## Departing Trustees

With today's meeting, we mark the departure of two trustees from the Board. Cumulatively, they have given nearly 20 years of service. We are deeply grateful and indebted to them for their time, enthusiasm, and wise counsel. We welcome their continued support and involvement with the Museum in the years to follow:

### **Steven C. Adams**

Steve Adams joined the Museum's Board of Trustees in 2005 and served on the Building Planning Committee during the 2006 Capital Campaign improvements, as well as on the Museum's Facilities Committee. For several years Steve was an instructor for the Kennebunk Adult Education course, "So You Think You Know Kennebunk," drawing upon the knowledge and experiences he has had living in Kennebunk for more than 40 years. Steve has been with Kennebunk Rotary since 1981, serving as its president in 1997-1998. Steve has been a chairman, officer or trustee with several organizations and committees, including the Town of Kennebunk Downtown Revitalization Committee, Town of Kennebunk Downtown Committee, Town of Kennebunk Historic Preservation Commission, MSAD #71 Board of Directors, York County Community Action, Cub Scout Pack #304, and the Kennebunk Alumni Association.

### **Bruce R. Jackson**

Bruce moved from London to Kennebunk, Maine, in 2004, after a 30-year business career as an executive with IBM and AT&T. He has also been a professional speaker and presenter. Bruce owned and operated The English Meadows Inn and Tea Room in Lower Village Kennebunk until December 2010. A self-professed “history buff,” Bruce has a degree in international studies from Johns Hopkins University. Bruce joined the Museum’s Board of Trustees in 2005 and has served as the chair of the Museum’s Collections Committee since 2007. He was also one of the founders of the Kennebunkport “Arts in the Inns” Festival.

## **Candidates Nominated As Officers, 2011 - 2012**

### **Stephen P. Spofford, President**

Steve is a native of Kennebunk, having grown up on Summer Street. His first involvement with the Museum was through his mother in the late 1970s. Steve has been on the Museum’s Board of Trustees since 2002, has chaired the Facilities Committee since 2003, and has also served three years as Vice President. He became President of the Board in 2008 and successfully led the Museum through its capital improvements projects in 2008 and 2009. Steve is employed by the Kennebunk, Kennebunkport & Wells Water District. He is actively involved with South Congregational Church, has been a trustee at the Kennebunk Free Library, and is a former president of the alumni association for the University of Maine-Farmington.

### **Christopher J. Farr, Vice President**

Chris became a full-time resident of Kennebunkport in 2001 after 15 years of being a summer and weekend visitor. His career has been in the field of Medical Imaging where he has focused on advanced imaging modalities such as MR, CT and nuclear medicine devices and in the treatment of cancer using radiation. He is currently Vice President of Sg2, a company based in Chicago that helps hospitals plan for new technologies. For many years, Chris headed Philips Medical Systems’ business in North America and ran the Canadian operations of Philips during a time when the company was growing through mergers and acquisitions. His career in medical high technology began with Atomic Energy of Canada. He has worked extensively in Canada and the United States, as well as overseas with hospitals in South East Asia, Australia, Africa, and the UK. Immediately prior to joining Sg2, he owned and operated The Welby Inn in Kennebunkport. He has a MSc in physics from the University of Toronto in Canada and a BSc from King's College of the University of London, England. Chris joined the Board of Trustees in 2003 and became its Vice President in 2009. Chris has been instrumental in developing Board planning, policy, and assessment procedures.

### **Michael I. Montembeau, Secretary**

Michael and his family moved back to Maine and settled in Kennebunk in 2006. Michael is a partner in a local law firm specializing in intellectual property law. Prior to his legal career, Michael worked as a geologist and environmental engineer with the U.S. EPA and Halliburton. Until recently, Michael was active in Saco Bay Rotary and served as President of the Rotary Club of Southbridge, Massachusetts during its centennial year. Michael has served as a board member and trustee of several organizations including Harrington Memorial Hospital, Community Bike Coalition, Southbridge Planning Board, and the Central Massachusetts Planning Commission. Michael joined the Museum’s board in early 2010 and became its Secretary in June 2010.

### **David N. Moravick, Treasurer**

David and his family have lived in Granite Point, Biddeford since 1985. He is currently Senior Vice President in the insurance division of Kennebunk Savings. Prior to this, he was Senior Loan Officer for Rivergreen Bank. He has been a trustee and officer on several boards, including the Kennebunk Rotary, United Way, McArthur Library Association and Trinity Episcopal Church. David joined the Museum’s Board of Trustees in 2005 and has served for five years as Treasurer and chair of the Finance Committee, as well as a key member of the Building Planning Committee during the recent renovations. He has helped to shepherd the

Museum through its re-accreditation process with the American Association of Museums, and his organizational skills and creative thinking have contributed to broadening the Museum's audience and base of support.

