

## Swipe 0

**Subject:** 30 AI Training Videos You Can Sell as Your Own  
(Launch \$9.95)

{Firstname},

AI tools are changing almost weekly.

Most creators want to teach AI... but they don't have time to record new training every time something changes.

That's exactly why **Teach AI – Volume Two** was created.

It includes **30 brand-new over-the-shoulder AI tutorials** you can rebrand, repurpose, and sell as your own training.

Your audience will see step-by-step walkthroughs covering tools like:

NotebookLM

Google Gemini

AI infographics

Research workflows

and more.

Inside the package they get:

- 30 step-by-step AI videos
- 30 companion audio files
- 30 transcripts and written summaries
- 30 contextual slide decks
- Full resell rights

And during the launch it's only **\$9.95**.

That makes it an easy “yes” for buyers who want AI content without creating it themselves.

## Swipe 1

**Subject:** Sell AI Training Without Recording a Single Video

{Firstname},

Creating AI tutorials takes time.

Researching tools...

Recording demos...

Editing videos...

Or you can simply **sell the content that's already finished.**

**Teach AI – Volume Two** delivers **30 ready-to-deploy AI training lessons** your buyers can use immediately.

Each topic is a **short, practical screen recording** showing real AI workflows.

Your buyers can:

- Sell the training as their own course
- Use the videos in paid memberships
- Turn transcripts into blog posts or emails
- Repurpose the audio for podcasts

And right now the launch price is just **\$9.95.**

Low price.

High perceived value.

Perfect for your list.

## Swipe 2

**Subject:** Teach AI Without Creating Content Yourself

{Firstname},

Everyone wants to talk about AI.

Very few people want to **create the training from scratch.**

That's why **Teach AI – Volume Two** is such an easy offer.

Inside are **30 step-by-step AI tutorials** already recorded and ready to deploy.

Topics include things like:

- Creating infographics with AI
- Using NotebookLM for research
- Turning videos into visual content
- Building AI learning workflows
- Using Gemini and other tools together

Your buyers can **rebrand the content and sell it as their own training.**

Even better...

The launch price is only **\$9.95.**

Which makes it an easy impulse buy.

### Swipe 3

**Subject:** A Simple Way to Sell AI Training (Without Recording It)

{Firstname},

Most AI courses require hours of work.

Recording videos.

Editing tutorials.

Building slide decks.

**Teach AI – Volume Two** skips all of that.

It gives your buyers **30 complete AI training lessons** already finished.

Each lesson includes:

- Screen-recorded tutorial video
- Audio version
- Transcript
- Written summary
- Slide deck

In other words, it's a **complete AI curriculum they can deploy immediately.**

Sell it as a course.

Use it in a membership.

Or repurpose it into content.

And during launch it's just **\$9.95**.

See the details here:

## Swipe 4

**Subject:** The AI Content Shortcut Your Audience Will Love

{Firstname},

AI tools are evolving so fast that people want constant updates.

But creating AI tutorials from scratch takes serious time.

**Teach AI – Volume Two** solves that problem.

It includes **30 ready-to-use AI training videos** covering practical tools and workflows.

Your buyers can:

- Sell the lessons individually
- Package them into a course
- Use them inside paid communities
- Turn the transcripts into blog content

Everything is already created.

They simply **rebrand and deploy**.

And right now the launch price is **\$9.95**.

## Swipe 5

**Subject:** NotebookLM + AI Workflows = Powerful Training Content

{Firstname},

One of the most exciting AI tools right now is **NotebookLM**.

But most people still don't know how to use it properly.

That's where **Teach AI – Volume Two** comes in.

This new training package includes **30 AI workflow tutorials** covering tools like:

NotebookLM

Gemini

AI research tools

Infographic creation

Content workflows

Each tutorial is a **short over-the-shoulder walkthrough** showing exactly how the tools work.

And your buyers can **sell the training as their own**.

During launch the entire package is only **\$9.95**.
