OPEN DAYS

Welcome to your Oxford Brookes University Open Day

Our Headington Campus is set across 3 sites (Gipsy Lane, Headington Hill and Marston Road). Located 1 mile east of Oxford city centre, a scenic walk or short bus ride gets you to the heart of the city.

You'll find a thriving student community living and learning in a modern, uplifting environment. The student support team, based in the John Henry Brookes Building (JHB), provides a full range of support and advice services on campus.
