Career Inquiry Day 1: What career options will you have after high school? This will take you some time to investigate and isn't always as straightforward as one would think. For example, I have a lot of interests and want to find a job that not only interests me but challenges me to grow as a person. Lastly, it is important to find a career that you enjoy since you only get one life to live!

Interests I have	Careers from those interests (***Google this!*** There are many more than you think. ***Plus, you may need to think outside the box)***

If you were to go straight into the workforce from high school, what career options are available based on my interests?

You need to identify a MINIMUM of FOUR!
