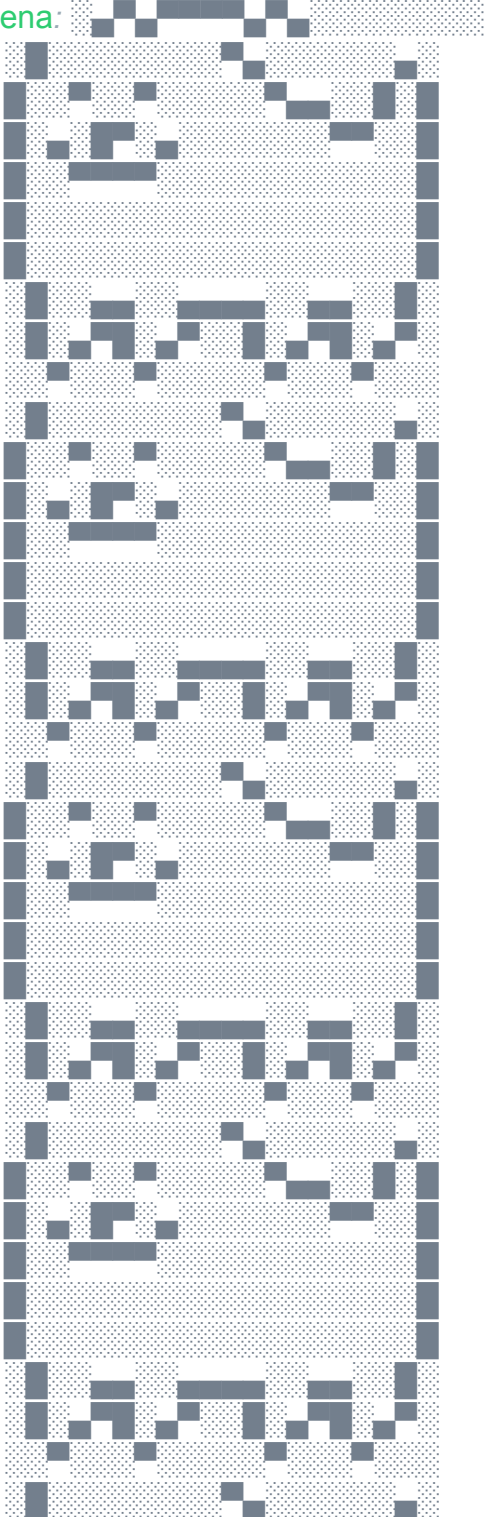

[2:13 PM] dietcoupon: wow.

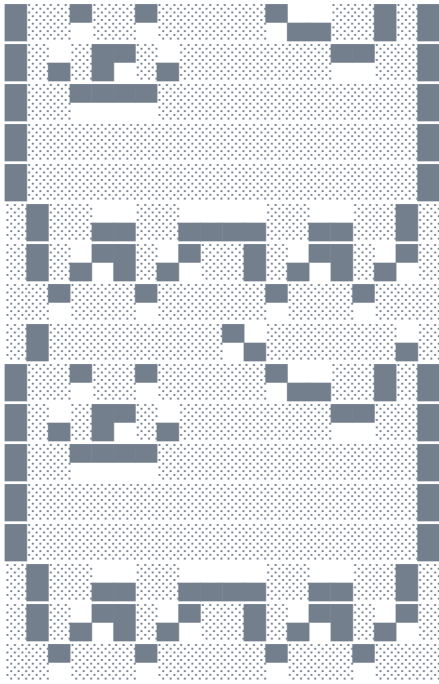

[2:13 PM] dietcoupon: that's bad

[2:14 PM] dietcoupon: i have a busy day but i'll be comfortably available for finals (and thanks for giving me first spot, that's a huge help)

[2:18 PM] JuanCena: i just really dont like doctors/hospitals/facilities

[2:19 PM] JuanCena:

[2:19 PM] **dietcoupon**: wait wait cena

[2:19 PM] **dietcoupon**: what's wrong?

[2:20 PM] **JuanCena**: nothing is wrong when u stack dogs

[2:20 PM] **dietcoupon**: for me it's an individual thing. i like seeing doctors i like

[2:21 PM] **dietcoupon**: brain doctor friday. clearly necessary. looking forward to it

[2:21 PM] **dietcoupon**: we do our appointments on downtown walking/stair circuits

[2:51 PM] **DocHurt**: That's a cool doc. I need to talk to a brain doc person soon.

[2:52 PM] **DocHurt**: I don't know any in the area and it is hard to find one, I feel.

[2:52 PM] **DocHurt**: But also cena sucks you had to go to the doc when you hate it. Hope it went well

[2:52 PM] **JuanCena**: i should emphasize it was general practitioner

[2:52 PM] **JuanCena**: not braindoc

[2:52 PM] **JuanCena**: i just had to get stitches

[2:53 PM] **DocHurt**: Yeah I thought so. And yikes! Stiches

[2:53 PM] **JuanCena**: someone left a knife in the sink at work instead of racking it

[2:53 PM] **DocHurt**: Ughh

[2:55 PM] **MurmurTwin**: I'm in a weird frustrating position where I've been seeing brain docs even though I don't really want/need to.

I take Adderall every day and have for years, but when I moved they said that even though I have a script for it, they need to have me see a therapist once a month (even though I'm a grown-ass adult who knows an awful lot about drugs). And since they're all gatekeeper-y I can't actually be honest with them, so I just tell them some story about how I can't concentrate and blah blah blah or whatever.

