- You are going to create an interview with a friend from the pavlovas group. One of you will be the interviewer while the other will be a either Mac or his father.
- Once you have completed the below interview planning form and have created your interview questions you will film the interview using either the class camera or an iPad.
- Post this onto your blog with 1-2 paragraphs explaining your learning.

Interviewer:

Character:

(Please state whether or not you are Mac or his Dad too)

Planning space for your character development:

Write what details you know and can create. eg. Age, Gender, etc	
What are their interests do you think?	
What is their job or what do they normally do? e.g., are they a student, architect, etc.	
Why have they decided to bike the length of the north island?	
What kind of person is your character? Think of his personality.	

Write your interview questions

1. Write a short introductory paragraph about who the character is (2 sentences should be enough).
2. Write a question that asks the character about why they are cycling the length of the North Island
 - a. Answer from the perspective of the character
3. Write a question that asks the character about what challenges he faced - what were the hardest things, etc.
 - a. Answer from the perspective of the character
4. Write a question that asks the character what he has learnt about himself through this amazing journey.
 - a. Answer from the perspective of the character
5. Write one or more questions that you would like to find out as the interviewer.

Answer the questions you have written as if the character had answered it themselves.
