

WEST HEMPFIELD MIDDLE SCHOOL

6TH GRADE SUGGESTED SUPPLY LIST

In order to help our incoming students with organization, we are suggesting students have the following items listed below. Again, these are suggested, not required items.

- ✓ Pencils (many and restocked throughout the school year)
- ✓ Highlighters (pink, green, blue, yellow, orange)
- ✓ Zippered Pencil Bag (not box) to keep supplies in
- ✓ 1" binder for Math (blue), ELA (red), Science (green), Geography (black)
***A Trapper-Keeper/zipper binder is strongly discouraged.

✓ Dry Erase Markers and Eraser

✓ 3 Large Glue Sticks for Science

✓ Earbuds or Headphones for Chromebook use

✓ Additional supplies could include crayons or colored pencils, and scissors. These are not mandatory, just recommended, as teachers have a class set of each of the items.

● Please make sure all Chromebooks and chargers are labeled with first and last name, as materials are easily left in the classrooms.

😊 Any donations throughout the year of tissues, Clorox wipes, and/or hand sanitizer would be appreciated by your homeroom teachers.

Thank you,
Sixth Grade Team
