

[night ambience // bonfire] My liege, may I speak freely?...I ask because I know we aren't equals. You're my owner and I'm your pet wyvern, I don't want to speak out of term. But I do have a question I would like to ask if you would allow me, your grace...Is there were we are camping tonight? Or are we going to keep traveling?...I'm only asking because I'm not sure. You only rode me for an hour or two today so I wasn't sure if we were waiting for the cloak of night to continue forward. I know how you get in the heat, my liege. You've never been one to handle it well. It's why I make such a great pet for you! I'm cold blooded so you can share your heat with me and I can make you cool in return. I always do my best to make myself useful for you, your grace. My number one priority is serving you. It's my job as your wyvern. I've been entrusted to your care and in exchange I'll protect you with my life. It's a simple exchange. One that makes the most sense. You're the most loving owner in the world!...Would it be okay if I asked another question of you, my liege?

...This one could be seen as inappropriate. It's not right for me to ask this of you since you take such wonderful care of me. But if it wasn't important, then I wouldn't need to ask you. Are you okay with your pet asking you an uncomfortable question?...Oh, thank you my liege! My question is about a problem I've been having. You see, we've been traveling together for months, yes?...And it's wonderful! I love seeing the world and being able to protect you. There is no greater joy than making you smile, my liege. And I have been so focused on taking care of you that I have noticed things about my see. You see, it's summer time. Do you know what that means for wyverns like me?

...It means that it is our fertile season. Don't worry, your grace. I'm not asking if I can breed you. I wouldn't dare ask for that. I'm not worthy of that. But I was going to ask, because my body is having these feelings if you would be willing to help me?...I can tell you how you would help me. It's not going to be difficult. As you know, wyverns lay eggs. That means I come equipped with a pseudo-penis called an ovipositor. Because you have chosen not to breed me, I don't have any eggs but I still have needs. My hormones have been out of control lately, your grace. I'm sure you've noticed how I've started rubbing myself against things whenever I get the chance. I can't help myself, my liege. It's embarrassing but I can't control it. Can you help me? Please, your grace? I need your help and you're the only one who could give me any sort of relief. Please, your grace?...Really? You'll help me out?...Okay, I won't make you do anything, my liege. You're already being so kind by offering to help me out. All I need to do is fuck you. That's easy, right?...Will my liege get comfortable for me?

[shuffle] Thank you, your grace. You are such a wonderful owner to your pet. You could let me take care of myself but instead you offer yourself. What a selfless owner I have. I'm so lucky that I'm yours, my liege. Look so good like this, your hole on display for me. Do I have to wait, your grace? Can I stick my ovipositor in? Please? I don't want to wait...Look at it, my liege! See how long and skinny it is. It only gets thicker towards the base. I promise I won't put it in all the way. I'll go slow and only put as much as you can handle. Please let me get inside you. I'm desperate. Seeing your inviting hole like this but not being able to get inside is driving me crazy, my liege. Please. I need to be inside. Can I please fuck you?...Thank you, your grace! I promise I'll take good care of you. You're always safe with me, right?

[wet noises start] See, my liege? I promised to not go deep right away and I didn't. Only thrusting the tip in and out. I'm not going to hurt you. I want to take care of you. I want to protect you. I love you, your grace. You're so wonderful to me. Allowing me the privilege of fucking your hole. I'm so happy right now. You feel so good, love how tightly your hole sucks me in. You're so good, my liege. A pet like me doesn't deserve a treat like this. Ngh, you feel so good. Taking me so well. Not going too deep, slowly adding more with every thrust of my hips. Don't want to hurt you, don't want to wait either. Just want to be inside you, feeling you hugging my ovipositor. It feels so good. So much better with you here. You take care of me so well, thank you. Thank you for giving me what I need, your grace. I don't know what I would've done if you hadn't said yes. You feel so good, I don't want to ever give you up.

Ngh, you take me so well, your hole slowly opening up around me as I rock into you. My scales continue to brush against your smooth skin, my cock taking on the same heat as your body. My ovipositor arcs up into you, pressing into you just right. You're like how I feel, don't you?...Your pet fucks you good, doesn't she?...That's right, my liege. Going to fuck you as much as you let me. It makes me happy knowing you're enjoying this. Clenching around me as another moan escapes your lips. That's it, that's right. Moan for your pet, my liege. You sound so good when your being fucked by my cock. Didn't think your pet would be able to make you feel like this, huh? **[chuckle]** Why don't you touch yourself for me? I bet you would look stunning being fucked by me while you touch yourself. Come on, your grace. Please. I want to watch you cum. I want to see you touch yourself. Will you please fuck yourself for me, my liege? Will you show me how you like to be touched?...Thank you, your grace. You're so good for me. The best owner a wyvern could ever hope for. Ngh, right like that. You're amazing, absolutely amazing, my liege. Mnf, it feels good to touch yourself while you're being fucked full, doesn't it?

