01) Break in My Head

(Wimber)

"Break in my head.",
That's what I said
When I woke up this morning.
Shadow In my mind,
Oh I felt so low.

Break in my mind
All of the time.
What a shape I'm in.
I didn't want it,
I didn't want to let go
You ask me why I say,
"Oh, because I know."

Hold'n on to forgiven sin,
That was the place I was in,
Then He came through clear on my inner radio show.
Said, "You gotta let go."

02) Christian Twisters

(Knott)

Have you ever seen a Christian twistin' out
In all the time he has to spare?
It's kinda like livin' while whistling about
In Los Angeles.
Conviction on the brain,
Talkin' dancin' with the Christian twisters,
A twistin' and a twistin', Christian twisters,
On and on, on and on

Have you ever felt the Spirit movin' out
like a British car rollln' in London, England
on Queen Elizabeth's lawn.
I don't mean twisted brains!
I'm talkin' dancin' with the Christian Twisters.

What do you mean that we can't have fun?
Daddy is always waiting.
What do you mean that we can't have fun?
He'll be coming back.
He'll be coming back.
He'll be coming, back to you.
He'll be coming back.
He'll be coming back
He'll be coming back, back to you. Oh-oh yeah.

The worlds gonna pay,
the worlds gonna pay.
Economy's shot and the world can end.
I don't mean twisted brains!
I'm talkin' dancin' with the Christian twisters.
A Christian twister goes.
A Christian twister goes.
A Christian twister goes,,,
I LOVE GOD.

03) Glamour Girls

(Knott)

Glamour girls are happy
G.Q. men are glad.
Bad men are good men
Good men are bad.
Fornication and adultery,
we've got liberated youth.
I've seen it on the TV
but now I know the truth...
It's not real, it's not real happiness.
It's not real, it's not real happiness.

Joanie sells her body
on Sunset Strip.
Mr. Jones bought her
and she got ripped.
Sellin' your soul
for a handful of pills.

Midnight with Judy,
cheap cheap thrill.
It's not real, it's not real happiness.
It's not real, it's not real happiness.

It's not real
It's not real
It's not
It's not real
It's not real
It's not
It's not real, it's not real happiness.

04) Christian Army

(Knott)

Well, we march all day
through the night time too.
Yes, the Christian Army's victory's in view
and we wouldn't have done it
if it weren't for the Son.
Whoever said "A Christian can't have fun."?
Not me. Not me.

And His lordships' manner is a worthy empire.
Through spiritual war we shall not tire
for His light shines through us and the battle is won.
Whoever said, "A Christian can't have fun."?
Not me. Not me. Not me. Not me.

WE WON! He's won in the battalion.
REJOICE! Our name is in The Book of Life.
(there's no sting of death in our lives)
So, we'll keep on marching.

left/right... we won tonight!

05) Physical

(Wimber, Knott)

I know the problems we've got in todays' world;
so many people are basing love on the physical.
Soon, emotions are fading, then devotions go away
I hear that you've been out a sinnin' girl
Could it be cause you're basin' love on the physical?
Soon emotions lade then devotions go away,
don't base it on the physical
don't base ii on the physical
don't base it on the physical
don't base it on the physical, because you know.

Some say the Holy Spirit is not real
I've shaken, I've fallen down, and I've seen people healed.
Don't let me be mistaken
When I shake I'm not fakin'.
don't base it on the physical
don't base it on the physical
don't base it on the physical
don't base It on the physical, because you know
the spiritual is real

Faith, it comes by hearing and hearing by the word of the Lord.
What is your faith based on?
Where is your treasure stored?
If you don't speak in tongues too, that don't mean it's not real for you!
don't base it on the physical
don't base it on the physical
don't base it on the physical.

06) Waiting for You

(Wimber, Heiner, Goins)

What - what, what are you afraid of?
Changes, Strangers.
You know He's waiting there for you.

How long can you run from His love?
There's nowhere to hide.
Are you so afraid of what you'll find inside?

oh-oh, Where'll He find you
In the nightlife or the bright light?
You know He's waiting there for you.

He's waiting for you.
He's waiting for you.
He's waiting for you.
Don't let yourself get left behind.
You know He's at the door, you’re running out of time.

07) Sooner or Later

(Wimber, Knott)

OK, you think that you're a Christian
You run around drunk on Scotch
and Martini's turn to shattering glass entering your hand.
I see you try to pull wool over my eyes,
Maybe I, maybe I can't see you but God can see you!
on yes, God can see you.
on yes. God can see you.

Sooner or later
you're gonna have to choose
Sonner or later
it's gonna be the big decision.
Sonner or later, the choice,
it's all up to you.
Sooner or later,
will you win or will you lose?

Upstairs, you and Josephine (trickster).
I, I can't see what you're doing 'cause
I can't see through the door.
You think you're happy
when you go ah-h but,
It only lasts a moment
then the feeling is through
And still God can see you,
still God can see you.

Sooner or later

you're gonna have to choose.
Sooner or later
It's gonna be the big decision.
Sooner or later, the choice,
It's all up to you.
Sooner or later,
will you win or will you lose?

08) False Identity

(Knott)

I see you walking 'round the streets
I see you stumbling your brother.
The bible you read is ONE WAY
while your lifestyle is another.
I don't want what you got,
I don't want it - no.
You'll be so unrelated
you'll be excommunicated to the world.
False identity, False identity.

Maybe if you were to share
the Good News when you go out
I might understand
the meaning of your life but,
I don't want what you got,
I don't want it - no.
For you to be related
you must be regenerated but,
you're cold blind.
False identity, False identity.

