

*Rainmaker *GLORY* Challenge*

You didn't complete the challenge, you failed to become what you said you would be, now, you must ask yourself why.

The Rainmaker title in the copywriting campus is one of the most prestigious, exclusive titles you can acquire, the status that comes with it, the confidence you gain when you hold that title, it's glorious.

You can be part of this elite group, but you must TRY your BEST, day in and day out.

Will you be left in the dust of your brothers and sisters as we scale the mountain together, while you wallow in your feelings and fear? Or will you join the ranks of the most respected students in the campus?

The choice is yours.

Fill this out daily, tag Cole and myself in the #Agoge-Competitions chat.

Desired Outcome for the Day:

- a. Get a new prospect interested in working with me.
- b. Fix the landing page copy

Planned Tasks to Achieve it:

- a. Find a strategy for my 3 warm prospects
- b. Construct a message

- a. Revise the copy from experts advice.
- b. Ask AI if needed with the new prompt.

End of the Day Reflection:

- a. Realized I will not get results as quickly as I need with my current client. I need to find new ones. Today was not a so good day, did not feel like I achieved any significantly and it was just a messy day. To fix this, I need to structure my day better, and set more clear goals for every task I do.

The Man You Are Now vs Who You Want to Be (Keep this the same daily, reminding yourself of who it is you are trying to become) :

- Now: I am broke, I have no influence in the world. I have no money and power to do the things I want and meet the people I desire to meet. I don't have the money to buy the cars I want, the clothes I want, the watches I want to buy. I have not made myself an income that allows me to live wherever I want and to travel whenever I want. My lack of money keeps me from doing things for the people I love.
- Who You Want to Be: I want to be a man without limitations. I want to be the person that people can rely on and feel safe that I have things figured out. I want my loved ones to feel safe when they know I will always be there for them when the chaos occurs. I want to be a man without financial limitations that can purchase anything for myself and for the ones I love. I want to be the man that goes through the world with power and confidence.

Your Reason *Why* (make this as compelling as possible, keep this the same and pound it into your skull, so you wake up daily with a clear reason) :

- In the chaos that is coming, the weak people will go extinct. If I don't have the money and power when the time has finally come, I will get wiped out. My family will get wiped out. And it will be on me. It will be my fault because I could not make enough money to save us from slavery. I need to make this happen so I eventually can save myself and my family from slavery. This is the most important thing in my life.
