

Proposal History:

The IJA board of directors agreed to an IRC annual budget that included a \$12,000 director payment. The previous agreement by the board was that the IRC director would receive \$1,000 per IRC. The treasurer and bookkeeper agreed this year to pay a \$1000 payment to keep payments consistent.

As the IRC events are currently on hold, that makes it so the IRC Director is not officially getting paid any longer. However, there is a lot of work that needs to be done and would benefit from being done now while there is ample time. Workload that needs to be done includes:

- Website updates
 - There are several regions that need to be updated with current information, and the model of webpage structure is also in the process of being updated. Getting this knocked out now would be great!
- Ongoing communication with the hosting festivals
- Dealing with canceled and postponed events
- Creation of IRC participation documents
- Finalising rules translations and getting them put on the website
- Get caught up with highlights videos
- Weekly social media posts to keep our audience excited and hyped
- Graphic design and promotional concept work for the World Cup
- Continued buildout of plans for the World Cup

Potential additional project idea:

- IRC Champions features - mini documentaries of our past IRC champions. The goal would be to use this as a way to share the history of the IRC, promote the artists, and continue to promote support and awareness of the program.

2020 Budget

- The motion is requesting \$500/month until regular organization of the IRC can resume, up to a maximum of 4 months - for a potential total of \$2,000
- There is currently sufficient funding in the IRC annual budget to cover this \$2,000 payment
- The request is that this payment is separate to the \$1,000 per IRC stipend as this is additional time and work that is being compensated. The same amount of work will still exist for each IRC once they are back in action.
