

CUSEC 2023 Role Descriptions & Relevant Skills

Role responsibilities may vary due to COVID restrictions and change in conference delivery format

Head Delegate (HD)

Role description:

As Head Delegate, you are your school's own CUSEC ambassador, who will recruit and promote the conference to students. You'll get the chance to build rapport with clubs and societies at your university while also building excitement for CUSEC!

Just like planning a trip, you'll help ensure students can prepare for travelling to the conference, such as booking flights and living accommodations. We will provide materials for you to reach out to your university's departments or clubs to make funding easier for you and the delegates.

You will also be receiving support from the Director of Promotions, who will coordinate announcements with you and provide guidance for organizing your delegation's travel.

Relevant skills:

- You are able to connect with students and enjoy bringing people together for fun experiences.
- You possess the skills to help organize travel and accommodations for a group of people
- Being involved in your school community is a plus!
