Frequently Asked Questions

Q: Who should complete this aid application?

A: Whomever the child resides with should complete this application whether it is a parent, grandparent, aunt/uncle, or legal guardian. There is a section within the application where you can enter contributions from non-custodial parents and relatives. If the child is supported by both parents, each parent needs to complete a separate application.

Q: Why do I need to input my spouse's information if I am remarried, and they are not legally responsible for my children?

A: Blackbaud Financial Aid Management's calculation works off of the total household income, therefore including all income, whether the party is legally responsible for your children or not. Our system, however, does take into effect your spouse's expenses as well as their income. It is important to list all expenses that are asked of within the application.

Q: I do not have the required tax documents. HELP!

A: Include the most recent tax documentation you have available. If you are asked for a specific line from a tax document that you have not yet completed, please estimate the projected amount.

Q: How will I know if I qualify for aid or not?

A: We do not disclose information about the results of your application. All final tuition aid decisions, including notification of an award amount (if any); will be made by your school. For the date award notices will be given, please contact your school directly.

Q: What if I want to edit my application?

A: Once an application has been submitted and paid for it can no longer be edited by a parent. However, if changes are necessary a written statement with the change (including the application ID), should be sent to financialaidsupport@blackbaud.school.
