

Terms of Use

With purchase you agree to the following:

- This item will not be posted in it's individual form
- Commercial packages containing this item, does not provide any rights to reuse this package
- No placing on free asset packages
- No distributing the individual package (if you need help, reach out to me)
- Feel free to use for "V-Tuber" models, or models used in videos, just do not claim credit for the creation of this asset.

You can create new textures and share those textures, but all files originally part of the package (modified or not) are not to be shared outside of commercial packages.

Any questions or concerns can be directed to the author, common contacts are the following:
