Fundraiser name: 2025/26 Lansdowne Music Fundraiser

If needed our account number is **63029**

Important dates

Order deadline - midnight on Sunday, November 23

Order pick up - December 4-11

VERY Important - Make sure that your funds are directed to your student!

If you want to support your student in the Lansdowne Music program, please enter the student's name in the 'First name' field and the customer name in the 'Last name' field.

Important note: The proceeds of any order without a student name associated will go into the general account, not the student's individual account. To avoid this, please place your student's full (first and last) name in the FIRST name field, and the Customer's full name in the LAST name field

(Thanks to the lovely folks at Oak Bay High who have shared this handy 'how to guide' for ordering! We have edited the details for LMPA)