## THANK YOU TO OUR CONTRIBUTORS in 2011 to date

We gratefully acknowledge the following donors for their generosity in support of the Museum in all arenas during the 2011 fiscal and calendar year-to-date. The Museum makes every effort to ensure the accuracy of these listings; should you have a question, please contact the Museum at 207-985-4802.

### 2011 ANNUAL FUND

The Annual Fund is the Museum's single largest source of unrestricted funding. Each gift forwards the Museum's ability to fulfill its mission to preserve the rich heritage of the Kennebunks for year-round residents, seasonal visitors and future generations through the collection, preservation, interpretation and exhibition of its material culture. Individual giving levels reflect cumulative gifts to the Museum's Annual Fund from January 1 through June 15, 2011.

# NEW 2011 Exhibitions

## New Permanent Exhibition, Opened March 15, 2011

### *Windows on the Past: Kennebunk's History Through Architecture*

This new permanent exhibition spotlights 42 homes discussed in the Brick Store Museum's illustrated guidebook of the same name. Visitors are immersed in 300 years of Kennebunk's architectural history through vibrant images and artifacts, which include furniture, woodworking tools, diaries, sketches, and more. Each style of home is as unique as the local family who lived inside it. *Sponsored by Old House Parts Company*

**April 19 – July 16, 2011**

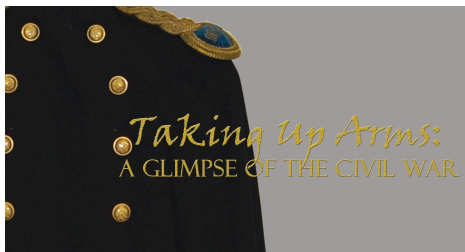

### On loan from Historic *The Preservation Now*

To complement and place our Windows on the Kennebunk's iconic National Register Historic broader context, the Brick Store Museum is Preservation Movement Then and Now, a loan from Historic New England. How did the begin in New England? What was the first What preservation work is being done today? Historic New England's exhibition *The Preservation Movement Then and Now* answers those questions and more as it traces the history of the preservation movement in New England. *Organized by Historic New England. The tour of The Preservation Movement Then and Now is made possible by Historic New England*

### New England: *Movement Then and*

Past exhibition about District in an even pleased to host The traveling exhibition on preservation movement building saved or lost?

**May 7, 2011 – ongoing**

### *History Showcase | Taking Up Arms: A Glimpse of the Civil War*

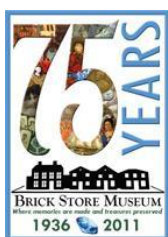

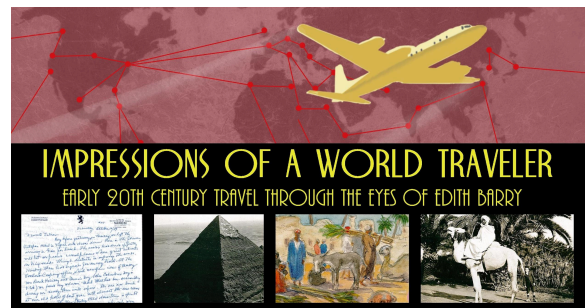

This year marks the 150th anniversary of the start of the Civil War, with opening shots fired on Fort Sumter on April 12, 1861. Taking Up Arms displays several artifacts from Kennebunk men who fought in the Civil War, including Colonel Corning's uniform, Seth Bryant's sword and pistol, and Isaac Emery's band-leading cornet.

*This History Showcase is made possible by our proud business partner: Captain Lord Mansion.*

**June 22, 2011 – May 31, 2011**

### *Impressions of a World Traveler: Early 20<sup>th</sup> Century Travel Through the Eyes of Edith Barry*

This exhibition explores early twentieth-century travel through the eyes of the Museum's founder, Edith C. Barry. As a trained artist, Barry traveled the world throughout her life and documented her journeys through photographs, writings, and souvenirs. The exhibit will focus on four of her trips: North Africa (1912); Asia (1920); "Around the World" (1935); and another "Around the World" trip in 1959. The exhibit will feature Barry's photographs and watercolor paintings of various regions of the world, as well as the unique opportunity to read Barry's own words through her travel journals. The exhibit will also focus on the three-dimensional objects that Barry brought back with her from different parts of the world

**Opening in late July, 2011**

### *History Showcase | Through the Years: Celebrating the Museum's Diamond Anniversary*

This History Showcase gives visitors the opportunity to appreciate the Museum's accomplishments and its integral role in the community over the past 75 years.
