Privacy Policy for HighDRN

Last updated: June 18, 2026

This Privacy Policy describes our policies and procedures on the collection, use, and disclosure of your information when you use the Service.

Third-Party Advertising Our app uses Google AdMob to serve advertisements. Google AdMob may collect and use information about your device, such as your advertising ID, to provide you with personalized or non-personalized ads. You can learn more about how Google uses data at <https://policies.google.com/technologies/partner-sites>.

Personal Data We do not collect any personal information (such as your name, email, or address) directly from you. We do not require you to create an account or provide any personal details to use this app.

Cookies and Tracking Our app does not use cookies for our own tracking purposes. Third-party advertising services may use cookies or similar technologies to serve ads.

Contact Us If you have any questions about this Privacy Policy, you please contact us through the developer contact information provided in the App Store/Play Store listing.
