

InquirySpace

We are delighted to offer a public online community on [Schoology](#) for teachers who are implementing InquirySpace units in high schools around the nation. The purpose of this by-invitation Schoology group is to exchange ideas and collaborate on challenges. There are also discipline-based “teachers lounges” where you may bring whatever related interests to like-minded colleagues.

If you want to join, or if you have any questions about participation, please email us at inquiryspace@concord.org and we will provide you with the access code to the group. If you are already a member, you are welcome to share the code with colleagues anytime.
