I heard the prophet speak today

He spoke of Jesus Christ

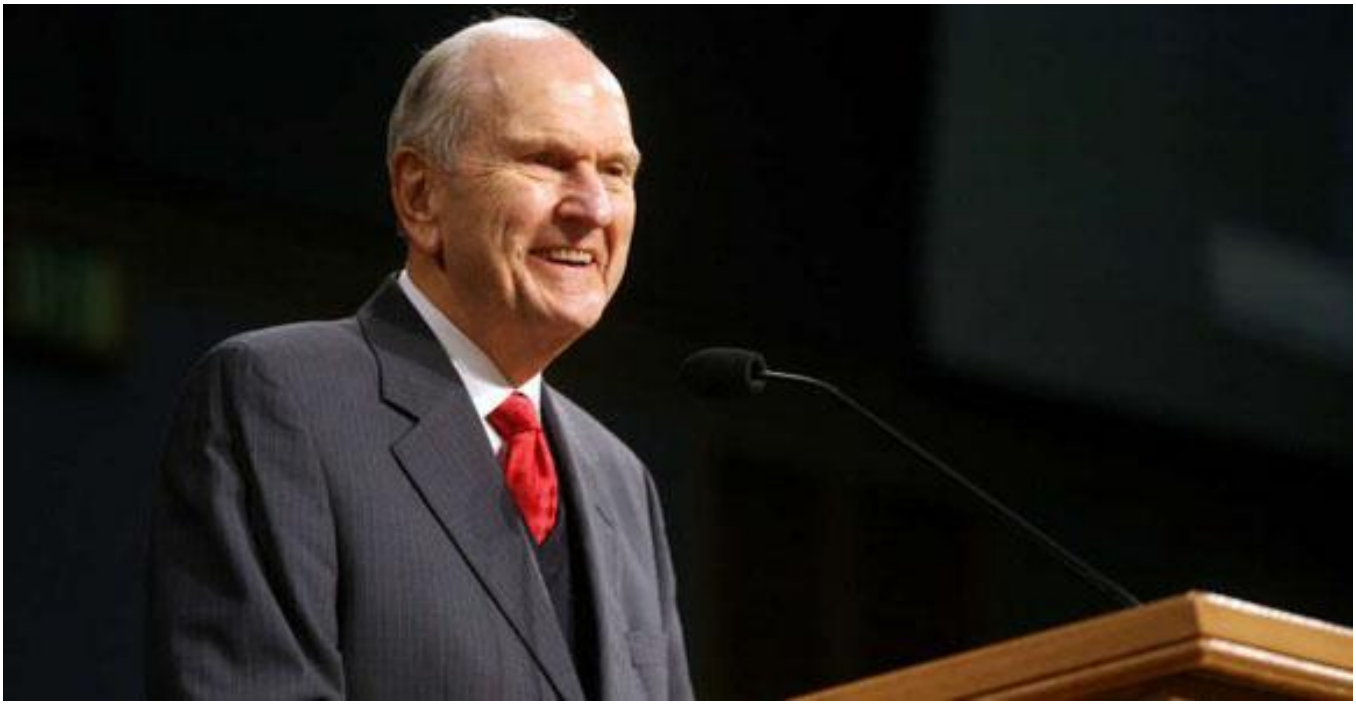

He said that I should always pray