Like I don't think I have ADHD, but I think that Adderall is a useful thing that I want to take every day (without getting arrested for) and it's amazing how in denial psychiatrists are about the fact that people might be able to make their own decisions.

</rant>

[3:16 PM] **DocHurt**: I understand. It's weird how different it is from state to state.

[3:16 PM] **DocHurt**: And it can be really intimidating and gatekeeper-y

[3:17 PM] **DocHurt**: When I was in college I went a few times to brain docs that were sponsored by the school and it was okay.

[3:17 PM] **DocHurt**: But it was never a really comfortable fit.

[3:38 PM] **MurmurTwin**: I mean, therapy saved my life and I think in general it's really important for people to have a space where they can talk out their problems to get the help that they need. And obviously I feel strongly that there's nothing wrong with taking brain-altering chemicals with the end goal of improving your life.

It's more the influence of pharmaceutical companies / stigma of drug use / stigma of mental health issues that gets me angry, because I don't think it needs to be nearly as complicated as it is. Like if my doctors just said "ok we trust that you know what you're doing, here's your script refill" (instead of literally making me go through three hour-long therapy sessions), maybe people who actually need the help of a trained professional would be able to get seen without waiting months to get an appointment

[3:43 PM] **quidnose**: Yeah

[3:43 PM] **quidnose**: My therapist is pretty good I think

[3:44 PM] **quidnose**: Started seeing her this summer

[3:44 PM] **quidnose**: She has been really helpful in me unpacking my stuff

[3:44 PM] **quidnose**: Lots of stuff to unpack

[4:05 PM] **dietcoupon**: chemistry with brain docs/therapists is so key

[4:05 PM] **dietcoupon**: i pired my therapist last year, and my only regret is not having done it sooner

[4:05 PM] **dietcoupon**: but i really love my actual-doc

[4:05 PM] **dietcoupon**: \*fired

[4:06 PM] **dietcoupon**: it's just really easy to understand any aversion anybody ever has to the thought of it, or the process, or anything, because it can very easily be very harmful

[4:06 PM] **dietcoupon**: but stitches...yikes

[4:07 PM] **dietcoupon**: cena, did you yell at him? i hope you yelled at him. i also hope filing the on-site injury paperwork was slightly less painful than the flesh would/stitches

[4:07 PM] **dietcoupon**: \*flesh wound

[4:07 PM] **dietcoupon**: WHY CAN'T I TYPE TODAY

[4:07 PM] **quidnose**: Lolol

[4:07 PM] **quidnose**: Poor pmach

[4:08 PM] **dietcoupon**: yeah, have fun laughing at my typos in T MINUS THREE HOURS

[4:15 PM] **JuanCena**: I had my asst manager draw up the paperwork

[4:16 PM] **JuanCena**: Idk who left the knife in the sink

[4:16 PM] **JuanCena**: Nobody owed up to it

[4:16 PM] **JuanCena**: But everyone knows better know

[4:16 PM] **dietcoupon**: they should have known better because common fucking sense

[4:18 PM] **JuanCena**: Ya

[4:26 PM] **DocHurt**: Yeah that's dumb as hell Cena

[4:26 PM] **DocHurt**: I'm sorry it hurt you in that way

[4:36 PM] **JuanCena**: Btw is everyone here for tonight

[4:38 PM] **DocHurt**: Yee

[4:38 PM] **DocHurt**: I won't be in the chat 24/7

[4:39 PM] **DocHurt**: But I will be here. My vote is ready (just need to put in a name) and my speech is ready

[4:39 PM] **DocHurt**: so I'm gonna go play pinball pre

[4:39 PM] **DocHurt**: I am really excited for this

[4:40 PM] **JuanCena**: I havenr prewrote my q

[4:40 PM] **JuanCena**: I probably wont prewrite it

[4:41 PM] **JuanCena**: Imma just read what everyone else wrote and gonfrom there

[4:41 PM] **JuanCena**: Go from

[4:47 PM] **DocHurt**: Respect

[4:47 PM] **DocHurt**: I just wanted to get it ready to go. I like being prepared

[5:10 PM] **JuanCena**: Wing it should be engraved on my tombstone

[5:10 PM] **JuanCena**: Asterisk for running ORGs, im way too meticulous with those

[5:22 PM] **Sabayon**: can I wait til I get responses for my vote

[5:22 PM] **Sabayon**: I still dunno who I want to vote for

[5:34 PM] **dietcoupon**: wing is such a great episode of south park

[5:44 PM] **JuanCena**: Ya we're not supposed to vote until after

[5:47 PM] **MurmurTwin**: wing is one of those episodes that I've only seen like once or twice, I need to give that rewatch (I'm a gigantic south park fan)

[5:48 PM] **MurmurTwin**: I was going to use a clip of ike saying "you're dead to me" in my final speech actually (but I thought it was too funny and would detract from the tone of what I plan to say)

[5:49 PM] **MurmurTwin**: (note that I am not at all actually bitter any more)

[6:03 PM] **Sabayon**: if theres a place to be bitter, its in the jury, can be nice after ☐

[6:04 PM] **quidnose**: I will be bitter until I can show pera and cat exactly what they took from me

[6:04 PM] **quidnose**: And tell them I will never forgive

[6:04 PM] **quidnose**: Then I will be fine

[6:14 PM] **DocHurt**: I will be a delicious glass of sweet tea to go with all the salt. Well... sweet tea with a bit of an edge.

