CLUBHOUSE & GROUNDS

Front Courts out of action for three weeks

From Monday 17th October-Saturday 5th November the front courts are being resurfaced. After the resurfacing they will be usable but will be unpainted with temporary lines. Please be aware that some staining of balls will occur during the 'curing' process. Access to the back courts will still be possible.

During the resurfacing there will be no parking at the club so members must not bring their cars up the lane for the whole three week period. Also bear in mind that Hartswood Road parking is restricted from 9am-5pm on Monday-Friday to those vehicles with a residents parking permit or who have paid and displayed. The courts will be painted in the Spring.

Tree Pruning

There should be improved visibility at night after the surrounding trees have been pruned. A big thank you to Les Irving and Tony Twiss is due on behalf of the club for their overseeing of the work on the grounds and courts.

TEAMS

Winter League: Do you have what it takes?

There are Men's, Women's and Mixed Doubles teams that play during the Winter months. If you would like to be considered and you are of roughly the right standard please get in touch with Club Captain Nick Warshaw by emailing him at nick.warshaw@keurope.com
