

Lab Safety Contract

I _____ agree to abide by all lab safety rules. I understand that violating any lab safety rule may compromise the safety of myself and others. I understand that if I violate this contract by disobeying any of the lab safety rules I will be removed from the lab, receive a discipline assignment, and a drop in citizenship. I understand that if I am removed from a lab due to unsafe or inappropriate behavior in order to receive credit for the lab, I will be required to complete the discipline assignment and participate in a conference with my parent(s) and my teacher prior to making the lab up after school.

The basic lab safety rules are:

1. Follow lab instructions carefully.
2. Stay on task.
3. Use all lab equipment carefully and appropriately.
4. Stay in assigned seat except when getting or returning/cleaning lab supplies.
5. Clean up.
6. Use appropriate lab safety gear (goggles, gloves, hot pads, lab coat, etc.) as requested by teacher without arguing.
