Description of Project

Trellis - The ultimate hub for token swaps on Aptos and Sui newtorks.
Trellis.fi is an on-ramp to the Sui and Aptos ecosystem. Our mission is to bridge great projects with an amazing community. To users, it's where you can swap, earn yields, and participate in the IDOs of your favorite projects on the Aptos and Sui networks. To projects, it's a fundraising platform, market maker, and exchange all rolled into one package.
