SUBJECT: Emotional Support Animal Letter for FULL LEGAL NAME

I am writing to confirm that FULL LEGAL NAME is currently under my professional care for a health condition as defined by DSM-5-TR.

It is my professional recommendation that an Emotional Support Animal (ESA) is a vital component of FULL LEGAL NAME's ongoing treatment plan. Their ESA provides crucial emotional relief from symptoms associated with their mental health condition. In accordance with the Fair Housing Act (FHA) and the Air Carrier Access Act (ACAA), I kindly request accommodation for FULL LEGAL NAME to be allowed their ESA in housing and travel.

Thank you very much for your understanding and support. Should you require further information or clarification, please feel free to reach out.

Warm regards,