[6:15 PM] **DocHurt**: An alcoholic Arnold Palmer

[6:18 PM] **dietcoupon**: my thingy is written and proofread and done!

[6:18 PM] **dietcoupon**: i hope you guys like it ☐

[6:20 PM] dietcoupon: it's only just barely bitter enough

[6:20 PM] JuanCena: I might ask pera why she said she never lied when she made at least two final two deals she didnt bother to keep

[6:20 PM] dietcoupon: but mostly constructive

[6:20 PM] JuanCena: Cuz

[6:20 PM] JuanCena: If theres one thing i cant stabd its people who dont own up

[6:20 PM] JuanCena: Stand

[6:21 PM] DocHurt: I am very interested to see the opening arguments of these two. What they will claim. What they won't.

[6:22 PM] JuanCena: I feel like cat will try to point to her comp wins being in an alliance and actively avoid answering anything asked of her specifically

[6:22 PM] JuanCena: Pera i have this feeling that shes gonna try to brown nose instead of come clean and explain her game just like last time

[6:22 PM] JuanCena: We might be seeing kimmel vs kimmel

[6:31 PM] dietcoupon: twila v clay

[6:31 PM] dietcoupon: chase v ressel

[6:32 PM] dietcoupon: sugar v lill

[6:32 PM] dietcoupon: man, 32 seasons of this shit. we could go all day

[6:39 PM] dietcoupon: 20 minutes!

[6:39 PM] DocHurt: Me ready for the show to start

[6:39 PM] DocHurt:

[6:40 PM] dietcoupon: i am also ready for must-see tv thursday

[6:41 PM] dietcoupon: certification exam, not so sure

[6:41 PM] DocHurt: Plop in a chair

[6:41 PM] dietcoupon: but #teammv definitely :V

[6:41 PM] DocHurt: Turn on the tube

[6:41 PM] DocHurt: get a drink

[6:41 PM] DocHurt: get ready for the ROAST

[6:43 PM] MurmurTwin: hello friends! I'm hype for finale

[6:43 PM] dietcoupon: found the place with cheap beer and wifi between meetings and commitments

[6:44 PM] dietcoupon: see???

[6:45 PM] dietcoupon: hey mmt i hope you like what i did

[6:45 PM] dietcoupon: or, will do?

[6:45 PM] dietcoupon: bluh.

[6:46 PM] DocHurt: Nice!!

[6:46 PM] DocHurt: It's movie night so I'm gonna be drinking the whole time

[6:46 PM] dietcoupon: man, the theater a block away from me has new releases, and \$4 tuesdays and wednesdays

[6:46 PM] dietcoupon: i should do that more

[6:46 PM] DocHurt: damn

[6:46 PM] DocHurt: that's cool

/6:47 PM] dietcoupon: it actually is

/6:47 PM] dietcoupon: i forget, did you ever play new vegas?

/6:48 PM] dietcoupon: because my neighborhood is just full of neon lit bullshit (ask cena)

/6:48 PM] dietcoupon: and the theater's sign is my getting-home-at-midnight totem

/6:48 PM] dietcoupon: and it reminds me of michael angelo

/6:49 PM] DocHurt: Hell yeah

/6:49 PM] DocHurt: New Vegas is the best Fallout

/6:49 PM] dietcoupon: granted, the theater's sign isn't neon, it's even better (individual fucking bulbs visible from everywhere)

/6:49 PM] dietcoupon: NV IS the best fallout

/6:49 PM] JuanCena: New vegas made me nostalgic af

/6:49 PM] dietcoupon: by leaps and bounds

/6:49 PM] dietcoupon: 4 is for loneliness and heartbreak

/6:50 PM] dietcoupon: nv is just fucking fun

/6:51 PM] dietcoupon: cena got the distinct pleasure of seeing me nerd out at accidentally staying at the lucky 38-ish

/6:51 PM] dietcoupon: across from gomorrah-isn't-there-anymore-sadface

/6:52 PM] Asiina: Everyone ready? It's almost time!

/6:52 PM] dietcoupon: i was born ready

/6:52 PM] dietcoupon: about an hour ago

/6:52 PM] dietcoupon: les do dis

/6:53 PM] MurmurTwin: I've never played a fallout game but I looked at screenshots from the boston one and it seems awesome

/6:53 PM] dietcoupon: mmt- yeah um that's why i bought it i guess

/6:53 PM] dietcoupon: i started a new game bc i also got the season pass, it's all out now, and i gave it up just a little bit in

/6:53 PM] DocHurt: Hell yeah

/6:53 PM] dietcoupon: 3 < 4 < nv

[6:53 PM] quidnose: i am here and ready!

[6:53 PM] DocHurt: The Boston one is alright. . .

