Induction Updates

On October 13, 2021 all Induction Participating Teachers and Support Providers attended a virtual Collaboration that provided them the opportunity to learn about Graduate Programs offered by Grand Canyon University and Induction Updates. All Pts and SPs also learned about the inquiry process and the Individual Learning Plan they will be utilizing for their first inquiries. The Assistance League of Anaheim also announced that they will offer again this year, classroom wish list donations to all new Year 1 & year 2 participating Teachers and new Support Providers.

Support Providers Professional Development:

A continued focus of the AESD's Induction Program is to provide professional development for the Induction Support Providers. Induction Support Providers participate in a Skill Building Activity each month at SP Meetings. The topics for the PDs are based off of data from the 2020-2021 End of Year Survey that all SPs completed. Program Standard 4: Qualifications, Selection and Training of Mentors states that, "The program must provide ongoing training and support for mentors that includes, but is not limited to:

- Coaching and mentoring
- Pre/Post observation reflective conversations
- Goal setting for SPs (Continuum of Mentoring Practice)
- Use of appropriate mentoring instruments
- Best practices in adult learning
- Support for individual mentoring challenges, reflection on mentoring practice, and opportunities to engage with mentoring peers in professional learning networks
