

Upon interacting with the Harbourmaster for the first time:

**Harbourmaster:** "Heya, fun size! What are you up to down there?"

**Harbourmaster:** "Hahaha..."

**Harbourmaster:** "Haha..."

**Harbourmaster:** "Ha. Do you get it?"

**Harbourmaster:** "Anyways, let me tell you about what's going on around here."

**Harbourmaster:** "In case your short little brain hasn't realized it yet, you aren't on Arcisol any more. You're on Ankor. Right now, we've got our coliseum open for combatants like yourself to fight with and against others in order to become a **champion** of this skyland, and therefore get sweet bragging rights for the rest of eternity."

**Harbourmaster:** "Now, I don't know about you, but if I was as small as you are, I wouldn't even bother going in there. I mean, at least half the guys I see going in there could step on you and not even notice! That said though, don't let me stop you from entering..."

**Harbourmaster:** "Just speak with me again before you go in."

Upon interacting with the Harbourmaster again:

**Harbourmaster:** "Alright! Get your gear on and go when I give the signal!"