[6:53 PM] DocHurt: I wish it was better

[6:53 PM] quidnose: i haven't played F4 yet

[6:53 PM] quidnose: i played a little of 3 and less of NV

[6:53 PM] dietcoupon: yeah

[6:54 PM] DocHurt: I wish they didn't strip out all of the nonviolent modes of solving problems

[6:54 PM] dietcoupon: they need to just hire obsidian and make them write everything

[6:54 PM] DocHurt: I would shmooze and sleep my way out of all problems

[6:54 PM] dietcoupon: yeah, 4 was too FPSy

[6:54 PM] MurmurTwin: Hahaha the last time Hurt was talking about boston I made that mspaint of me shooting him

[6:54 PM] dietcoupon: still better than 3

[6:54 PM] DocHurt: I HATE THAT THEY TOOK OUT ACTUALLY KNOWING WHAT YOU WERE GOING TO SAY

[6:54 PM] DocHurt: that bugged me so much in 4

[6:54 PM] dietcoupon: SO MUCH bugged me about it

[6:54 PM] dietcoupon: but i'm a wee bit excited to explore it with all the dlc in place

[6:54 PM] DocHurt: Yeah just get Obsidian to make the next Fallout and maybe it won't be disappointing

[6:55 PM] dietcoupon: rumor is they're working on one

[6:55 PM] DocHurt: isn't the last DLC just "hey use the crafting system to manage a vault"

[6:55 PM] dietcoupon: there's a few!

[6:55 PM] dietcoupon: nuka world was the final one

[6:55 PM] DocHurt: I know there was far harbor?

[6:55 PM] DocHurt: and Nuka World. those were the two I heard of

[6:55 PM] dietcoupon: yeah, and there was one for BS homestead whatever bullshit worst part of the game

[6:56 PM] dietcoupon: even worse than

[6:56 PM] dietcoupon: omg

[6:56 PM] dietcoupon: that minutemen mission into the..power plant? i don't even know

[6:56 PM] DocHurt: Yep. that one suuuucked

[6:56 PM] dietcoupon: ugggggh guys it's an RPG not an FPS leave that to xbox live teenagers who call people fags and give us fallout 

[6:57 PM] DocHurt: New Vegas was great because it really blended exploration, FPS, and most importantly the good action RPG stuff

[6:57 PM] dietcoupon: the WRITING

[6:57 PM] dietcoupon: i'm getting my cass costume the fuck together for wasteland next weekend

[6:57 PM] DocHurt: I could hack my way into the city, sleep with the dude and kill him in his sleep, and then use science to rule the school

[6:57 PM] DocHurt: Ohhh nice!!

[6:57 PM] DocHurt: That's awesome. I loved Cass.

[6:58 PM] DocHurt: She was my favorite companion, even if I never drunk

[6:58 PM] dietcoupon: i dunno if i chose the whiskey or the whiskey chose me, but the buuurn suuits mee fiiiiiiiine

[6:58 PM] DocHurt: drank

[6:58 PM] DocHurt: I was her straightedge friend

[6:58 PM] dietcoupon: the drink perk was still really good!

[6:58 PM] DocHurt: It was

[6:58 PM] dietcoupon: but yeah she's a good shot and a fun conversationalist

[6:58 PM] DocHurt: mmhmm. Much better than most

[6:58 PM] DocHurt: Most idiots love. . . uh sharpshooter guy

[6:58 PM] DocHurt: they are fools

[6:58 PM] dietcoupon: it's all about cass, boone, and raul

[6:58 PM] quidnose: are we still talking about fallout?

[6:58 PM] DocHurt: mmhmm

[6:58 PM] dietcoupon: boone is great!

[6:59 PM] DocHurt: I mean Boone is alright. But he's no Cass

[6:59 PM] dietcoupon: his story

[6:59 PM] dietcoupon: damn

[6:59 PM] dietcoupon: That Fucking Game

[6:59 PM] DocHurt: A lot of people are just like ~ohhh tragic backstory. Let's bang~

[6:59 PM] dietcoupon: so boone

[6:59 PM] DocHurt: and treat that as it for the character.

[6:59 PM] dietcoupon: there's one quest where you need to take out the legion camp with the boat to caesar, right?

[6:59 PM] dietcoupon: boone is BUILT for it

[6:59 PM] DocHurt: Mmmm true

[7:00 PM] dietcoupon: they don't see you

[7:00 PM] dietcoupon: so you can still see caesar, and he never saw you so he doesn't hate you

[7:00 PM] DocHurt: NICE

[7:00 PM] DocHurt: That's what is so keen about that game

[7:00 PM] Asiina: Alright, here we go

[7:00 PM] DocHurt: there's a million and one ways to do things

[7:00 PM] DocHurt: SHOOOOOWTIME

[7:00 PM] dietcoupon: DICKS OUT FOR HARAMBE

[7:02 PM] dietcoupon: gosh i hope so

[7:02 PM] Asiina: correct

[7:03 PM] quidnose: "the real dominant alliance in the game"

[7:03 PM] quidnose: o rly

[7:03 PM] MurmurTwin: I agree with her :X

[7:03 PM] quidnose: would be a different story if i was up there ;()

[7:04 PM] quidnose: but alas

[7:04 PM] Asiina: @dietcoupon since you're first, let me know when you've read everything and are ready to post your question

[7:06 PM] dietcoupon: i'm good whenever

[7:06 PM] dietcoupon: waiting for chenbot itt

[7:06 PM] Asiina: k go for it

[7:07 PM] dietcoupon: danke

[7:07 PM] quidnose: i dislike both of their statements

[7:07 PM] quidnose: get your fucking cocky asses out of here

[7:07 PM] Sabayon: danke

[7:07 PM] quidnose: can we abstain

[7:07 PM] Sabayon: "dbd ur shit ur game was over before u knew it"

[7:07 PM] Sabayon: - pera

[7:07 PM] quidnose: like i would not

[7:07 PM] quidnose: at all

[7:08 PM] quidnose: use this as a platform to say how much better than everyone else i am

