What to learn more about Fire Fan?

If sports is your passion, we've got your game. It's way more than an app. It's real-time play that puts your head in the game...literally.

You predict the scores. You call the plays. You decide the action. The penalties. And more...

...ALL IN REAL TIME. WHILE YOU ARE WATCHING THE GAME!

And even more remarkable...you get a chance to compete against your favorite sports heroes, celebs, your college buds, friends and family, or die-hard fanatics just like you.

You can play for free, or join our League. The better your calls, the more accurate your predictions, the faster you'll move up in the standings. The more you play, the more rewards you'll earn!

Forget the statistics. Rely on your instincts. Anyone, any age, any level can play.

Don't miss out. See why FireFan is getting every sports fans across America all fired up.

Download the app today here:
