

Rules

(Faceclaim 1: Aphrodite from Smite.)

Why hey there! Say hello to the face behind [liroyalty](#) & [vixlenxe](#)!

You may call me **Chaos**(*she/her* pronouns please), that's what everyone online knows me as, I'm a 25+ year old lady, living in the USA, & I have about 10+ years of rp experience & hope to have many more.

(Faceclaim 2: Zhang Chunhua from Dynasty Warriors.)

Here are the basic rules:

1. Be respectful to one another.
2. Put effort into your rp.
3. Ask for a starter if you want one, I'm not a mind reader you know. :)
4. I do sometimes rp touchy subjects, such as classism, racism, torture, death, rape, etc, as per the nature of some of the characters present. I will tag them as according to their trigger(ex: tw torture | torture tw) so be prepared for such things on these blogs if you still decide to follow.
5. The Mun is 25+, as such Smut will be okay every now-&-then, but it is not the focus point of this blog. I do tend to shy away from such things & will usually do a 'fade-to-black' sort of thing, although do remember that simply because I don't write sex sometimes doesn't mean it doesn't happen.
6. If you are confused about something, don't be scared to ask for clarification.

7. Do not be afraid to ask for a certain verse/muse or for a rp in a different one then you have gotten. These are multi muse blogs after all!
8. Please ignore any spelling mistakes/grammar mistakes made during rps, the mun tends to type fast & as such will make mistakes a lot.
9. I am a bit dodgy with replies because I go based off of my mood at the time, so please be patient, & don't be afraid to remind me I owe you a reply. I tend to forget as well.
10. If you are using Tumblr+ to make people pay to interact with you, I'm not going to interact with you. Roleplaying is meant to be a hobby, not a money making scheme.
11. About if I have a discord: Yes, I do have discord, but I will not just give it to you because you ask. I have been stalked & harassed on discord before, so I'm not willing to give it to just anyone, so do not take it personally if I say I don't want to give it to you or just dodge answering entirely.
12. **There is a ZERO tolerance policy regarding drama & stress.** And this is in regards to anyone, even my closest friends. If you turn out to be nothing but a source of stress in my online life, I will have to remove you from said online life(blocked & blacklisted). This includes if you make/reblog call out posts often or make/reblog real life political posts often. It's fine if you make these sorts of posts sparingly, but if everytime I see you on my dash/click on your blog & see something of that nature, I'm going to unfollow you.
13. **Regarding DNIs, or Do Not Interact lists:** *I'm going to ignore them.* This is because, whatever your personal beef is with those people is not my business, nor is it my responsibility to keep someone you don't like away from my blog. If you do the proper blocking & blacklisting then it shouldn't be a problem(there are some exceptions to this rule, but those are only for people who have caused harm to the roleplaying community as a whole & not just within our own little bubbles of friends & writers).
14. **Regarding Memes & Aesthetic posts:** I AM NOT A MEME BLOG OR AN AESTHETIC BLOG, DO NOT LIKE/REBLOG THESE THINGS FROM ME, GET THEM FROM THE SOURCE! I am pretty relaxed with this rule, as I understand sometimes the source is a deleted blog, but if I see you are doing nothing but getting memes & aesthetics from me, I'm gonna have to block you.
15. Don't mass like or reblog my posts, please, especially any aesthetic or memes posts, that is annoying & clouds up my activity feed, which I need to keep track of threads when I am away from one of my blogs for an extended period.

(Faceclaim 3: Kagamine Rin from Karakuri Burst.)

But with all that aside, I hope we can get along & become friends & that you enjoy the content I provide on this blog~