Do you think you'll be going to heaven?

09) I Won’t Give In

(Knott)

Hey Shawnee
What do you think of the world,

the way that it is today
Can't you see it's going down,
right next to the economy.
Look into the paper,
what do you read in the magazines?
All I ever see is nudity
on the movie screen.
Don't tell me they don't show it.
So I'm running,
Don't you know
I've got to have HIM
Running,
Don't you know
I really need HIM
I won't give in,
I won't give in,
No I won't give in
to the world today
With the things they do
and the things they say.

Naked women run around in lingerie,
and don't tell me they don't know it.
So I'm running
Don't you know
I've got to have HIM
Running,
Don't you know
I realty need HIM
I won't give in,
I won't give in,
No I won't give in
to the world.

You run around
and caught the Clap at Vine,
Hey man!
can you spare a dime.
You're livin' out
with a hole in your pocket
and you're lookin' for a lover
but the whole world's
under the same covers.

I won't give in,
I won't give In,
No, I won't give in.

10) The One

(Knott)

Jesus, He's the one.
He makes livin' life so much fun.
He takes care of my problems too.
And if you want,
He can do the same for you.
Open up, let Him in,
you can be made brand new again.
Open your heart.

Jesus, He's the way.
You'd know it too if you heard
what He had to say.
There's no more void and null.
Don't you know your life
has been paid in full?
Open up, let Him in,
you can be made brand new again.
Open your heart. It’s time to choose.

Up or down? Down or up?
C'mon, where you think you're going?
In around and down the street.
and in the street,
and into Johnny...
He got saved and don't ya know
it's all so real!

HE don't care if your daddy's rich.
HE don't care if your mommy's poor.
HE don't care if you're stuck on drugs,
HE will save you, save you.

Jesus, HE's the one.
Jesus, HE's the one.

Jesus, HE's the one for us.

11) Hurt, Out of My Heart

(Wimber, Knott)

I knew a girl,
she was so good for me.
we'd go out every night and day,
but the temptations got too strong
and we knew that it was wrong,
so we had to break apart

Oh Lord, could you get her
out of my heart
I don't way to cr---y,
I'm fallin' apart.
Tears are in my eyes.

Well, I'll always love her so,
but I want my heart to change
to be lovin' of the Lord,
not what my flesh says,
no oh oh oh,
so when temptations got too strong,
we knew that it was wrong,
and we had to break apart.

Oh Lord, could you get It
out of my heart
I don't want to cr---y,
I'm fallin' apart.
Tears are in my eyes.

HEY! - LORD
Could you get it,
get it out of my heart
HEY! - LORO
Could you get it,
get it out of my heart
HEY! - LORD
Could you please, please

get it out of my heart
out of my heart
out of my heart
out of my heart

Could you get it
out of my heart
I don't want to cry
I'm fallin' apart
Tears are in my eyes.

12) Fourteen

(Knott)

Just fourteen,
when she found what she was
lookin' for,
holdin' to the better
and that's 1-2-3
Turned fifteen, holdin' on strong
Had her life together
as anyone can see
and then everybody could tell her
from a Christian and a
lost young teen.
Turn sixteen, not now very strong
late nights in the city
barely anymore
livin' for who she was livin' for.
Tryin' to forget her life,
yet she still can see,
but NOW nobody can tell her
from a Christian and a
lost young teen.
Because you know
She's got one foot in and one foot out
Tell me what your dream life's all about.
She's got one foot in and one loot out
of the world.

oooh and she's runnin'

she's runnin' out of steam.
Wishin' she was somewhere else,
but standin' in-be-tween.

Because you know
She's got one foot in and one foot out.
Tell me what your dream life's all about.
She's got one foot in and one foot out
of the world.

Seventeen, eighteen, nineteen, twenty,
Now she's only twenty one.
Drunk in bars, strangers cars,
Watchin' her life crumbling,
yet she still can see,
but, NOW one can tell her
she's not a Christian,
just a lost young teen.
But, still
She's got one foot in and one foot out.
tell me what your dream life's all an about.
She's got one foot in and one foot out
of the world.

She's got one foot in and one foot out.
She's got one foot in and one foot out.
of the world, girl
Tell me 'bout your dream life.
Tell me 'bout your dream life.

13) I’m Not

(Knott, Wimber)

Psychos are killing, people are thrilling,
you may be willing
but I'm not.

Cars get faster, nuclear disasters,
a killer laster
that I'm not.

My world's above.
I have love.
You might die, but now I'm not.

Smoke some hash, steal a little cash,
you're into it
but I'm not.

Drunk on brew, your friends are too,
you're lost in view
but I'm not.

My world's above
I have love
You might die, but now I'm not

No, no I'm not.
No, no I'm not.
No, no I'm not.
I love JESUS CHRIST!

Make your decision (it's not a religion)
or stay in division
but I'm not.

You could live, live forever,
or burn forever
but I'm not.

My world's above.
I have love.
You might die, but now I'm not.

14) Watch Nowhere

(Knott, Wimber)

Living out,
fantasies are often real.
Living in
the dreams He may not have for you.
Don't tell me you don't care,
don't tell me you don't care.

Our Lord's
tomorrows are waiting for you
Watch nowhere for He's your tomorrow.
Watch nowhere for He's your tomorrow.

I can see
the changes that He had on me.
I want to be
the person that He has set free
Don't tell me you don't care.
Don't tell me you don't care.
Our Lord's tomorrows are waiting for you.
Watch nowhere for He's your tomorrow.
Watch nowhere for He's your tomorrow.

When your dreams are fading
only He can save you.
