

Reading Your Electricity Bill

Toronto Hydro

You will be given two electricity bills.

1. Fill in the table for each bill: [0.5 mark/answer – total of 8 marks]

Bill Service Location:		
Which month did they use the most kWh?		
Which month did they use the least kWh?		
Was there a credit(discount) to the bill? If so, how much?		
Compared to the same period last year – did they use more, less or the same about of kWh? Be specific.		
What is the meter reading period?		
When do you have to pay this bill by?		

What is the cost to this bill?		
--------------------------------	--	--

2. What three components are you charged for in your electricity bill? Explain each charge [3 marks]
3. What's the difference between Time of Use bill and a Tiered bill? Explain and list the price. (Hint: look under Your Electricity Charges) [4 marks]

Total : _____ / 15
