School District of Nekoosa Announces New Superintendent

Board President Cody Przybylski announced today that the School District of Nekoosa has chosen Dr. Nathan Black as their next superintendent of schools effective July 1, 2023. The recommendation is pending finalization of contract details and official board approval on June 14, 2023.

The board began their superintendent search in March, 2023. The search included a rigorous application process, as well as an open forum interview that included staff members, parents, students, and community members, and interviews with the administrative team and the Board of Education. President Przybylski stated, “We are excited to have Nathan as our next superintendent. He is an intelligent, caring individual who loves Nekoosa. The board looks forward to working with him as we continue to improve education and athletics in the district for our students, families, and the community.”

Dr. Black has served the Nekoosa School District since 2007 as a teacher, instructional coach, director of instruction, and middle school principal.

He earned his Bachelor of Arts degree with honors in English and German from Brigham Young University and his doctorate in curriculum and instruction from the University of Wisconsin – Madison.

Dr. Black will replace retiring superintendent Terry Whitmore.
