Terms of User

This User Agreement ("Agreement") constitutes a legally binding agreement between you and the Tattoo Design Photo Editor provide by Afaan.App ("Developer"). By downloading, installing, accessing, or using any of our apps and associated services ("Services"), you signify your acceptance of and agree to be bound by all terms and conditions contained herein. Please note that this Agreement is designed to comply with the relevant policies and requirements of the Google Play Developer Platform.

1. Scope of Agreement

This Agreement governs your use of the Tattoo Design Photo Editor, including any updates, enhancements, new features, and related services provided by the Developer. You must be at least 18 years old or the age of majority in your jurisdiction to use the Services.

2. License Grant

The Developer grants you a non-exclusive, non-transferable, limited right to access and use the Services for personal, non-commercial purposes only. You shall not sublicense, modify, distribute, sell, lease, reverse engineer, or create derivative works based on the Services without the express written consent of the Developer.

3. User Conduct

a) You agree to use the Services in compliance with all applicable laws, regulations, and this Agreement. b) You shall not use the Services to upload, post, transmit, or otherwise make available any content that is unlawful, harmful, threatening, abusive, harassing, defamatory, vulgar, obscene, invasive of another's privacy, or otherwise objectionable. c) You shall not engage in any activity that interferes with or disrupts the Services, servers, or networks connected to the Services. d) You shall not attempt to gain unauthorized access to the Services, other users' accounts, or any related systems or networks.

4. Intellectual Property

The Services and all content therein, including but not limited to text, graphics, logos, icons, images, audio clips, digital downloads, data compilations, and software, are the property of the Developer or its licensors and are protected by copyright and other intellectual property laws. You acknowledge and agree that you do not acquire any ownership rights by using the Services.

5. Privacy

Your use of the Services is subject to the Developer's Privacy Policy, which explains how we collect, use, and disclose your personal information. By using the Services, you consent to such collection, use, and disclosure as set forth in the Privacy Policy.

6. Third-Party Content and Services

The Services may contain links to third-party websites, applications, or services. The Developer does not endorse or assume any responsibility for such third-party content or services. Your use of any third-party content or services is solely at your own risk and subject to the terms and conditions of those providers.

7. Warranty Disclaimer

The Services are provided "as is" and "as available." The Developer makes no representations or warranties of any kind, express or implied, regarding the accuracy, completeness, reliability, suitability, or availability of the Services or the information, products, services, or related graphics contained therein. To the fullest extent permitted by law, the Developer disclaims all warranties, including but not limited to implied warranties of merchantability, fitness for a particular purpose, and non-infringement.

8. Limitation of Liability

In no event shall the Developer be liable for any direct, indirect, punitive, incidental, special, or consequential damages arising out of or in any way connected with the use of or inability to use the Services, including but not limited to any errors or omissions in any content, or any loss or damage of any kind incurred as a result of the use of the Services or any content (or product) posted, transmitted, or otherwise made available via the Services.

9. Termination

The Developer reserves the right to terminate or suspend your access to the Services at any time, without notice, for any reason, including but not limited to violation of this Agreement or suspected fraudulent or illegal activity.

10. Governing Law and Dispute Resolution

This Agreement shall be governed by and construed in accordance with the laws of the jurisdiction specified in the Developer's Google Play Developer Account, without giving effect to any principles of conflicts of law. Any dispute arising out of or related to this Agreement shall be resolved through arbitration in accordance with the rules of the American Arbitration Association.

By continuing to use the Services, you acknowledge that you have read, understood, and agreed to be bound by this Agreement. If you do not agree to these terms and conditions, you must immediately cease using the Services.