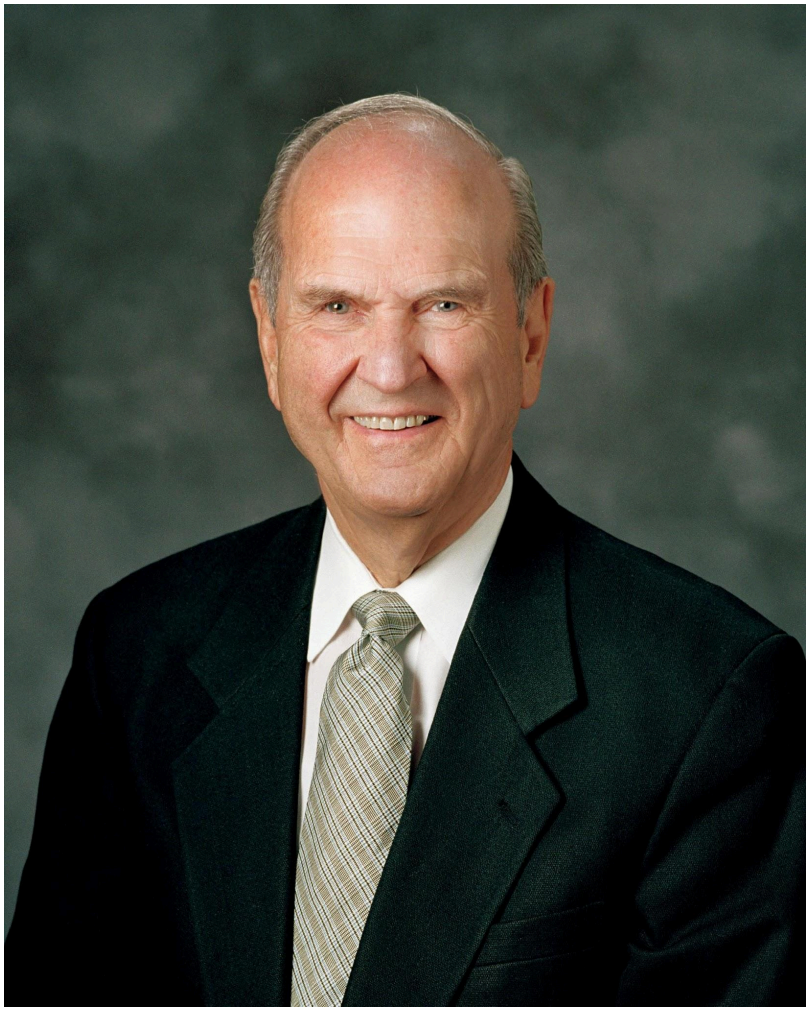

And live a righteous life

I heard the prophet speak today

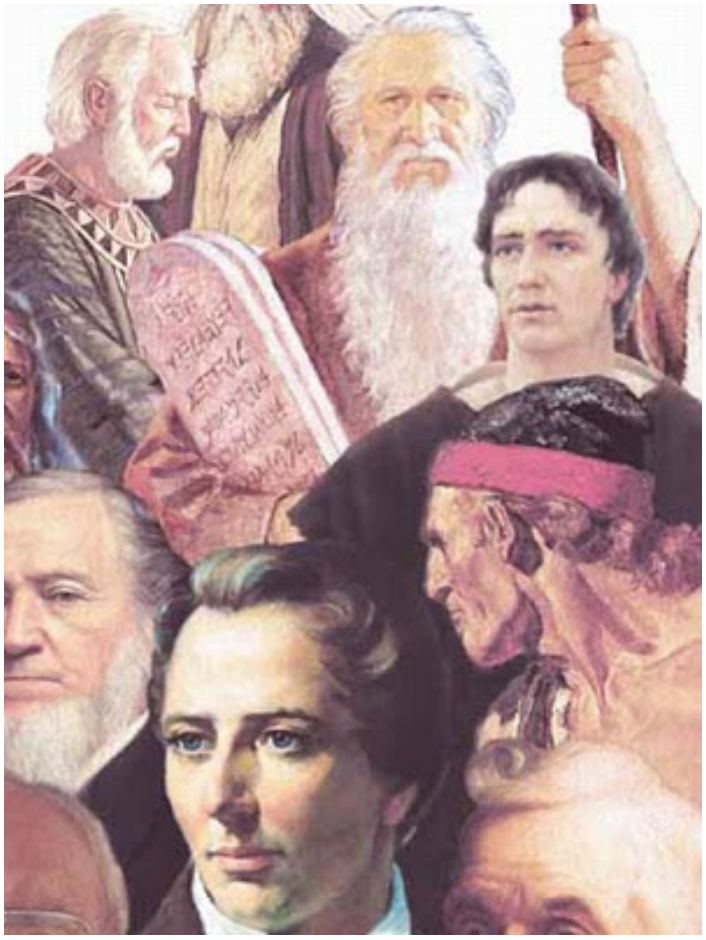

I felt his words
Did you?

