****The 2020-21 Trimester 1 Progress Report reflects students academic performance as observed during a six-week period of fully remote learning. A typical grading period in District 58 traditional Trimester reporting system and language for the sake of consistency, it is important to recognize that the progress report is unique, and should not be interpreted as a formal letter grades on this progress report are non-binding and should also be seen as a moment in time assessment rather than a formal trimester grade.**
