Please choose three activities for spelling homework this week. When completed check the box next to each activity. For enrichment, complete all four activities!

1. Vowel Find- Write all of your spelling words carefully on your paper in print. Then put a box around the vowels.

Example: n a m e

2. Perfect Paragraphs-Use as many of your spelling words this week as you can to write a creative paragraph. Your paragraph can be realistic or fantasy. It can be narrative or informational. For enrichment illustrate your paragraph!

3. Where In The World?- This week you will be looking inside, upside down and around the world for words that fit your spelling patterns. Make a list. How many can you find this week? Good luck detectives!

4. No Peek Sort- Have your partner give you a spelling word. Write the word on your paper in a column under correct header. Complete all spelling words, writing each word under the correct header. Check your work. You get 1 point for each word spelled correctly and 1 point for each word sorted under the correct column. Remember, no peeking!
