# Back to School Night

On Monday, September 15th, we will host our annual **Back to School Night**. This “**parents only**” event is designed to provide an overview of our school program & allow parents/guardians to meet school staff.

## Early Session Schedule

### 5:30 – 6:00 PM – Early Sessions (**Invitation Only Sessions**)

- **Resource Room Teachers (**Invite Only Session**)**
  - If your child works with one of our resource room teachers, you will receive an invitation from your child's teacher(s). That invitation will include the room location for your session.
- **Music Ensemble Presentation (**Invite Only Session**)**

- **Resource Teacher Q&A Sessions (locations provided by your child's teacher)**

## ***Important Things to Note:***

- This event is designed for parents/guardians (not for children). **All parents are asked for cooperation in making child care arrangements.** It is difficult for parents and teachers to focus on the program when attention must be given to children. With limited time together this evening, we greatly appreciate your support!
- Back to School Night is not the time for individual parent conferences or questions regarding your child. Please contact your child's teacher at another time to ask specific questions or share concerns.
- Back to School Night parking can be very challenging, so please arrive early to allow time for parking and making your way into the school. Doors will open a few minutes before the evening begins.
