ART Week Workshop Schedule 2026:

“Les Éléments- The Elements”

Dear EFDM Community,

Thank you for helping make our Art Week 2026 so special! We are so excited to discover the wonderful activities you have planned around our theme, celebrating the fascinating and expansive elements:
Earth, water, fire, and air.

We will have many art supplies available (paper, paint brushes, etc.) to support your workshops.
While we are happy to assist whenever possible, we kindly ask that you plan to bring any special materials required for your activity.

Merci beaucoup, we are so grateful for our creative and artistic community!
