## **AUSD School Board Selects New Superintendent**

Dear AUSD Parents, Staff and Community,

The Auburn Union School District Board of Trustees is pleased to announce that we have selected **Dr. Brittaney Meyer** as the new district superintendent, effective July 1, 2024. The Board formally approved our selection at the regularly scheduled school board meeting held on May 8, 2024.

Brittaney was selected from an outstanding candidate field after a rigorous state-wide search, parent, staff, and community input, and several rounds of interviews, including a community panel. We would like to thank all participants. Your contributions were integral to our selection process.

Brittaney's background, experience and professional qualifications match the leadership qualities our community and staff identified during the superintendent search process. Brittaney has shown, throughout her career, a commitment to student academic success, a collaborative approach to working with staff and families, an ability to cultivate a strong instructional program within the financial constraints of school budgets, and an appreciation for community involvement.

Brittaney's tenure as an educator spans twenty (20) years. She has served as a classroom teacher, high school and middle school vice principal, and a K-8 principal. As the current Assistant Superintendent of Educational Services in Loomis Union School District for the past six (6) years, Brittaney has been responsible for many areas of programing and corresponding budgets including, but not limited to; curriculum adoption, professional development, special education, principal coaching, and school safety. She serves as the district coach for the Positive Behavior and Intervention Support (PBIS) program and guided development of the district's Multi-tiered System of Support (MTSS). These experiences give her unique insight and will serve her well as she transitions to the role of superintendent in our district.

Brittaney and her husband Ryan celebrate their twenty (20) year anniversary this coming June and have three children. She attended University of California, Davis for her undergraduate studies and received a Master of Arts in Education and a Doctorate of Education in Educational Leadership from the same institution.

Brittaney is extremely excited about leading the Auburn Union School District. Please join us in welcoming her to our district as the AUSD Superintendent.

Sincerely

Greg Holt, Board President
