Outline of Voyager Council's role.

**Mission of Council-** The Voyager Council is dedicated to enriching the educational and extracurricular experience of the students, staff, and parents, by creating and cultivating a community founded on parent involvement, partnership, and hospitality. We endeavor to be a school where all are welcomed, and our families are known by name.

Any discussions that might get off topic or need a longer discussion will be held till the end of the meeting and revisited at that time.

**Volunteer Opportunities-** Reminder you will need to register with responsive education and have approval to volunteer at the school.