[7:08 PM] quidnose: except of course with the moral high ground of the jury ~

[7:09 PM] dietcoupon: quid i suggested this

[7:09 PM] dietcoupon: i even offered to pony up cash to throw in for a winning gift card for asii

[7:09 PM] quidnose: haha

[7:09 PM] quidnose: i am now trying to decide if your question is too similar to mine pmach lol

[7:10 PM] dietcoupon: yeah

[7:10 PM] dietcoupon: i actually sent it to cena earlier, since he was talking in here about pera and lying

[7:10 PM] dietcoupon: and just like

[7:16 PM] JuanCena: lol

[7:17 PM] quidnose: cat: "but i thought it was 3:19-3:36"

[7:17 PM] JuanCena: haha

[7:17 PM] Asiina: lol

[7:17 PM] JuanCena: im not understanding cats speech

[7:17 PM] JuanCena: i think i pegged it actually lol

[7:18 PM] JuanCena: its just playing up challenge wins, being in an alliance, and somehow getting me, someone who wasnt in any real major alliance, was "the biggest move of the game"

[7:20 PM] JuanCena: asiina message me on facebook when its jakes turn

[7:20 PM] JuanCena: im still at work but i think this is gonna go long

[7:20 PM] JuanCena: and i cant be holed up in the office

[7:20 PM] Asiina: k

[7:22 PM] Asiina: I'll just have you guys post as soon as they give their answer then you can read the previous answer while they're writing the next one

[7:23 PM] dietcoupon: 5 minutes for pera :ohdear:

[7:23 PM] DocHurt: Oh my

[7:23 PM] dietcoupon: lol @ cat though. i think she gets it.

[7:29 PM] dietcoupon: i need to move places in a minute anyway. asii, thanks for letting me go first~~

[7:31 PM] JuanCena: She basically ignored u completely and is trying to appeal to jurors

[7:31 PM] JuanCena: Asiina do i win clairvoyant bb

[7:32 PM] quidnose: that isn't a thing is it

[7:32 PM] quidnose: :C

[7:32 PM] DocHurt: I hope not

[7:32 PM] DocHurt: That would be rude. But I like it

[7:32 PM] quidnose: i really am ted moesby

[7:33 PM] quidnose: lol asiina i was on the phone when you posted the quidnose memorial challenge

[7:33 PM] quidnose: didn't see the gif for it xD

[7:37 PM] quidnose: :barf:

### NEW MESSAGES

[7:37 PM] quidnose: "cut this notion off right now"

[7:37 PM] quidnose: oh ok that's cool that you think you have any power left whatsoever right noqw

[7:37 PM] quidnose: 1 person taking 0 accountability

[7:37 PM] quidnose: next

[7:39 PM] quidnose: lol and cat actively blaming me

[7:39 PM] quidnose: @DocHurt

[7:40 PM] quidnose: stay classy, final 2.

[7:40 PM] quidnose: hey @Asiina can i be a spiteful dick and make a post after pera since cat broke the rules and made 2~

[7:40 PM] Asiina: no

[7:41 PM] quidnose: mod bias

[7:45 PM] JuanCena: Quidnosed it again...

[7:45 PM] quidnose: lol

[7:45 PM] quidnose: stop that

[7:45 PM] quidnose: :v

[7:45 PM] quidnose: cena do i annoy you, i feel like i annoy you xD

[7:46 PM] JuanCena: Im just teasin

[7:46 PM] JuanCena: No

[7:46 PM] dietcoupon: i'm just going to say i'm completely incredulous and upset right now

[7:46 PM] quidnose: hey we love you pmach

[7:46 PM] dietcoupon: oh quid i love you too

[7:46 PM] quidnose: hour and a half and you can talk about it with me

[7:46 PM] quidnose: and all of us

[7:46 PM] dietcoupon: totally buying you beer in december

[7:46 PM] quidnose: yay~

[7:46 PM] dietcoupon: mry krsms

[7:46 PM] quidnose: hah

[7:46 PM] quidnose: so many krsms

[7:46 PM] JuanCena: Krysmas

[7:46 PM] quidnose: also i just figured out how i am making my vote

[7:47 PM] dietcoupon: wait but did you get that miccing shit? did it make any sense?

[7:47 PM] quidnose: yes i did

[7:47 PM] quidnose: i haven't really had time to look at it lol

[7:47 PM] JuanCena: Cat and peras answers to quid made me feel dumber

[7:47 PM] quidnose: but it did make sense when i glanced over it

[7:47 PM] dietcoupon: no worries. basically your mics are fine but not for vocals

[7:48 PM] quidnose: oh shit i may have found one that i can just modify that's better lololol

[7:49 PM] dietcoupon: make/model?

[7:49 PM] quidnose: yeah that's a good idea

[7:49 PM] Sabayon: oops should be 1 more sec

[7:49 PM] Asiina: @Sabayon you gotta post your question

[7:49 PM] Sabayon: hyperlinked something that didnt copy

[7:49 PM] Asiina: you're holding up the line!

[7:49 PM] quidnose: lol

[7:49 PM] Sabayon: NEED THIS HYPERLINK

[7:49 PM] Sabayon: brb

[7:49 PM] quidnose: god damn dbd you writing it now :v

[7:49 PM] DocHurt: Dbd!!

[7:50 PM] dietcoupon: wait quid i'm confused

[7:50 PM] Sabayon: ok posted

[7:50 PM] dietcoupon: we were having a really deep intellectual converstion!!!

[7:51 PM] quidnose: what are we talking about

[7:51 PM] quidnose: lol

[7:52 PM] dietcoupon: oh shit i may have found one that i can just modify that's better lololol  
dietcoupon - Today at 4:49 PM  
make/model?  
quidnose - Today at 4:49 PM  
yeah that's a good idea

[7:52 PM] dietcoupon: if you meant a vote

[7:52 PM] dietcoupon: then go forth and prosper :V

[7:53 PM] Sabayon: burps

[7:53 PM] quidnose: yeah i did mean a vote

[7:53 PM] quidnose: @Sabayon

[7:53 PM] quidnose: i very much regret

[7:53 PM] quidnose: not publicly outing this shit in pera's chat

[7:53 PM] quidnose: and letting you know before the votes were in

[7:53 PM] quidnose: if i had been able to, i would have PMed pera privately about it

[7:53 PM] quidnose: but i was still trying to deal with the whole MMT trust thing

[7:53 PM] quidnose: and i didn't feel i was in a place where i could drop that bomb

[7:53 PM] quidnose: and i also couldn't PM you

[7:53 PM] quidnose: mmt and cat really took advantage of that situation

[7:53 PM] quidnose: PRETTY FUCKED UP MMT

[7:54 PM] Sabayon: i just wish pera was forced to make a decision

[7:54 PM] quidnose: hi hurt~

[7:54 PM] quidnose: hey @MurmurTwin

[7:54 PM] quidnose: if it had been you me pera f3

[7:54 PM] quidnose: and you had won

[7:54 PM] quidnose: would you have booted me and taken her?

[7:55 PM] MurmurTwin: 100%

[7:55 PM] DocHurt: Hi quid!!

[7:55 PM] quidnose: i wonder if i would have been able to win the posting challenge against pera

[7:55 PM] quidnose: probs not

[7:55 PM] MurmurTwin: like i said, I don't play matchups, I try and be loyal ☐

[7:55 PM] quidnose: i definitely wouldn't have been able to do that final challenge though

[7:55 PM] quidnose: oh wait x's and o's

[7:55 PM] quidnose: i actually might have been ok on that

[7:55 PM] quidnose: i was close to beating jake with that i was just nto fast enough

[7:55 PM] quidnose: and i got to the corner and had a fuckup lol

[7:56 PM] MurmurTwin: i did the bumper stumpers comparatively fast I think, didn't try the egg game, and suck at tic tac toe

[7:56 PM] quidnose: mm

[7:56 PM] quidnose: well, at least i feel better knowing that i would have been out at f3

[7:56 PM] quidnose: although

[7:56 PM] quidnose: well

[7:56 PM] quidnose: pera betrayed you

[7:56 PM] quidnose: so

[7:56 PM] quidnose: who knows

[7:56 PM] quidnose: lolol

[7:56 PM] dietcoupon: mmt did you like my attempt at accountability

[7:56 PM] quidnose: hard for her to say "i 100% would have dumped you" when she 100% dumped you after saying she wouldn't xD

[7:56 PM] MurmurTwin: I liked your question very much pmach!!

[7:56 PM] quidnose: DID YOU LIKE MY QUESTIOPMN

[7:56 PM] MurmurTwin: haha mine seems soooo mean now that I'm not mad anymore

[7:57 PM] Sabayon: "i regret nominating flerp over dbd @ 10"

[7:57 PM] JuanCena: I think im not even gonna address cat

[7:57 PM] Sabayon: well ones not a juror cat

[7:57 PM] Sabayon: jesus christ

[7:57 PM] **MurmurTwin**: and like I have to just say that somewhere because it's going to make me feel bad

[7:57 PM] **quidnose**: mmt i hope you didn't feel bad with me dragging out our final cnoversation and twisting that dagger

[7:57 PM] **MurmurTwin**: ah no you guys do you!

[7:57 PM] **quidnose**: ☐

[7:57 PM] **Sabayon**: i feel a lot of social things were overlooked for the moirai wankfest

[7:57 PM] **Sabayon**: (sorry mmt)

[7:57 PM] **quidnose**: ^

[7:58 PM] **MurmurTwin**: no I'd agree with that

[7:58 PM] **JuanCena**: Agreed with dbd

[7:58 PM] **MurmurTwin**: but I think that's a consequence of human sociology

[7:58 PM] **quidnose**: also at least pera is going to feel like a big fat fucking asshole when she does shit like call us impotent and thenr ealized how many big plays we made ☐

[7:58 PM] **MurmurTwin**: like in order for one alliance to bond, it has to be at the expense of someone or it isn't genuine

[7:58 PM] **Sabayon**: balancing both would be difficult but doable, i think

[7:58 PM] **quidnose**: (i might be overselling chillhaus a bit in the opposite direction)

[7:58 PM] **Sabayon**: with a little bit more

[7:58 PM] **MurmurTwin**: (I just try not to be mean or inconsiderate about it

[7:58 PM] **Sabayon**: .. trying i guess, cant find the right word~

[7:59 PM] **JuanCena**: Me and jake were only jurors not in any real major alliance

[7:59 PM] **quidnose**: oh [@jakep](#)

