

Welcome to **the Omnic Lab**. We're a podcast that focuses on the strategies inside of the game of Overwatch. We are here to learn through trial and error, even if things get a bit crazy and blow up sometimes! We'll brew up team composition strategies, stir in some tips to play better, and hopefully equip listeners with the instruments they need to gain a strategic edge!

This week Andres & Rob have a full show for you this week talking all about Ultimate tracking!
