Northwest school of the arts – End of Year Testing Schedule 2024

The overview of the Northwest School of the Arts Testing Schedule is below. PLEASE read this information below as it pertains to the overview.

Basic Information:

- Middle School Testing is highlighted in GREEN
- High School Testing is highlighted in GREY
- Whole School is highlighted in PINK

NC Testing Window:

- Testing will run from Friday, May 24th until Friday, June 7th for ALL EOC's, EOG's, CTE exams, local exams, and teacher made exams
- It is REQUIRED BY STATE LAW that ALL EOG's, EOC's, CTE Exams, Local Exams, and Teacher-made finals be administered during this window.

NOTE: The testing calendar is subject to change based on requirements from the state and/or CMS

EC and 504 Accommodations:

- Mr. Sennett will have official EC and 504 Accommodations scheduled for the following ONLY: EOG's and EOC's
- Because we require so many staff members for official testing, Accommodations for TEACHER-MADE exams will be the responsibility of the teacher

Staff Members Involved and Planning Periods:

- It will be an "ALL HANDS ON DECK" scenario for exams. ALL staff members will be utilized in the testing plan on multiple days
- Teachers will have a "Duty Free" lunch each day, but you MAY NOT have a planning period each day due to the schedule.

Exam Schedule "Outliers" – These are highlighted in Yellow

- Mr. Williams teaches a class of 8th grade students who take the MATH I EOC. This is highlighted in yellow in terms of when it will be administered
- Any high school EOC 4x4 classes must test on or after June 3. This will be highlighted in yellow
- In the middle school test schedule, I have placed the HONORS level classes toward the start of the window and the Co-taught or Standard level classes toward the end of the window to allow for balance of proctors/teachers needed.
