### Thurgood Marshall Middle School Back-to-School Night, Thursday, September 03, 2026

Thurgood Marshall Middle School invites all parents and families to join us for an exciting **Back-to-School Night** designed to connect families with our school community and the many opportunities available to our students. From **5:30 p.m. –6:15 p.m.**, parents and guardians will have the opportunity to visit **Tiger's Pride Row in the Main Hallway** and gather valuable information about **extracurricular activities, community programs, and school resources**. This is a wonderful opportunity for TMMS families to learn more about how they can become active partners in supporting their children's academic, social-emotional, and personal growth throughout the school year.

Beginning at **6:15 p.m. and continuing until 7:00 p.m.**, families will gather in the school cafeteria for an informative welcome and overview of important school initiatives and resources. The evening will feature a **Welcome Message from Dr. Lorenzo Prillman, Principal**, followed by remarks from **Michelle Agnew, Community Schools Coordinator**, highlighting community partnerships and resources available to our families. **Brittanee Jones, Title 1 Coordinator**, will also provide a **Title I Overview**, sharing important information about Title I services and how they support student achievement. We look forward to welcoming our TMMS families as we work together to make this a successful year of **excellence, achievement, and Tiger Pride!**

Following the conclusion of the Welcome Message at 7:00 p.m., parents and guardians will transition to their child's 1st Mod Class and follow their child's A-Day Schedule for the remainder of the evening. Please see the schedule below:

Parents/Guardians, your attendance at this event will serve many purposes. For one, it will give you an opportunity to visit your child's classes, meet his/her teachers, and learn about the objectives and procedures in their individual classes. Also, you will have a chance to learn about some of the unique programs that Thurgood Marshall Middle School offers to students. Most importantly, you will learn about strategies and supports you can use at home to help your child in all classes. There will also be multiple attendance prize drawings for parents who attend Back-To-School Night (BTSN).

We look forward to seeing families at the annual Thurgood Marshall Middle School Back-To-School Night.

Sincerely,

*Lorenzo R. Prillman*
