

Privacy Policy

Privy-Chat ("we", "our", or "us") is committed to protecting your privacy and providing a secure messaging experience. This Privacy Policy explains how we collect, use, and safeguard your information when you use the Privy-Chat mobile application.

1. Information We Collect

User-Provided Information

- Name

Chat & App Usage Data

- Messages sent and received (may be encrypted depending on app settings)
- Media shared (images, videos, documents)
- Contact list access (only when you choose to sync contacts)

Device Information

- Device model
 - Operating system
 - App version
 - Notification tokens for message delivery
-

2. How We Use Your Information

We use your data to:

- Provide and operate Privy-Chat messaging services
 - Deliver messages and notifications reliably
 - Improve app performance and user experience
 - Offer customer support
 - Enhance security and prevent unauthorized access
 - Analyze usage for app improvement
-

3. Data Storage and Security

- Your information is stored securely on protected servers.
 - We use encryption, authentication, and security protocols to protect your data.
 - Sensitive data such as messages may be encrypted during transmission.
-

4. Sharing of Information

We **do not sell or rent** your information.

We may share information only:

- When required by applicable laws or legal processes
 - To prevent fraud, security threats, or misuse of the app
-

5. User Control

You may request the following by contacting us:

- Account deletion
- Data deletion

- Correction of stored information
- Export of your data (if available)

We will respond within a reasonable timeframe.

6. Children's Privacy

Privy-Chat is **not intended for children under 13 years of age**. We do not knowingly collect information from children.
