DETAILS ITINERARY

DAY 01: HANOI ARRIVAL

Upon arrival in Noi Bai International Airport, you will be greeted by local guide and transfer you to your hotel in Hanoi that is Vietnam's capital, ranks amongst the world's most attractive and interesting cities. It was first the capital of Vietnam in A.D. 1010, and though the nation's capital moved to Hue under the Nguyen dynasty in 1802, the city continued to flourish after the French took control in 1888. In 1954, after the French departed, Hanoi was declared Vietnam's capital once again. The remnants of over 1,000 years of history are still visible here, with that of the past few hundred years wonderfully preserved. After checking in hotel, you are free at leisure. There's plenty to do and see or you may choose to find a spot on the lakeside and just watch the world go by - Hanoi is a truly unique city. In the evening you can choose from one of the many restaurants near Hoan Kiem lake or in the Old Quarter. Hanoi is also a fascinating city to enjoy an alfresco drink. Overnight in Hanoi.

Meals included: Dinner

DAY 02: HANOI CITY TOUR

This morning enjoy a full day city tour of Hanoi. First, visit **Ba Dinh Square**, where silent sentries guard the marble and granite mausoleum where Ho Chi Minh lies in state (closed every Friday & Monday and in October & November). See the simple cottage where Uncle Ho lived and worked. Nearby, visit the **Ho Chi Minh Museum**, an extraordinary tribute in abstract form to the life of the 'father of the country' and the evolution of Vietnamese independence. French architecture is a feature of Hanoi, and the nearby former **Governor's Residence** is a fine example as well as the **One Pillar Pagoda**. Continue to the **Temple of Literature**, built in 1070 and then dedicated to Confucius, it is a serene retreat from the busy streets outside, and later became Vietnam's first university.

This afternoon, visit **Museum of Ethnology** (closed Mon) and enjoy an orientation of the tree-lined streets of Hanoi, resplendent with French colonial architecture, including the recently restored **Opera House**. Pass by **Hoan Kiem Lake**, also known as Lake of the Restored Sword from the legend that surrounds it en-route to one of the city's fascinating museums. Then take to the streets on foot for a **walking tour of the Ancient Quarter** or 36 Streets District. This densely populated corner of the city was once a centre of commerce where goods were sold under the street name of a particular guild. Still a thriving community of sellers today, you will see street names such as Sugar Street, Tin Street and Paper Street. Ancient homes and temples are interspersed with stores in this souvenir hunter's paradise! Enjoy a performance of the renowned **Water Puppet show** - an ancient Vietnamese form of entertainment, which enables the puppeteers to control their active marionettes by levers hidden under the water. Water puppet skits generally enact ancient folklore and legends that are rural in origin, and the theme of water is often present, as it defines so much of Vietnam’s landscape. Drive to your hotel and overnight in Hanoi.

Have a lunch at local restaurant. In the afternoon, visit the **Imperial Citadel**, a vast complex built in the early 19th century and modelled after the Forbidden City of Peking. The original walls stretched for 10 km and were surrounded by a wide moat. Today, most of the buildings have been destroyed due to bombing during the Vietnam-American War, but the monuments that remain provide a fascinating glimpse into the court life of the Nguyen Dynasty.

The hills surrounding Hue are dotted with the tombs of the Nguyen dynasty emperors. Built not only as an eternal resting place, the tombs were designed for recreation; somewhere the Emperor could fish, hunt and enjoy the company of concubines in his twilight years. Your tour combines visits to two of the most contrasting tombs. First, you will visit **the tomb of Emperor Tu Duc**, resplendent in traditional architecture, paved walkways, resting pavilions overlooking tranquil lotus ponds, and a small forest for hunting. In stark contrast, you will continue on to **Khai Dinh's Tomb**. Remembered as the "Puppet Emperor" because of his affiliation with the French, this tomb was designed with colonial flair, and a glass mosaic frieze dominates the interior. Overnight in Hue.