[7:59 PM] **quidnose**: someone should remind him to be here

[7:59 PM] **quidnose**: lololol

[7:59 PM] **JuanCena**: I guess i was honorary hugbox after all

[7:59 PM] **quidnose**: if he misses 2 questionings in a row i will laugh

[8:00 PM] **MurmurTwin**: I felt very much alone until my HOH week (like I knew pera and cat had other groups and I didn't so I felt like I didn't add any value)

/8:00 PM/ quidnose: i just like

/8:00 PM/ quidnose: it's so hard for me to understand where you were coming from with that, MMT

/8:00 PM/ quidnose: because i saw cat like actively doing shit for you

/8:00 PM/ quidnose: ☐

/8:01 PM/ quidnose: she PULLED YOU DOWN TWICE

/8:01 PM/ quidnose: she THREW A VETO AT YOU

/8:02 PM/ Sabayon: we need a rivals game where we pair people up

/8:02 PM/ Sabayon: MMT and quid would be good

/8:02 PM/ MurmurTwin: (a) I talked with pera a lot more and (b) the house meeting was literally 7 people excluding the two of us, and (c) hurt/cat felt like a solid duo

/8:03 PM/ dietcoupon: c legit upsets me

/8:03 PM/ JuanCena: Quid she also did those things out of necessity

/8:03 PM/ dietcoupon: because i think you may be correct

/8:03 PM/ JuanCena: If mmt goes shes down a vital number, and by cats admission those moves were made with ulterior goals in mind

/8:04 PM/ JuanCena: If cat doesnt use veto on mmt that 7th week

/8:04 PM/ JuanCena: Chillhaus minus cat is most likely final 3

/8:05 PM/ dietcoupon: cat was never chill

/8:05 PM/ quidnose: cat throwing pera under the bus first chance she gets~

/8:05 PM/ JuanCena: Thats what im sayin

/8:05 PM/ quidnose: in her dbd response

/8:05 PM/ dietcoupon: that's why i got a bit weird about both you and hurt including her

/8:05 PM/ JuanCena: Cat loses if she doesnt save mmt

/8:05 PM/ JuanCena: I didnt know about chill

/8:05 PM/ JuanCena: You cant blame me on that

/8:05 PM/ dietcoupon: chillhaus minus cat implies cat was chill

/8:05 PM/ dietcoupon: cat was not chill

/8:05 PM/ JuanCena: Misread

/8:06 PM/ quidnose: yeah that

/8:06 PM/ quidnose: my social game just wasn't strong enough that week

/8:11 PM/ JuanCena: not for me because i have so few

/8:11 PM/ DocHurt: Mmhmm

/8:24 PM/ JuanCena: pera knows she doesnt need a novel per person right

/8:25 PM/ DocHurt: Less is not more.

/8:25 PM/ DocHurt: pera must write forever

/8:25 PM/ MurmurTwin: hah in a way i'm expecting her to write one for mine

/8:27 PM/ Sabayon: imo

/8:27 PM/ Sabayon: just punt jakes vote

/8:27 PM/ Sabayon: honestly

/8:27 PM/ Sabayon: she didnt need to write all that

/8:38 PM/ quidnose: lol

/8:38 PM/ quidnose: good blowup

/8:38 PM/ quidnose: 

8:38 PM Sabayon: that would be my final question to him if he was there at the end also

8:38 PM JuanCena: the young bucks - mmmBop, tomasso ciampa - psycho killer, bryan danielson - the final countdown

8:38 PM DocHurt: Hahahahaajahajah I hope someone chooses 6.9

8:38 PM DocHurt: The sexiest number

8:38 PM Sabayon: i think mine is shinsuke nakamura's new one, golddust and jake the snake's thing

8:39 PM JuanCena: real songs almost always beat wrestling themes, with exception to mitsuharu misawas theme

8:39 PM DocHurt: I like gold dust

8:47 PM JuanCena: i never rng'd my jury

8:47 PM JuanCena: it was always methodial

8:47 PM Sabayon: yeah cena just lke u "rng'd" the challenges

8:47 PM Sabayon: - chic trombone

8:48 PM DocHurt: Shagadelic

8:48 PM Asiina: lol

8:48 PM Sabayon: id actually hate hurt if he asked me that question in th efinals

8:48 PM DocHurt: Only God can judge me

8:48 PM JuanCena: for whatever reason i always thought the austin powers movies came out in like early 00s

8:49 PM DocHurt: Me too. I had to look up which came first

8:49 PM MurmurTwin: agree with dbd

8:49 PM DocHurt: Last time my question was fun but weak.

8:49 PM MurmurTwin: i think in both survivors I was in the finals of someone asked me a goofy question and I choked up

8:49 PM DocHurt: This time I had prep time

8:49 PM MurmurTwin: jake did it to me

8:50 PM MurmurTwin: like it's so hard to be funny when you're that locked into the moment

8:51 PM DocHurt: That's why this is the ultimate challenge

/8:52 PM/ **MurmurTwin**: protip if I'm ever in another finals and you hate me - just ask me to be funny

/8:54 PM/ **JuanCena**: protip to everyone else dont let this girl in the finals yeesh

/8:55 PM/ **JuanCena**: but for real tho ya

/8:55 PM/ **JuanCena**: mmt idk if it means anything but you were like 90% probably getting my vote out of the final 4 situation if you got there

/8:57 PM/ **MurmurTwin**: yay! i really try not to think about jury votes until i'm there, i feel like doing that is putting the cart before the horse - i actually haven't at all thought about if i would have won or not, if you can believe it

/8:58 PM/ **Sabayon**: how long do we have to do our votes after we're all done

/8:58 PM/ **Sabayon**: or should we be doing it now

/8:59 PM/ **DocHurt**: Looks like

/8:59 PM/ **DocHurt**: I stumbled the..

