

Erik Erikson's Stages of Human Development - Create Your Own Graphic Organizer

Step One: Use the following site/doc to look up the information needed for this assignment.

[Erikson Doc.](#)

Step Two: Create your own graphic organizer that outlines the first **six stages** of Erikson's Stages of Development. Include the following:

- Name of stage
- Age range
- Description (**should be brief and in your own words**)
- Positive outcome (also called virtues) if the stage is completed successfully
- Negative outcome (also called maladaptations) if the stage is completed unsuccessfully

Step Three: Answer the following question in one paragraph using complete sentences.

1. Do you agree with Erikson's Stages? Explain with details and examples why or why not.