I know that he was sent by God

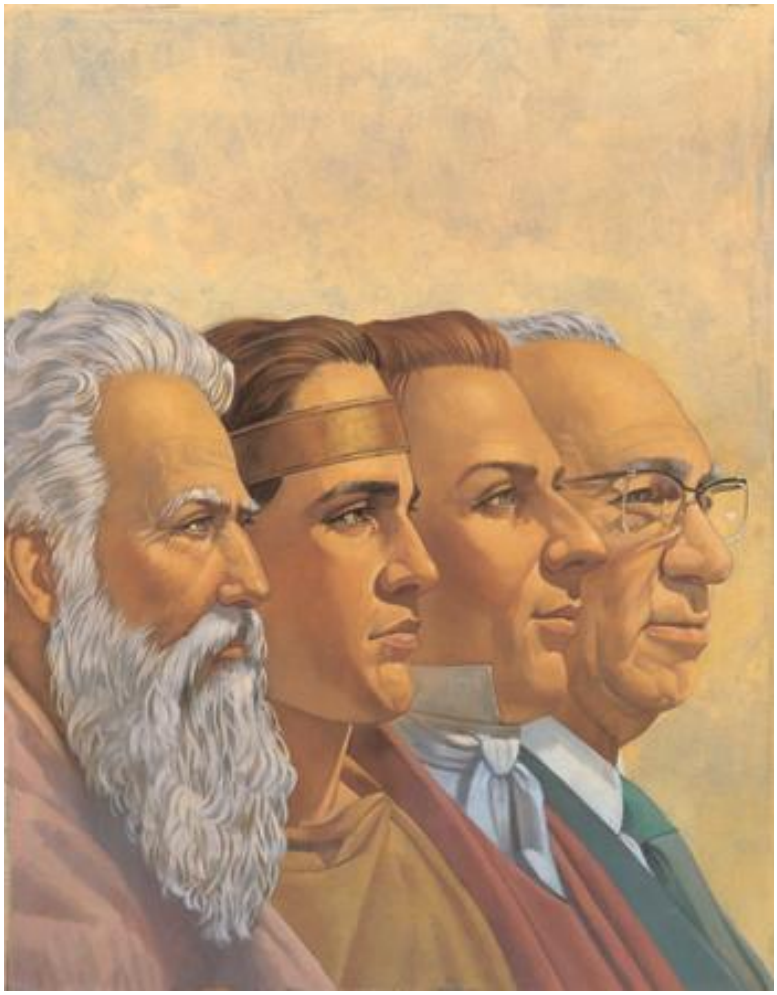

And what he says is true

Now Joshua, and Joseph Smith,

And Paul, and Nephi, too,

Were called by God, who spoke to them

And told them what to do

Some built a ship
Some healed the sick

Some turned the night to day

But ev’ry prophet knows the Lord

And teaches us His ways

I heard the prophet speak today

His words were sure and true

He said, “Serve God and you’ll be blessed

In righteous things you do

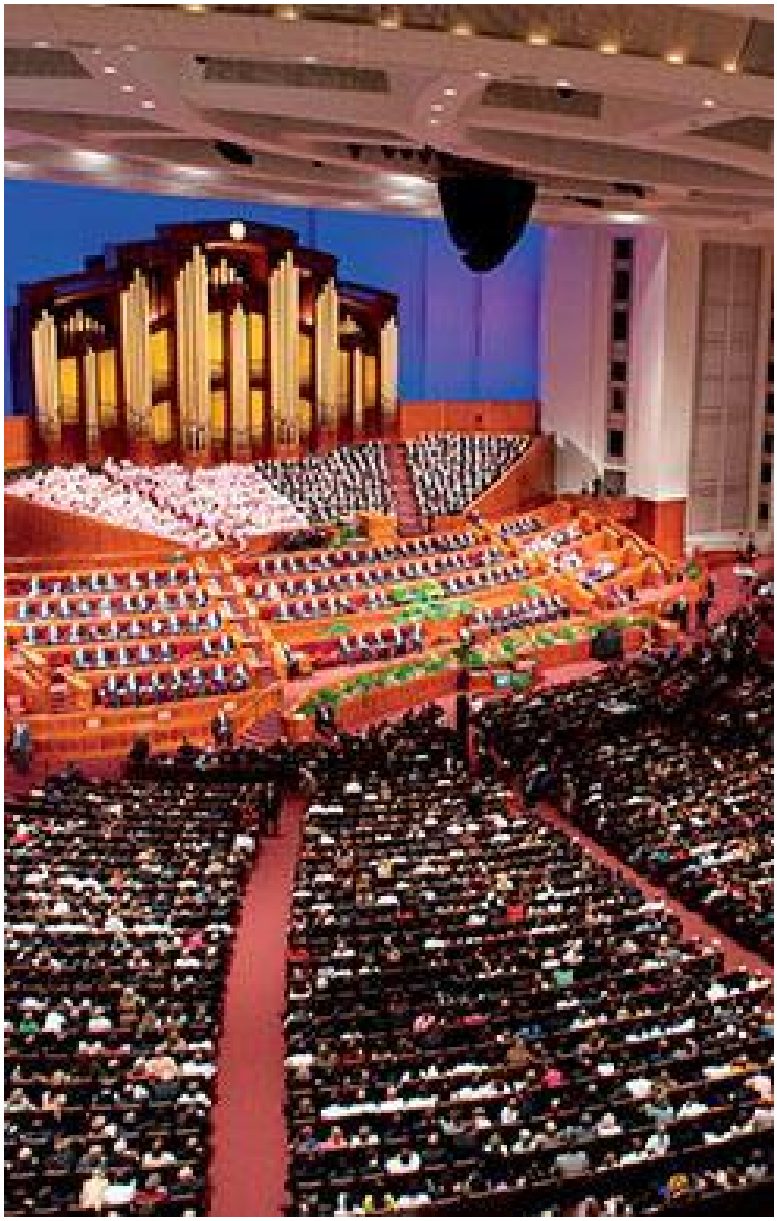

God’s chosen prophet leads our church

And teaches us

today
I'll listen as God speaks through him

And willingly obey