/8:59 PM/ **DocHurt**: Them

/8:59 PM/ **Sabayon**: u stumbled over ur sentence

/8:59 PM/ **DocHurt**: It's true

/8:59 PM/ **DocHurt**: Autocorrect!!

/8:59 PM/ **Sabayon**: :3

/9:00 PM/ **Asiina**: okay MMT

/9:00 PM/ **Asiina**: you'll have time

/9:02 PM/ **MurmurTwin**: :covers eyes:

/9:03 PM/ **DocHurt**: I am glad pera did both

/9:07 PM/ **Sabayon**: MMTs thing made me sad 

/9:08 PM/ **MurmurTwin**: i legit tear up when I read it because it makes me remember how i felt when I wrote it (which I see as a good thing; I like reading/viewing/listening to/experiencing things that make me feel strongly one way or the other)

like the second the game ends I'm taking it all back

/9:11 PM/ **quidnose**: haha

/9:11 PM/ **quidnose**: make her squirm

/9:11 PM/ quidnose: twist the dagger

/9:11 PM/ quidnose: good tv, good tv

/9:11 PM/ JuanCena: i cant listen to pera's impression cuz im at work

/9:11 PM/ JuanCena: was it good

/9:11 PM/ JuanCena: y/m

/9:11 PM/ JuanCena: \*y/n

/9:11 PM/ DocHurt: She didn't know any Austin Powers lines

/9:11 PM/ DocHurt: it was funny

/9:11 PM/ DocHurt: But

/9:11 PM/ DocHurt: Not shagadelic

/9:11 PM/ Sabayon: she shoulda just said shoot your goo my dude

/9:12 PM/ MurmurTwin: i feel so bad for asking pera that 

I appreciate that she must have felt even worse when she evicted me, so I'd like to hope on some level it'll be a thing to bond over 

/9:13 PM/ JuanCena: if there is one thing i hate its when players take 0% accountability

/9:13 PM/ MurmurTwin: ^ i feel that way about people in real life too! 

/9:13 PM/ JuanCena: cat owned up at least

/9:14 PM/ Sabayon: this is a tough vote for me

/9:15 PM/ JuanCena: same

/9:15 PM/ JuanCena: my number was 5.5 :V

/9:15 PM/ Sabayon: :V

/9:15 PM/ Sabayon: :/

/9:16 PM/ MurmurTwin: how interesting that pera's confessional from my point of view after getting betrayed is "I don't want to sound selfish,"

/9:16 PM/ MurmurTwin: like, that is not at all what i was thinking lol

/9:16 PM/ JuanCena: narcissism will do that lol

/9:16 PM/ JuanCena: i would know

[9:19 PM] quidnose: my vote is complete~

[9:20 PM] JuanCena: ive made 2 votes and i am still up in the air

[9:21 PM] Asiina: Once they've made their final statements I'm locking this room

[9:21 PM] JuanCena: boo

[9:21 PM] JuanCena: lets make a real jury house room and not invite asiina

[9:21 PM] JuanCena: or bottle knight

[9:23 PM] quidnose: you've together, mmt

[9:23 PM] quidnose: you've together

[9:23 PM] quidnose: that is a pretty weak confessional from pera

[9:24 PM] quidnose: also @MurmurTwin

[9:24 PM] quidnose: wish you had seen what i was saying with cat :\'

[9:24 PM] JuanCena: hi im peramene's doctor, i just wanted to let all of you know that you should be more careful

[9:24 PM] JuanCena: she has allergies

[9:24 PM] JuanCena: allergic to honesty, allergic to winning, allergic to legitimacy

[9:24 PM] JuanCena: also shellfish

[9:26 PM] MurmurTwin: I'm realizing that while I used to fear being first one out in these games, the more realistic thing to worry about is that literally no one will ever bring me to a finals ☐

Thank goodness this is fun regardless and I hope I get to keep doing 'em ☐

[9:26 PM] JuanCena: i would bring u to the end but i dont think id ever get there lol

[9:26 PM] Sabayon: MMT im taking you out week 1 every game now ☐

[9:26 PM] Sabayon: or we can work together and make a finals

[9:26 PM] JuanCena: i was just boned day one this game

[9:27 PM] JuanCena: that dumb hoh twist doomed me

[9:27 PM] Asiina: rekt

[9:27 PM] Sabayon: lmao

[9:27 PM] **JuanCena**: at least i didnt get jodi'd

[9:27 PM] **Sabayon**: "double elim this week'

[9:27 PM] **Sabayon**: - cena

[9:27 PM] **Sabayon**: every week

[9:27 PM] **Asiina**: lol

[9:27 PM] **JuanCena**: yeah

[9:28 PM] **JuanCena**: im still waiting for the buyback though

[9:28 PM] **JuanCena**: its gotta be comin REAL soon

[9:28 PM] **Asiina**: it was the week before you were evicted

[9:28 PM] **JuanCena**: you mean pmach lost to herself?????

[9:28 PM] **JuanCena**: dang

[9:29 PM] **Asiina**: Alright guys, their answers are up, it's time for your votes. I'm stopping talking in here

[9:29 PM] **Asiina**: thank you for playing everyone

[9:29 PM] **Asiina**: and see you in the thread!