...Mmm, you're so good for me, your grace. Keep it up. You're making me feel so good. So wonderful to your pet. I don't deserve this but it feels so good. I don't want to stop. Just want to fuck you all day long. Want to be inside you as much as possible, my liege. You're the best thing I've ever felt. Your hole is so tight, so warm, so amazing. I can't get enough of it. Pleasure floods my brain as I continue to rock into you, fucking you deeply. My cock curves up, massaging the walls as your hand works you faster. Your own pleasure grows the more my hips thrust allowing for more choked noises to escape. You're feeling good, aren't you?...I know you are, my liege. I can tell from the sounds you're making. You're only this vocal when you're feeling really good or you're in the middle of a fight. I think I know which one your feeling right now. Do you want to share with your pet, your grace? Please? Tell me why you're feeling so good right now.

...It is because of me. That makes me feel so good. I like knowing that I'm the reason you're feeling like this. I enjoy being the reason that you feel so good, that you're getting closer to your orgasm. My cock reaching all the way inside you, that's it. That's right, your grace. You're being such a good owner for your pet. Making me feel so good, that's it. I've always enjoyed how you felt on my back when you rode me. It's only fair that I get to know what you feel like back. Mnf, yes. Rocking your own hips back against mine, you moan as you brush that special spot. Your hand begins to move even faster as you get closer. You're enjoying every second you spend impaled on my ovipositor, aren't you?

...So lucky that I get to be the one to make you feel like this. I can't wait to know what you look like when you fall apart. My owner, always so composed, always so well respected, reduced to this because of me. Because of good it feels to be fucked by me. I can't believe I'm saying this about you, my liege, but you're cute like this. All adorable and needy, you can't really talk. Can only make noises as your hole stretches around me. My cock fucks you deeply, just how you need, ruining you for everyone else. You're not going to be able to find another cock like this. Such a long ovipositor, hollow center, I control how it flicks inside you, the ridges only making you moan more. You didn't expect a wyvern's cock to feel this good, did you?...And now look at you. Completely lost to the pleasure of it, getting closer with each thrust inside. You're so good for me, my liege. I can't get enough of you. Been obsessed with you since the moment you picked me. You're my owner. I love you. I would do anything for you. That's why I'm your pet. You take such good care of me. Ngh, you feel so fucking good. Will you please clench around me again, your grace?...Ngh, fuck. Fuck like that. Yeah, just like. So fucking tight, my liege. Can't get enough. I think I'm obsessed with you. Is that a bad thing?

Mnf, I don't think it is. Not when my owner is so amazing. Feel so fucking good, ngh, just like this. I'm getting so close. I want to cum inside you. I want you to feel everything I have. I want you to know exactly what I can offer so that you pick me. I'm going to ruin you for every other kind of cock, my liege. Going to make sure that it's only my ovipositor that you want. It's the only one you'll ever need. I'll always take such good care of you, give it to you whenever you want. Ngh, fuck. So fucking close, my liege. Can I cum? Please? Please can I cum inside you? I've been such a good pet, I'm even asking for permission. Please can I cum? Please, please please?...Oh thank you! Thank you, your grace. I promise, ngh, I promise you won't regret it. Mnf, so close. I think, ngh, fuck. My liege, I'm gonna, I'm gonna cu-[adlib mutual orgasms] Thank you, my liege. Thank you, thank you, thank you. That is going to make travel so much easier for tomorrow. I'll be able to think much clearer. Thank you, your grace. Did you enjoy yourself?

...Really? You did?...I thought you wouldn't. I imagine it was your first time with a wyvern, right?...Well, I'm glad you enjoyed it. I would love doing it more often if my liege was up to it...Thank you, your grace! You don't have to take such good care of me but you do. That's why I love you. There's no one else I would either serve that you. You are the most amazing and generous owner I could think of. I adore you, my liege. I am all yours. All you have to do is point me in the direction and give me an instruction and I will do it for you. No questions asked and not a hint of hesitation. I've devoted myself to you and just you. You are everything I need, my liege. I only ask one thing of you in return, your grace...Did I end up ruining you for everyone else?...Hmmm. Then I guess we are going to have to try again sometime. If I haven't ruined you yet, that means there is still time to corrupt you further, your grace. If you'll let me...
